SUBJECT: RENEWAL OF BID #105-XX05M/WBE - ELECTRICAL WIRING DEVICES

The purpose of this bid, opened on May 18, 1999, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of electrical wiring devices, for Maintenance Materials Management stock. The terms of agreement as contained in the subject bid, awarded by the Board on June 23, 1999, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be renewed for one (1) additional one (1) year period. The contract is currently in its initial year. The awardees have agreed to renew for the first one (1) year renewal period, by letter, on file, with the exception of Gem-B Electric Supply, of Miami, Florida, the primary vendor for Group I, who is no longer in business. The secondary vendor for Group I, Mercedes Electric Supply, Inc., of Miami, Florida, agreed to honor its prices. It is considered to be in the best interest of the Board to renew this bid for an additional one (1) year period, at the current prices, to benefit from fixed prices during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI) indicates an increase of 3.7%.
