**SUBJECT: RENEWAL OF BID #076-XX05 – LAMPS**

The purpose of this bid, opened on July 22, 1999, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of lamps, for Stores and Mail Distribution, and Maintenance Materials Management stock. The terms of agreement, as contained in the subject bid, awarded by the Board on September 8, 1999, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be renewed for one (1) additional one (1) year period. The contract is currently in its initial year. The awardees have agreed to renew for the final one (1) year renewal period, by letter, on file, with the exception of Miami Industrial Service, Inc., of Miami, Florida, the secondary vendor for Groups II and III, who did not respond to the renewal request. These items will be purchased from the primary vendor. It is considered to be in the best interest of the Board to renew this bid, for an additional one (1) year period, at the current prices, to benefit from fixed prices during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI) indicates an increase of 3.7%.
