**SUBJECT: AWARD OF REQUEST FOR PROPOSAL #148-XX10 – TECHNOLOGY AND LEARNING REPORT CARD**

The purpose of this request for proposal, opened on December 1, 1998, is to establish a contract, at a firm price, to develop a comprehensive technology and learning formative evaluation instrument, (The Technology And Learning Report Card), for the Division of Instructional Technology and Media Support Services, to measure the progress of technology integration as it relates to student achievement in the district. This is a term proposal which states that the Board may purchase quantities, as may be required, at the firm price proposed, but is not obligated to purchase any guaranteed amount. Of 35 vendors sent proposal forms or card notices of this advertised proposal, 6 responded, with 3 proposals meeting specifications and 3 no proposals. Funding for this project will be provided through State and Federal grants.
