SNACKS AND BEVERAGES- -SELLING

No food and beverage items including those of minimal nutritional value listed in the Code of Federal Regulations 210, Appendix B, are to be sold on school grounds in competition with the school food service program except in senior high schools with restrictions.

Sale by vending or other means of carbonated beverages to students in senior high schools by a school activity or organization authorized by the principal may only be sold if a beverage of one-hundred (100%) percent fruit juice is sold at the same location. However, carbonated beverages may not be sold where breakfast or lunch is being served or eaten. Non-carbonated beverages, including one hundred (100%) percent fruit juice, may be sold at all times during the day at any location.

Sale of food and beverage items by groups other than the Department of Food and Nutrition by vending or other means is not permitted in the middle, junior and senior high schools from the beginning of the school day until one hour following the close of the last lunch period.

In the elementary schools, the sale or vending of food or beverages other than the School Lunch Program, is not permitted during the school day in student areas.
