SUBJECT: REQUEST FOR APPROVAL OF RESOLUTION NO. 99-30 OF THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, SUPPORTING A RESOLUTION FOR THE CITY OF MIAMI'S CONSIDERATION TO PROCLAIM SEPTEMBER AS NON-VIOLENCE MONTH

Violence is one of the biggest problems in urban communities today with many children experiencing or witnessing violence in the home, on the street, or at school. Acknowledging this as a serious problem, the City of Miami is working closely with the Non-Violence Project, an international youth based organization that is attempting to change attitudes about violence. As a part of this effort, the City of Miami Commission will be asked to proclaim September as Non-Violence Month in its city.

A sense of urgency has arisen regarding violence as a result of the following state statistics: 14,874 incidents of school violence during the 1997-98 school year; 2,391 of those incidents were in Miami-Dade. Although these statistics are down from the previous year, the message of peaceful conflict resolution must continue to be stressed. Therefore, it would behoove Miami-Dade County Public Schools to join in the effort to send a strong message to the community and in particular to our students and employees that violence does not have to be a part of our everyday lives and that our community members do not have to live in fear. For that reason, it is requested that the Board support the resolution for the City of Miami's consideration to proclaim September as Non-Violence Month.
