**SUBJECT: RENEWAL OF BID #261-XX07 – DIESEL FUEL (LOW SULFUR) SOUTH OF FLAGLER STREET – TRANSPORT DELIVERY**

The purpose of this bid, opened on June 8, 1999, was to establish a contract, to purchase, at a firm service charge, including escalation/de-escalation provisions for diesel prices and taxes, quantities, as may be required, of low sulfur diesel fuel, for the Department of Transportation Vehicle Maintenance. The terms of agreement, as contained in the subject bid, awarded by the Board on July 14, 1999, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be renewed for two (2) additional one (1) year periods. The contract is currently in its initial year. The primary vendor has agreed to renew for the first one (1) year renewal period, by letter, on file, with the exception of the alternate vendor, Coastal Refining and Marketing, Inc., of Fort Lauderdale, Florida. It is considered to be in the best interest of the Board to renew this bid, for an additional one (1) year period, at the current prices, to benefit from fixed service charges, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI) indicates an increase of 3.7%. The estimated amount reflects an 80% increase in the unit price (April 1999 – April 2000), which represents the current market trend (OPIS pricing).
