SUBJECT: USE OF SCHOOL BOARD PROPERTY FOR TV AND FILM PRODUCTIONS

As South Florida's TV and film industry grows, Miami-Dade County Public Schools receives more and more requests from producers for permission to shoot on School Board property. It is proposed that the Superintendent provide a report to the Board on its existing policies and procedures so that we may set standards for ensuring that future productions are consistent with the values promoted by the school system.

**ACTION PROPOSED BY
MR. PÉREZ:**

That The School Board of Miami-Dade County, Florida, direct the Superintendent of Schools to return to the Board with a report, including any necessary recommendations, on existing policies and procedures regarding the use of its property for TV and film productions.
