**SUBJECT: CORRECTION OF BID #211-VV11 – SCHOOL BUS RADIO SYSTEM
LEASE PURCHASE**

The purpose of this bid, opened on February 24, 1998, was to establish a contract, to lease/purchase, at firm unit prices, quantities, as may be required, of school bus radio systems, for the Department of Transportation. The terms of agreement, as contained in the subject bid, awarded by the Board April 15, 1998, provided that the contract be effective for two (2) years from the date of award. An error was made in the Board agenda item, of April 15, 1998, incorrectly listing the effective dates of the award, and the amount awarded, for a one (1) year period. The following recommendation reflects a correction in the effective dates and dollar amount based on a two (2) year period, as specified in the original bid document.
