**SUBJECT: RENEWAL OF BID #165-TT02 – WASTE REMOVAL, HAZARDOUS
SCHOOL- RELATED MATERIAL**

The purpose of this bid, opened on June 3, 1997, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of school-related waste removal, for various locations. The terms of agreement, as contained in the subject bid, awarded by the Board on July 23, 1997, and renewed on July 8, 1998, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be renewed for three (3) additional one (1) year periods. The contract is currently in its first renewal period. The awardees have agreed to renew for the second one (1) year renewal period, by letter, on file. It is considered to be in the best interest of the Board to renew this bid, for an additional one year period, at the current prices, to benefit from fixed prices during the next twelve (12) months, since the Consumer Price Index (CPI) indicates an increase of 2.6%.
