SUBJECT: CERTIFICATES OF PARTICIPATION (COPs), SERIES 2000A

Pursuant to the inter-local agreement between Miami-Dade County and the School Board, the Board is issuing Certificates of Participation for new school construction utilizing impact fee proceeds to make lease-payments thereon.

Attached is Resolution 00-20 which authorizes the issuance of up to \$108,000,000, including cost of issuance, for the construction of the following new schools:

East District - Hubert Sibley Elementary
Northwest District - State School C1
Northwest District - State School QQ1
Southwest District - Felix Varela High School

The subject COPs are to be sold in mid-September, 2000 as the funds are needed three to four weeks thereafter to commence payments for the schools. The named schools will open this fall; the unnamed schools will commence construction by early 2001.

Note that Miami-Dade County Public Schools would still be responsible for making the lease-payments due on these Certificates of Participation under its master lease obligation if the impact fees were to be annulled by state legislative action.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, approve Resolution 00-20 authorizing the issuance of up to \$108,000,000 in Certificates of Participation under the Master Lease Purchase Agreement, which will be repaid from impact fee collections.

(the "Series 2000A Insurer"); and

NOW THEREFORE, BE IT RESOLVED BY THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA that:

Section 1. Schedule 2000A, which together with the Master Lease constitutes the Series 2000A Lease Agreement, substantially in the form submitted to this meeting and attached hereto as **Exhibit A**, is hereby approved, with such insertions, modifications and changes as may be approved by the Superintendent, and the Chair or Vice Chair and the Secretary, upon such approval by the Superintendent, are hereby authorized and directed to execute Schedule 2000A. The execution of Schedule 2000A by the Chair or Vice Chair and the Secretary shall constitute conclusive evidence of the approval thereof. The School Board also authorizes the execution and delivery of a memorandum of lease with respect to the Series 2000A Lease Agreement and the recording thereof in the Official Public Records of Miami-Dade County, Florida.

Section 2. The Series 2000A Ground Lease between the School Board and the Foundation substantially in the form submitted to this meeting and attached hereto as **Exhibit B**, providing for the ground leasing of the Series 2000A Facility Sites to the Foundation, is hereby approved, with such insertions, modifications and changes as may be approved by the Superintendent, and the Chair or Vice Chair and the Secretary, upon such approval by the Superintendent, are hereby authorized and directed to execute the Series 2000A Ground Lease.

The execution and delivery of the Series 2000A Ground Lease by the Chair or Vice Chair and the Secretary shall constitute conclusive evidence of the approval thereof. The School Board also authorizes the execution and delivery of a memorandum of ground lease with respect to the Series 2000A Ground Lease and the recording thereof in the Official Public Records of Miami-Dade County, Florida.

Section 3. The form of Series 2000A Supplemental Trust Agreement submitted to this meeting and attached hereto as **Exhibit C** is hereby approved, with such insertions, modifications and changes as may be approved by the Superintendent. The execution and delivery of the Series 2000A Supplemental Trust Agreement by the Foundation and the Trustee shall constitute conclusive evidence of the approval thereof.

Section 4. The form of Series 2000A Assignment Agreement between the Foundation and the Trustee submitted to this meeting and attached hereto as **Exhibit D** is hereby approved, with such insertions, modifications and changes as may be approved by the Superintendent. The execution and delivery of the Series 2000A Assignment Agreement by the Foundation and the Trustee and the recording thereof in the Official Public Records of Miami-Dade County, Florida shall constitute conclusive evidence of the approval thereof.

Section 5. It is hereby found and declared that a negotiated sale of the Series 2000A Certificates is in the best interest of the School Board and is found to be necessary on the basis of the following reasons, as to which specific findings are hereby made:

(i) Due to the volatility of the market for “annual appropriation” tax exempt securities such as the Series 2000A Lease Agreement as evidenced by the Series 2000A Certificates, the School Board must be able to enter the market at the most advantageous times, rather than at specific advertised dates, thereby permitting the School Board to obtain the best possible prices and interest rates to be represented by the Series 2000A Certificates.

(ii) The financing of the Series 2000A Lease Agreement is a complex transaction which requires the assistance of an underwriter to obtain credit enhancement upon terms and conditions favorable to the School Board and to deal with prospective investors.

The form of the certificate purchase contract among the Underwriters referred to therein, the Foundation and the School Board (the “Purchase Contract”) submitted to this meeting and attached hereto as **Exhibit E** and the sale of the Series 2000A Certificates by the Foundation and the Trustee upon the terms and conditions set forth therein, are hereby approved, with such insertions, modifications and changes as may be approved by the Superintendent, and the Chair or Vice Chair and the Secretary, upon such approval by the Superintendent, are hereby authorized and directed to execute the Purchase Contract. The execution and delivery of such Purchase Contract by the Chair or Vice Chair and the Secretary shall constitute conclusive evidence of the approval thereof.

