The purpose of this bid, opened on August 11, 1998, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of collision frame/body repair equipment, for various schools. The terms of agreement, as contained in the subject bid, awarded by the Board October 7, 1998, provided, that by mutual agreement between the successful vendor and The School Board of Miami-Dade County, Florida, the contract may be renewed for two (2) additional one (1) year periods. The contract is currently in its initial year. The awardee has agreed to renew for the first one (1) year renewal period, by letter, on file. It is considered to be in the best interest of the Board, to renew this bid, for an additional one (1) year period, at the current prices, to benefit from fixed prices during the next twelve (12) months, since the Consumer Price Index (CPI) indicates an increase of 1.5%.
