SUBJECT: RENEWAL OF BID #048-XX10 – REINFORCED CONCRETE AND ASSOCIATED SERVICES (SUPPLY AND INSTALL)

The purpose of this bid, opened on August 25, 1998, was to establish a contract, to supply and install, at firm unit prices, quantities, as may be required, of reinforced concrete and associated services, for the Bureau of Facilities Operations. The terms of agreement, as contained in the subject bid, awarded by the Board on October 7, 1998, provided, that by mutual agreement between the successful vendor and The School Board of Miami-Dade County, Florida, the contract may be renewed for one (1) additional one (1) year period. The contract is currently in its initial year. The awardee has agreed to renew for the final one (1) year renewal period, by letter, on file. It is considered to be in the best interest of the Board to renew this bid, for an additional one (1) year period, at the current prices, to benefit from fixed prices during the next twelve (12), months, since the Consumer Price Index (CPI) indicates an increase of 1.3%.
