The Florida Department of Education (FDOE) has allocated funds to the Miami-Dade County Public Schools (M-DCPS) under the Individuals with Disabilities Education Act (IDEA). The continuation application for funding under IDEA represents two programs consolidated into one application: IDEA, Part B; and IDEA, Part B, Preschool (PreK/ESE).

IDEA, Part B, provides support to state education agencies and local education agencies which are in compliance with all rules and regulations mandated in the law. The basic tenets of the law require state and local agencies to provide a free and appropriate public education for all handicapped students. The entitlement to M-DCPS for the 2000-2001 school year is \$26,841,569. This represents an increase in funds from the 1999-2000 entitlement as the number of students with disabilities in M-DCPS increased from 37,452 to 39,472. The entitlement for the 1999-2000 school year is \$20,074,272.

IDEA, Part B, PreK/ESE provides M-DCPS with special educational programs and related services to three and four-year-old children with disabilities. The entitlement to M-DCPS for the 2000-2001 school year is \$1,478,465. The enrollment of PreK/ESE students has increased from 2,581 to 2,914. The entitlement for the 1999-2000 school year is \$1,427,029.
