**SUBJECT: REJECTION OF BID #238-XX02 - FIRE ALARM EXTINGUISHER PARTS
AND SUPPLIES**

The purpose of this bid, opened on July 8, 1999, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of fire alarm extinguisher parts and supplies, for Maintenance Materials Management stock. This was a term bid which states that the Board may purchase quantities, as may be required, at the unit price bid, but is not obligated to purchase any guaranteed amount. Of 6 vendors sent bid forms or card notices of this advertised bid, 2 responded, with 2 no bids.

Inasmuch as no bids were received for items 1 through 39, the recommendation reflects that the bids be rejected, to permit rebidding using revised specifications. Specifications will be revised and competitive prices will be solicited for these items, pursuant to Board Rule 6Gx13- 3C-1.111 -- Bidding Process -- Competitive Bidding Requirements, which describes the procedures and guidelines to be used for bidding based on the estimated dollar expenditure.