Execution of the Purchase Contract with respect to the Series 2000A Certificates is subject to the following additional requirements:

(i) the principal amount of the Series 2000A Certificates shall not exceed \$108,000,000,

(ii) the final maturity of the Series 2000A Certificates shall not exceed 20 years,

(iii) the Series 2000A Certificates shall be subject to optional prepayment after approximately 10 years at a prepayment price initially not to exceed 102%, declining to par after not later than approximately 2 years thereafter,

(iv) the price at which the Series 2000A Certificates shall be sold to the Underwriters shall not be less than 99% of the face amount thereof exclusive of original issue discount, and

(v) the yield represented by the Series 2000A Certificates as calculated for arbitrage purposes shall not exceed 6.25% per annum.

Section 6. The form of Preliminary Offering Statement with respect to the Series 2000A Certificates submitted to this meeting and attached hereto as **Exhibit F** is hereby approved, and the School Board hereby authorizes the distribution and use by the Underwriters of the Preliminary Offering Statement in connection with the public offering of the Series 2000A Certificates. If, between the date hereof and the mailing of the Preliminary Offering Statement it is necessary to make insertions, modifications and changes in the form of the Preliminary Offering Statement, the Chair, the Vice Chair or the Superintendent is hereby authorized to approve such insertions, changes and modifications. The Chair, the Vice Chair, the Superintendent, the Chief Financial Officer or the Treasurer is further authorized to deem the Preliminary Offering Statement “final” within the meaning of Rule 15c2-12 (the “Rule”) under the Securities Exchange Act of 1934, in the form as mailed, and in furtherance thereof to execute a certificate evidencing same substantially in the form attached hereto as **Exhibit G**.

Section 7. The Superintendent is hereby authorized to have prepared and the Chair or Vice Chair and the Secretary is hereby authorized to execute a final Offering Statement to be dated the date of the execution and delivery of the Purchase Contract for the Series 2000A Certificates and, upon such execution, to deliver the same to the Underwriters for use by them in connection with the sale and distribution of the Series 2000A Certificates. The Offering Statement shall be substantially in the form of the Preliminary Offering Statement, with such changes as shall be approved by the Superintendent as necessary to conform the details of the Series 2000A Certificates and the requirements of the Purchase Contract and such other insertions, modifications and changes as may be approved by the Superintendent. The execution and delivery of the Offering Statement by the Chair or Vice Chair and the Secretary shall constitute conclusive evidence of the approval thereof. The School Board hereby authorizes the Offering Statement and the information contained therein to be used in connection with the offering and sale of the Series 2000A Certificates.

Section 8. The School Board hereby covenants and agrees that, in order to provide for compliance by the School Board with the secondary market disclosure requirements of the

Rule, it will comply with and carry out all of the provisions of a Continuing Disclosure Certificate to be executed by the School Board and dated the date of delivery of the Series 2000A Certificates, as may be amended from time to time in accordance with the terms thereof. The Continuing Disclosure Certificate shall be substantially in the form attached hereto as **Exhibit H** with such changes, amendments, modifications, omissions and additions as shall be approved by the Chair or Vice Chair or Superintendent who is hereby authorized to execute and deliver such Certificate. Notwithstanding any other provision of this Resolution or the Series 2000A Supplemental Trust Agreement, failure of the School Board to comply with such Continuing Disclosure Certificate shall not be considered an event of default under the Series 2000A Supplemental Trust Agreement; provided, however, any Series 2000A Certificateholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the School Board to comply with its obligations under this Section 8 and such Continuing Disclosure Certificate.

Section 9. The Chair or Vice Chair and the Secretary are hereby authorized to take such actions (including, without limitation, approval of changes to the documents herein approved) and to execute such commitments, agreements, certificates, instruments and opinions as shall be necessary or desirable to procure the issuance of the Series 2000A Insurance Policy by the Series 2000A Insurer.

