SUBJECT: RENEWAL OF BID #234-XX05 – PADLOCKS AND EXIT DEVICES

The purpose of this bid, opened on July 22, 1999, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of padlocks and exit devices, for Maintenance Materials Management stock. The terms of agreement, as contained in the subject bid, awarded by the Board on August 25, 1999, provided, that by mutual agreement between the successful vendor and The School Board of Miami-Dade County, Florida, the contract may be renewed for one (1) additional one (1) year period and, if needed, ninety (90) days beyond the expiration date of the current contract period. The contract is currently in its initial year. The awardee has agreed to renew, for the final ninety (90) day renewal period, by letter, on file. It is considered to be in the best interest of the Board to renew this bid, for an additional ninety (90) day renewal period, at the current prices, to benefit from fixed prices during the next ninety (90) days, inasmuch as the Consumer Price Index (CPI), as of March 2000, indicates an increase of 3.7%.
