SUBJECT: REPORT OF PURCHASES MADE UTILIZING OTHER GOVERNMENT BIDS

The following "Superintendent Authorized Requisitions" (SAR) have had a purchase order issued within guidelines of Board Rule 6Gx13- 3C-1.10 – Purchase Approval, which allows purchases to be made from contracts established by Miami-Dade County, Florida, public agencies within the State, other city or county governmental agencies, other school boards, community colleges or state university system cooperative bid agreements, when such purchases are in the best interest of the School Board due to safety-to-life issues, federally funded requisitions with closing dates out of the established bid cycle, or to maximize economies of scale.