Section 10. The Chair, Vice Chair, Secretary, Superintendent, Chief Financial Officer, Treasurer and School Board Attorney are each authorized and directed to execute and deliver all additional documents, contracts, instruments and certificates including documents relating to the issuance by the Series 2000A Insurer of the Series 2000A Insurance Policy, and relating to the implementation of a book-entry-only system of registration of the Series 2000A Certificates with The Depository Trust Company of New York, including the execution and delivery of a Blanket Letter of Representations, if appropriate, and to take all actions and steps, including without limitation to change the dated date of any and all documents in the event of a delay in the issuance of the Series 2000A Certificates, on behalf of the School Board which are necessary or desirable in connection with the issuance of the Series 2000A Certificates, the execution and delivery and compliance with the provisions of the Master Lease, the Series 2000A Lease Agreement, the Series 2000A Ground Lease, the Master Trust Agreement, the Series 2000A Supplemental Trust Agreement, the Series 2000A Assignment Agreement, the Purchase Contract and the Continuing Disclosure Certificate, or the acquisition, construction and financing of the Series 2000A Facilities, and which are not inconsistent with the terms and provisions of this Resolution.

Section 11. If any section, paragraph, clause or provision of this Resolution shall be held invalid by any court of competent jurisdiction, such holding shall not affect any other section, paragraph, clause or provision of this Resolution.

Section 12. All resolutions or portions thereof previously adopted by the School Board which are inconsistent with the provisions of this resolution are hereby repealed to the extent of such inconsistency.

Section 13. This Resolution shall take effect immediately upon its adoption.

Adopted this 13th day of September, 2000.

This Series 2000A Ground Lease may likewise be modified at the request of the School Board at any time, upon similar notice and modification of the Series 2000A Lease (a) to reflect the substitution of all or a portion of the Series 2000A Facilities and Series 2000A Facility Sites in accordance with Section 6.4 of the Master Lease, or (b) upon payment or provision for payment of the Purchase Option Price of all or a portion of one or more particular Series 2000A Facilities pursuant to Section 7.3 of the Master Lease, to reflect the release of one or more portions of the Series 2000A Facility Sites from this Series 2000A Ground Lease.

3. Rent. (a) So long as the Lease Term has not been terminated as a result of non-appropriation or default pursuant to Section 4.1(b) or 4.1(c) of the Master Lease, the Foundation shall pay to the School Board as and for rental for the Series 2000A Facility Sites the sum of one dollar (\$1.00) per annum, which sum shall be due in advance on the Commencement Date (pro rated) and annually thereafter on the first day of each renewal Lease Term. At the option of the Foundation, the Foundation may prepay all or a portion of the Ground Rent payable hereunder for the entire initial lease term hereof from the proceeds of sale of the Certificates or otherwise.

(a) From and after the date on which the Lease Term shall have been terminated as a result of non-appropriation or default pursuant to Section 4.1(b) or 4.1(c) of the Master Lease, the Foundation shall pay as and for rental for the Series 2000A Facility Sites an amount determined by an M.A.I. appraisal to be the fair market rental for the Series 2000A Facility Sites (the "Appraisal"), which Appraisal shall be prepared by an appraiser selected by the Trustee as assignee of the Foundation (the cost of such Appraisal to be paid by the Trustee and reimbursed as provided in Article VI of the Trust Agreement); provided, however, that such fair market rental and the payment thereof shall be subject to the following adjustments and conditions:

(i) if the Lease Term shall have been terminated on a date other than June 30 of any year, the fair market rental determined pursuant to the Appraisal shall be pro rated for the number of days between the date of termination and the next succeeding June 30;

(ii) for each twelve month period beginning on the July 1 next succeeding the date on which such termination occurs and beginning on each succeeding July 1, the amount of the fair market rental determined by the Appraisal shall be adjusted by the percentage (positive or negative) which is equal to the Implicit Price Deflator of the Consumer Price Index published by the United States Department of Commerce for the region of the United States where Florida is located or for the United States as a whole if not so published for such region;

(iii) the fair market rental due in any year shall be paid in the current year only to the extent that the moneys received by the Trustee as assignee of the Foundation from the exercise of the remedies permitted under the Series 2000A Lease during the preceding twelve months prior to such July 1 exceeded the principal and interest portion of Basic Lease Payments under the Series 2000A Lease payable for such preceding twelve months and other amounts described in Section 504 of the Trust Agreement; provided, however, that any portion of such fair market rental not paid in any year due to the provisions of this clause (iii) shall remain due and payable and shall accumulate from year to year and shall be paid in any future year to the extent that moneys received in such year from the exercise of the remedies permitted by the Series 2000A Lease exceed the principal and interest portion of Basic Lease Payments under the Series 2000A Lease and other amounts described in Section 504 of the Trust Agreement and the fair market rental due in such years; and

(iv) the failure to pay any portion of the fair market rental in any year due to insufficiencies of moneys realized from the exercise of the remedies permitted under the Series 2000A Lease (1) shall not give rise to any obligation to pay interest on such unpaid fair market rental and (2) shall not constitute a default under this Series 2000A Ground Lease by the Foundation or the Trustee as the assignee of the Foundation.

