SUBJECT: REJECTION OF BID # 084-ZZ10- RADON TESTING, PHASES I AND II

The purpose of this bid, opened on November 9, 1999, was to establish a contract, to provide all necessary labor, material and equipment, at firm unit prices, to conduct radon measurements and provide analysis reports at selected Miami-Dade County Public Schools locations. This is a term bid which states that the Board may purchase quantities, as may be required, at the unit price bid, but is not obligated to purchase any guaranteed amount. Of 21 vendors sent bid forms or card notices of this advertised bid, 4 responded, with 2 bids meeting specifications and 2 no bids.

Inasmuch as the originator has indicated that there has been a change in requirements, the recommendation reflects that all bids be rejected to permit rebidding, using revised specifications.
