**SUBJECT: RENEWAL OF BID #273-XX05 – CIRCUIT BREAKERS**

The purpose of this bid, opened on June 22, 1999, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of circuit breakers, for Maintenance Materials Management stock. The terms of agreement as contained in the subject bid, awarded by the Board on July 14, 1999, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be renewed for one (1) additional one (1) year period. The contract is currently in its initial year. The awardees have agreed to renew for the first one (1) year renewal period, by letter, on file, with the exception of, Wesco Distribution, Inc., of Palm Beach, Florida, the secondary vendor for Group III, and Consolidated Electrical Distributors, Inc., D/B/A Raybro Electric Supply of Miami, Florida, the secondary vendor for Groups II and IV. It is considered to be in the best interest of the Board to renew this bid, for an additional one (1) year period, at the current prices, to benefit from fixed prices during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI) indicates an increase of 3.7%.