4. Title to Series 2000A Facility Sites; Possession. (a) Upon the Commencement Date and throughout the term of this Series 2000A Ground Lease, fee title to the Series 2000A Facility Sites shall be in the name of the School Board, subject to Permitted Encumbrances; title to the Series 2000A Facilities constructed on the Series 2000A Facility Sites shall be in the name of the Foundation and shall remain severed from title to the Series 2000A Facility Sites until the earlier of (i) payment in full, or provision for payment, of all Lease Payments under the Series 2000A Lease or payment of the then applicable Purchase Option Price of the Series 2000A Facilities, in accordance with Sections 7.2 or 7.3 of the Master Lease and Section 2 hereof, or (ii) the end of the term of this Series 2000A Ground Lease.

(a) The Foundation shall at all times during the term of this Series 2000A Ground Lease have a leasehold estate in the Series 2000A Facility Sites with full right to vest the use, enjoyment and possession of such leasehold estate therein in a Permitted Transferee (as defined herein).

(b) Possession and use of the Series 2000A Facility Sites, together with all improvements thereon, shall, upon the last day of the term of this Series 2000A Ground Lease or earlier termination of this Series 2000A Ground Lease pursuant to Section 2 hereof, automatically revert to the School Board free and clear of liens and encumbrances other than Permitted Encumbrances without necessity of any act by the Foundation or any Permitted Transferee. Upon such termination of this Series 2000A Ground Lease, the Foundation shall peaceably and quietly surrender to the School Board the Series 2000A Facility Sites together with any improvements located in or upon the Series 2000A Facility Sites. Upon such surrender of the Series 2000A Facility Sites, the Foundation or any Permitted Transferee, at the reasonable request of the School Board, shall execute an instrument in recordable form evidencing such surrender and shall deliver to the School Board all books, records, construction plans, surveys, permits and other documents relating to, and necessary or convenient for, the operation of the Series 2000A Facility Sites in the possession of the Foundation or any Permitted Transferee.

(c) Any personal property of the Foundation, any Permitted Transferee or any Person which shall remain on the Series 2000A Facility Sites after expiration or earlier termination of the term of this Series 2000A Ground Lease and for thirty (30) days after request by the School Board for removal, shall, at the option of the School Board, be deemed to have been abandoned and may be retained by the School Board and the same may be disposed of, without accountability, in such manner as the School Board may see fit.

(d) If the Foundation or any Permitted Transferee holds over or refuses to surrender possession of the Series 2000A Facility Sites after expiration or earlier termination of this Series 2000A Ground Lease, the Foundation or any Permitted Transferee shall be a tenant at sufferance and shall pay rent equal to the fair market rental of the Series 2000A Facility Sites determined in the manner provided in Section 3(b) hereof.

5. Use of Series 2000A Facility Sites; Assignments and Subleases. The Foundation may use the Series 2000A Facility Sites for any lawful purpose; however, the parties agree that unless the Series 2000A Lease shall have been terminated as a result of non-appropriation or default pursuant to Section 4.1(b) or 4.1(c) of the Master Lease, the Series 2000A Facility Sites shall be used solely for educational purposes. Unless the Series 2000A Lease shall have been so terminated, no assignment of this Series 2000A Ground Lease or subletting of the Series 2000A Facility Sites may be made except as provided in the Assignment Agreement, the Lease, the Trust Agreement and in any agreement with a Credit Facility Issuer (as defined in the Trust Agreement), if any, without the prior written consent of the School Board. In the event that the Lease shall be terminated pursuant to Section 4.1(b) or 4.1(c) of the Master Lease, then

the Foundation's interest in this Series 2000A Ground Lease may be assigned by the Trustee to any third party, including a Credit Facility Issuer (a "Permitted Transferee"), who may alter, modify, add to or delete from the Series 2000A Facilities existing from time to time on the Series 2000A Facility Sites.

The School Board represents and covenants that the Series 2000A Facility Sites are presently zoned to allow government use, and that the School Board shall take no action with respect to zoning or other land use regulation applicable to the Series 2000A Facility Sites except as directed by the Foundation. The School Board shall do everything in its power to assist the Foundation in obtaining such building permits, subdivision approvals, or zoning changes or variances as the Foundation may deem necessary or desirable or such other permits, licenses, approvals or other actions which the Foundation deems necessary or desirable in order to enable the Foundation to use the Series 2000A Facility Sites for such purposes as the Foundation shall determine, provided, however, that neither the Foundation nor any Permitted Transferee shall use or permit the Series 2000A Facility Sites to be used in violation of any valid present or future laws, ordinances, rules or regulations of any public or governmental authority at any time applicable thereto.

