SUBJECT: FINAL ADOPTION OF MILLAGE LEVY RESOLUTION FOR 2000-01

Florida Statutes prescribe that no millage shall be levied until a resolution or ordinance has been approved by the governing body of the taxing authority, which resolution must be approved by said taxing authority according to the following procedures:

- a. Each school district shall advertise its intent to adopt a tentative budget in a newspaper of general circulation within 29 days of certification of value which is July 1. (The advertisement appeared in the **Miami Herald** on July 21.)
- b. Two to five days thereafter, the district shall hold a public hearing on the tentative budget. (The first public hearing was held on July 24, 2000.)
- c. Said hearing shall not be held earlier than 5:01 p.m. if scheduled on a day other than Saturday. No hearing shall be held on Sunday.
- d. Prior to the conclusion of said hearing, the governing body of the taxing authority shall amend the tentative budget as it sees fit, adopt a tentative budget, and adopt a resolution stating the millage rate to be levied. The resolution shall also state the percentage, if any, by which the recomputed millage rate exceeds the rollback rate. The percentage shall be characterized as the percentage increase in property taxes tentatively adopted by the governing body. **The Millage Levy Resolution must be adopted prior to adoption of the Tentative Budget.**
- e. The millage rate adopted at the final budget hearing shall not exceed the millage rate adopted at this tentative budget hearing unless each taxpayer within Miami-Dade County is sent notice by first-class mail of the tax levy to be proposed at the final budget hearing, except under specific conditions prescribed in 200.065(5), Florida Statutes.
- f. For fiscal year 2000-01, the maximum **non-voted tax millage as advertised** (exclusive of debt service) that may be levied by the Board, if approved by a vote of a majority of the membership of the Board, is calculated to be 8.702 mills.

A-5

The maximum non-voted millage levy consists of the following: (a) state-required levy of 5.998 mills to participate in the Florida Education Finance Program; (b) a basic discretionary levy of .510 mills for additional operating costs; (c) a supplemental discretionary levy of .194, mills for additional operating cost; and (d) a discretionary levy of 2.000 mills for capital purposes. **The recommended non-voted millage levy for 2000-01 of 8.702 mills is .048 mills more than 1999-2000.**

A debt service levy of .915 mills is required to fund the principal and interest payments for the \$980 million of bonds sold as authorized by referendum during March 1988. This represents a reduction of .075 mills from 1999-2000.

The proposed non-voted tax levy for 2000-01 is \$851,311,131 compared to a tax levy for 1999-2000 of \$787,091,669. A portion of the tax levy is required under state law in order for the school district to receive \$1,156,610,956 in state education grants. The required portion increased by 5.88 percent and represents approximately seven-tenths (70%) of the total proposed (non-voted) taxes.

The **attachment** to this agenda item reflects the proposed 2000-01 millage levy and actual millage levies for the three prior years and the tax effects on a typical homeowner. **The proposed total millage levy for 2000-01 is .027 mills lower than 1999-2000 and is actually .845 mills lower than three years ago.** However, due to increases in the average assessed value, **annual taxes on the typical homestead will have increased only \$37 since 1997-98, an average increase of \$12.37 per year.**

NOTE: This item is one of three items which are part of the 5:01 p.m. public hearing, which should be discussed only at that time and should be approved first.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, adopt the millage resolution for 2000-01 for a total of 9.617 mills.
