**SUBJECT: AUTHORIZATION TO ACCEPT A DECLARATION OF RESTRICTIONS FOR APPLICATION NO. 99-413, TAMIAMI KENDALL INVESTMENTS, FOR A VOLUNTARY CONTRIBUTION IN ADDITION TO EDUCATIONAL FACILITIES IMPACT FEES**

Tamiami Kendall Investments (applicant), is requesting a district boundary (land use) change from GU (interim) and IU-C (industry-controlled) to BU-IA (business-limited) and RU-4L (limited apartment house) for 40 acres located on the northwest corner of S.W. 127 Avenue and S.W. 136 Street (see attached location map). The proposed development of 506 units is consistent with the Miami-Dade County Comprehensive Development Master Plan (CDMP) and is within the current Urban Development Boundary.

The estimated student population generated by this application is 154 students. The schools that will be impacted are Gloria Floyd Elementary School (83 students - permanent utilization of 76%), Richmond Heights Middle School (37 students - permanent utilization of 162%), and Miami Sunset Senior High School (34 students - permanent utilization of 164%). The impacted feeder patterns are Miami Killian Senior High School, with an overall feeder pattern utilization of 127%, Miami Southridge Senior High School, with an overall feeder pattern utilization of 129%, and Miami Sunset Senior High School, with an overall feeder pattern utilization of 113% (see attached analysis).

Pursuant to established negotiating procedures, a Management Team meeting was held on December 6, 1999, to negotiate with the applicant. Based on these negotiations, and in order to mitigate the impact at the middle and senior high school levels of this proposed 506-unit development, the applicant has proffered a Declaration of Restrictions (Declaration) to benefit the Board by donating funds in the amount of \$103,000. Should a different number of units ultimately be approved, the donation will be proportionately modified consistent with the impact. Such payment will be made in addition to impact fees (estimated to be \$910,800, based on the countywide average impact fee). The contribution is due prior to final plat approval. The Declaration places no restriction on the expenditure of the contribution by the Board.

The Declaration has been reviewed by the School Board Attorney's Office.

A copy of the proposed Declaration will be placed on file in the Citizen Information Center and the Recording Secretary's Office.

**RECOMMENDED:** That The School Board of Miami-Dade County, Florida, authorize the acceptance of a Declaration of Restrictions for Application No. 99-413, Tamiami Kendall Investments, for a voluntary contribution in addition to educational facilities impact fees, under the terms and conditions set forth above.