It is understood that all right, title and interest of the Foundation in and to this Series 2000A Ground Lease is to be irrevocably assigned by the Foundation to the Trustee pursuant to the Assignment Agreement, except that the Foundation shall continue to hold title to the Series 2000A Facilities as described in Section 4 hereof and in the Series 2000A Lease. The School Board agrees that upon such assignment the Trustee shall have all of the rights of the Foundation hereunder assigned to the Trustee, notwithstanding any claim, defense, setoff or counterclaim whatsoever (whether arising from a breach of this Series 2000A Ground Lease or otherwise) that the School Board may from time to time have against the Foundation or any person or entity associated or affiliated therewith. The School Board acknowledges that the Trustee is acting on behalf of the Series 2000A Certificate holders, and may, under certain circumstances assign this Series 2000A Ground Lease to a Permitted Transferee.

Notwithstanding anything to the contrary herein or in any exhibit, instrument, document or paper relating to this Series 2000A Ground Lease or any of the transactions contemplated hereby, the parties hereto acknowledge and agree that upon the assignment by the Foundation of its rights hereunder to the Trustee pursuant to the Series 2000A Assignment Agreement, the Foundation shall have no further obligation, liability or responsibility hereunder and no party hereto nor its successors or assigns shall look to the Foundation for any damages, expenses, fees, charges or claims with respect to the failure of any obligations hereunder to be performed.

6. Right of Entry. Unless the Series 2000A Lease shall have been terminated as a result of non-appropriation or default pursuant to Section 4.1(b) or 4.1(c) of the Master Lease, the School Board shall have the right for any of its duly authorized representatives to enter upon the Series 2000A Facility Sites at any reasonable time to inspect the same or to make any repairs, improvements or changes necessary for the preservation thereof.

7. **Default.** In the event the Foundation shall be in default in the performance of any obligation on its part to be performed under the terms of this Series 2000A Ground Lease, which default continues for sixty (60) days following notice and demand for correction thereof to the Foundation, the School Board may exercise any and all remedies granted by law; provided, however, that so long as any Certificates are outstanding and except as provided in Section 2 herein, this Series 2000A Ground Lease shall not be terminated. The School Board shall have recourse solely against the leasehold estate of the Foundation in the Series 2000A Facility Sites, and any proceeds thereof, for the payment of any liabilities of the Foundation hereunder.

8. **Quiet Enjoyment.** The Foundation at all times during the term of this Series 2000A Ground Lease shall peacefully and quietly have, hold and enjoy the Series 2000A Facility Sites, without hindrance or molestation subject to the provisions hereof and of the Series 2000A Lease, the Assignment Agreement and the Trust Agreement.

9. **Liens.** Unless the Series 2000A Lease shall have been terminated as a result of non-appropriation or default pursuant to Section 4.1(b) or 4.1(c) of the Master Lease, neither the School Board nor the Foundation shall, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to such Series 2000A Facility Sites, other than Permitted Encumbrances. The School Board shall reimburse the Trustee for any expense incurred by the Trustee in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim. Upon termination of the Series 2000A Lease as provided above, the Foundation, the Trustee and any Permitted Transferee may enter into a mortgage or other encumbrance of its leasehold estate in the Series 2000A Facility Sites, provided, however, that the School Board's title to the Series 2000A Facility Sites shall not be subject to or encumbered by any such mortgage or other encumbrance, including without limitation any mechanic's or materialman's liens.

10. **Amendments.** Other than amendments in connection with the acquisition of the Series 2000A Facility Sites, no amendment may be made to this Series 2000A Ground Lease without the prior written consent of the Trustee and the Series 2000A Credit Facility Issuer. Copies of all amendments hereto shall be provided to the Rating Agencies (as defined in the Trust Agreement), whether effected pursuant to Section 702 or Section 703 of the Trust Agreement.

11. **Binding Effect.** This Series 2000A Ground Lease shall inure to the benefit of and shall be binding upon the Foundation and the School Board and their respective successors and assigns, provided, however, that the Trustee is entitled to the benefits of the provisions hereof.

12. **No Merger of Leasehold Estate.** There shall be no merger of this Series 2000A Ground Lease or of the leasehold estate hereby created with the fee estate in the Series 2000A Facility Sites by reason of the fact that, through the exercise of remedies hereunder or otherwise, the same person may acquire or hold, directly or indirectly, this Series 2000A Ground Lease or leasehold estate hereby created or any interest herein or therein, and the fee estate in the Series

2000A Facility Sites or any interest in such fee estate. There shall be no merger of this Series 2000A Ground Lease with the Series 2000A Lease by reason of the fact that the School Board is the owner of the fee title to the Series 2000A Facility Sites and the leasehold estate in the Series 2000A Facilities created under the Series 2000A Lease or by reason of the fact that the Foundation is the owner of the leasehold estate in the Series 2000A Facility Sites created hereby and is the owner of the fee title in the Series 2000A Facilities as provided in the Lease.

