**SUBJECT: RENEWAL OF BID#173-TT03 – INSTALLATION AND TRANSPORTING
OF COMMERCIAL KITCHEN EQUIPMENT (GAS AND ELECTRIC)**

The purpose of this bid, opened on January 9, 1997, was to establish a list of approved contractors for installing and transporting various types of commercial gas and electric kitchen equipment, at various Miami-Dade County Public School locations. The terms of agreement, as contained in the subject bid, awarded by the Board February 5, 1997 and renewed on March 18, 1998, provided that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida the contract may be renewed for two (2) additional one (1) year periods. The contract is currently in its first one (1) year renewal period. The awardees have agreed to renew for the second one year renewal period by letter, on file, with the exception of Certified Restaurant Service, who did not respond to the renewal request. It is considered to be in the best interest of the Board to renew this bid, for an additional one year period at the current prices, inasmuch as the Bureau of Labor Statistics data shows that wages and salaries have risen an average of 3.58% during the last year. The Consumer Price Index (CPI) indicates an increase of approximately 1.6%.
