STRATEGIC PLANNING GOAL: II - STUDENT ACHIEVEMENT/PREPARATION FOR POST-SECONDARY EXPERIENCES

The Florida Department of Education (FDOE) has issued a Request for Proposals to establish and/or update Centers of Excellence in Health Science Education.

The Office of Workforce Development Education submitted a grant application, in the amount of \$70,000 for matching funds, to the FDOE to fund the purchase of a Human Patient Simulator at the new Center of Excellence in Health Science Education at Robert Morgan Vocational Technical Institute (RMVTI). RMVTI was selected as the site for this new Center of Excellence laboratory due to the number of Health Science Education programs currently being offered, as well as those that will be added when the new high school opens. The Human Patient Simulator is one of the most advanced teaching tools available today for students in the medical and allied health fields.

The Miami-Dade County Public Schools matching funds appropriation for the grant is included in the Certificate of Participation Series (COPS), Fund 0399, of the 1999-2000 Tentative Budget. Funding will cover the equipment cost for the Human Patient Simulator.