WITNESSETH THAT, in the joint and mutual exercise of their powers, and in consideration of \$10.00 and other good and valuable consideration and the mutual covenants herein contained, the parties hereto recite and agree as follows:

Section 1. - Recitals.

1.01 The School Board of Miami-Dade County, Florida (the "School Board"), and the Foundation have entered into a Master Lease Purchase Agreement dated as of August 1, 1994 (as the same may be amended or supplemented from time to time, the "Master Lease"), and have executed Schedule 2000A thereto, dated as of September 15, 2000, which Master Lease together with Schedule 2000A constitutes a separate lease (the "Series 2000A Lease"), with respect to certain educational facilities and sites, and have entered into a Series 2000A Ground Lease dated as of September 15, 2000 (as the same may be amended or supplemented from time to time, the "Series 2000A Ground Lease"), with respect to the Series 2000A Facilities (hereinafter defined).

1.02 Pursuant to the Series 2000A Lease, the School Board and the Foundation have agreed that there shall be acquired, constructed, installed and equipped for lease-purchase to the School Board certain educational facilities and sites as described in Schedule 2000A to the Master Lease (the "Series 2000A Facilities"), such facilities being located on certain lands described in Schedule 2000A (which, together with improvements thereon are hereinafter collectively referred to as the "Series 2000A Facility Sites"). The School Board has agreed to lease-purchase the Series 2000A Facilities from the Foundation.

1.03 The Foundation and the Trustee have entered into a Master Trust Agreement dated as of August 1, 1994, as supplemented by a Series 2000A Supplemental Trust Agreement dated as of September 15, 2000 (as the same may be further amended or supplemented from time to time, the "Trust Agreement"), which acknowledges and contemplates the execution of this Agreement in conjunction therewith. This Agreement is made for the purpose of enabling the Trustee to act as lessor under the Series 2000A Lease.

1.04 The Foundation desires to sell, assign and convey all its right, title and interest as lessee of the Series 2000A Facility Sites under the Series 2000A Ground Lease, and as sublessor of the Series 2000A Facility Sites and lessor of the Series 2000A Facilities under the Series 2000A Lease (except for its right to indemnification under Section 5.7 of the Master Lease,

its right to hold title to certain of the Series 2000A Facilities under Section 6.1 of the Master Lease and Section 4 of the Series 2000A Ground Lease and its right to receive notices under the Master Lease), to the Trustee for the benefit of the holders of the Series 2000A Certificates to be issued under the Trust Agreement.

1.05 The Trustee is willing to accept this assignment on the terms and conditions hereinafter provided.

1.06 Each of the parties has authority to enter into this Agreement and has taken all actions necessary to authorize its execution by the officers signing it.

All terms capitalized but not defined herein shall have the meanings given to them in the Trust Agreement and the Series 2000A Lease.

Section 2. - Assignment.

2.01 The Foundation hereby absolutely and unconditionally sells, assigns and conveys to the Trustee, without recourse, for the benefit of all of the Series 2000A Certificate holders, all of its right, title and interest under the Series 2000A Ground Lease and the Series 2000A Lease (except for its right to indemnification under Section 5.7 of the Master Lease, its right to hold title to certain of the Series 2000A Facilities under Section 6.1 of the Master Lease and Section 4 of the Series 2000A Ground Lease and its rights to receive notices under the Master Lease), including, without limitation, all Series 2000A Lease Payments and other amounts required to be paid by the School Board under the Series 2000A Lease. Accordingly, upon execution of this Agreement, the Foundation shall deliver to the Trustee executed counterparts of the Series 2000A Ground Lease and the Series 2000A Lease. Delivery to the Trustee of such documents shall make the sale, assignment and conveyance of the Series 2000A Ground Lease and the Series 2000A Lease herein made, complete and effective for all purposes. Title to the Series 2000A Facility Sites shall remain vested in the School Board throughout their respective Lease Terms; title to the Series 2000A Facilities shall remain vested in the Foundation throughout their Lease Term; provided, however, that upon termination of the Lease Terms as a result of nonappropriation or default pursuant to Section 4.1(b) or 4.1(c) of the Master Lease, the Foundation shall, upon request of the Trustee, transfer title to such Series 2000A Facilities to the Trustee, or to any Permitted Transferee designated by the Trustee.

