BUSINESS PARTNERSHIPS

Pursuant to the Memorandum of Understanding approved by The School Board of Miami-Dade County, Florida, on October 23, 1996, every Miami-Dade County public school and educational center has created an Educational Excellence School Advisory Council.

In the 1997-98 year, the Councils were expanded to make a majority of the members persons who do not work for the School Board. The current rosters have been revised to fill any vacancies. They are composed of the school principal and an appropriately balanced number of teachers, education support employees, students, parents, and other business and community people who are representative of the ethnic, racial, linguistic, and economic community served by the school. All concerns about composition have been reviewed by the Family and Community Involvement Advisory Committee, and individual resolutions have been proposed to the Superintendent.

A copy of the Educational Excellence School Advisory Council Membership Rosters will be provided to School Board Members under separate cover, and will be available for inspection by the public in the Office of Board Recording Secretary and the Citizen Information Center.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, receive and file the Educational Excellence School Advisory Council Membership Rosters, 1998-99.