2.02 With respect to the sale, assignment and conveyance of the rights and interests contemplated hereunder to the Trustee, the Foundation represents, warrants and covenants to and with the Trustee and the Series 2000A Certificate holders that, upon the date of execution of this Agreement and the effective date of the sale, assignment and conveyance of the Foundation's rights under the Series 2000A Ground Lease and the Series 2000A Lease, the facts stated below are and will be true and correct:

A. The Foundation is a not-for-profit corporation duly organized, validly existing and in good standing under the laws of the State of Florida, with corporate powers and authority to own its property and carry on its business as now being

conducted, and is qualified wherever necessary to perform its obligations under the Series 2000A Ground Lease, the Series 2000A Lease, the Trust Agreement and this Agreement.

B. The Foundation has full power, authority and legal right to enter into and perform its obligations under the Series 2000A Ground Lease, the Series 2000A Lease, the Trust Agreement and this Agreement; the execution, delivery and performance of the Series 2000A Ground Lease, the Series 2000A Lease, the Trust Agreement and this Agreement by the Foundation have been duly authorized by all necessary corporate actions on the part of the Foundation, and all required approvals and consents have heretofore been duly obtained; and the Series 2000A Ground Lease, the Series 2000A Lease, this Agreement and the Trust Agreement are in full force and effect.

C. The execution, delivery and performance of the Series 2000A Ground Lease, the Series 2000A Lease, the Trust Agreement and this Agreement do not contravene any provision of the Articles of Incorporation or Bylaws of the Foundation, and do not and will not conflict with, violate or result in any breach of or constitute a default under any agreement or instrument to which the Foundation is a party or by which it or any of its property is bound or any constitutional or statutory provision, or order, rule, regulation, decree or ordinance of any Federal or State court, government or governmental body having jurisdiction over the Foundation or any of its properties and by which the Foundation or any of its property is bound.

D. The Series 2000A Ground Lease, the Series 2000A Lease, this Agreement and the Trust Agreement are in full force and effect and the Foundation is not in default thereunder; the Series 2000A Ground Lease, the Series 2000A Lease, this Agreement and the Trust Agreement are legal, valid and binding obligations of the Foundation, enforceable against the Foundation in accordance with their respective terms, all such enforcement being subject to certain laws relating to bankruptcy, reorganization, moratorium and creditors' rights generally, and to principles of equity in the event that equitable remedies are sought.

E. The Series 2000A Ground Lease and the Series 2000A Lease delivered to the Trustee are duly executed duplicate originals and, together with all Exhibits thereto, comprise the entire writing, obligation and agreement between the Foundation and School Board respecting the Series 2000A Facility Sites and the Series 2000A Facilities.

F. The Foundation has complied and will at all times hereafter comply with and duly perform its obligations under the Series 2000A Ground Lease, the Series 2000A Lease, the Trust Agreement and this Agreement.

G. Except as disclosed in the Offering Statement dated September __, 2000, there is no pending or, to the knowledge of the Foundation, threatened action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court or governmental agency in any way affecting the ability of the Foundation to perform its

obligations under the Series 2000A Ground Lease, the Series 2000A Lease, the Trust Agreement or this Agreement.

H. The Series 2000A Ground Lease and the Series 2000A Lease being herein assigned are free and clear of all claims, liens, security interests and encumbrances arising through any act or omission of the Foundation or any person claiming by, through or under it, except the rights of the School Board under the Series 2000A Lease and the Series 2000A Ground Lease, including the fact that fee title to the Series 2000A Facility Sites is vested in the School Board.

2.03 Except as otherwise set forth in Section 2.01, from and after the date of delivery to the Trustee of this Agreement, the Foundation shall have no further rights or interest under the Series 2000A Ground Lease or the Series 2000A Lease or in any Series 2000A Lease Payments or other moneys due with respect thereto or to become due under the Series 2000A Lease.

2.04 The Foundation agrees to execute and deliver to the Trustee upon request by the Trustee, any documents deemed necessary by the Trustee to further evidence or perfect the assignment and conveyance herein made with respect to the Series 2000A Ground Lease and the Series 2000A Lease.

2.05 The Foundation hereby irrevocably constitutes and appoints the Trustee, its successors and assigns, as its lawful attorney, with full power of substitution and resubstitution, to collect and to sue on behalf of the Foundation in the name of the Foundation or otherwise in any court for any Series 2000A Lease Payments or other amounts due under the Series 2000A Lease, or any part thereof, to withdraw or settle any claims, suits or proceedings pertaining to or arising out of the Series 2000A Lease upon any terms, all without the assent of the Foundation; and, further, to take possession of and to endorse in the name of the Foundation any instrument for the payment of moneys received on account of the Series 2000A Lease Payments or other amounts due under the Series 2000A Lease.

2.06 The Foundation agrees that it will authorize and direct the School Board to pay to the Trustee, its successors and assigns, all Series 2000A Lease Payments and all other amounts coming due under the Series 2000A Lease.

2.07 Upon request of the Trustee, the Foundation agrees to cooperate in the Trustee's efforts to collect and cause to be remitted to the Trustee any Series 2000A Lease Payment or other amount.

2.08 In the event the Foundation receives notice from the School Board that it will exercise its option under Section 7.2 of the Master Lease to prepay the Series 2000A Lease Payments to become due thereunder or that the Series 2000A Lease will not be renewed as a result of any event of non-appropriation under the Lease, the Foundation shall notify the Trustee of this fact in writing no later than five Business Days after such receipt provided, however, that failure to provide such notice shall not create any liability on the part of the Foundation.

Section 3. Administrative Provisions.

3.01 This Agreement shall be construed and governed in accordance with the laws of the State of Florida.

3.02 Any provision of this Agreement found to be prohibited by applicable laws shall be ineffective only to the extent of such prohibition, and shall not invalidate the remainder of this Agreement.

3.03 This Agreement may not be amended without the prior written consent of the Series 2000A Credit Facility Issuer.

3.04 This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

3.05 This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same Agreement.

Section 4. Non-Recourse.

4.01 The Assignment contained in this Agreement is agreed to be non-recourse with respect to the Foundation and the Foundation shall have no liability to the Trustee, or any Certificate holders hereunder with respect to the occurrence of any event of default by the School Board under the Series 2000A Lease whether such default consists of failure to pay moneys, breach of covenant or otherwise; provided, however, that nothing contained in this Section 4 shall excuse the Foundation from performance of its obligations under Section 2.04 through 2.08 hereof.

All covenants, stipulations, promises, agreements and obligations of the parties hereto contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the parties hereto, respectively, and not of any member, officer, employee or agent of the parties hereto in an individual capacity, and no recourse shall be had for the assignment effected by Section 2 hereof or for any claim based thereon under this Agreement against any member, officer, employee or agent of the parties hereto.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment Agreement on the date set forth below their respective signatures and as of the day and year first written above.

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized securities law counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2000A Certificates, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Series 2000A Certificates in the same manner as provided in the Trust Agreement for amendments to the Trust Agreement with the consent of Holders, or (ii) does not, in the opinion of nationally recognized securities law counsel, materially impair the interests of the Holders or Beneficial Owners of the Series 2000A Certificates.

Ladies and Gentlemen:

The undersigned, PaineWebber Incorporated (the "Senior Manager"), acting on behalf of itself and Jackson Securities Incorporated, Samuel A. Ramirez & Co., Inc., M. R. Beal and Company, William R. Hough & Co., Morgan Stanley Dean Witter and Prudential Securities (collectively with the Senior Manager, the "Underwriters"), hereby offers to enter into this Contract of Purchase (the "Contract of Purchase") with The School District of Miami-Dade County, Florida (the "District"), which, upon acceptance of this offer by The School Board of Miami-Dade County, Florida (the "Board") and approval by Miami-Dade County School Board Foundation, Inc., a Florida not-for-profit corporation (the "Foundation"), will be binding upon the District and the Underwriters.

This offer is made subject to acceptance by the Board and approval by the Foundation by execution of this Contract of Purchase prior to 5:00 p.m., New York City time, on the date hereof, and, if not so accepted, will be subject to withdrawal by the Senior Manager upon written notice to the Board at any time prior to acceptance hereof by the Board.

The Senior Manager represents that it is authorized on behalf of itself and the other Underwriters to enter into this Contract of Purchase and that it is authorized to execute this Contract of Purchase and to take any other actions which may be required hereby on behalf of the other Underwriters. The Senior Manager has received from each Underwriter an executed agreement among underwriters wherein each such Underwriter has represented, among other

things, that it is (i) duly registered under the Securities Exchange Act of 1934 and (ii) either a bank or a member in good standing of the National Association of Securities Dealers, Inc. The Senior Manager has not independently verified the accuracy of any such representations.

All capitalized terms not otherwise defined herein shall have the same meanings as set forth in the Offering Statement (as defined herein).

1. Purchase and Sale of Certificates

(a) Subject to the terms and conditions and upon the basis of the representations, warranties and covenants hereinafter set forth, the Underwriters, jointly and severally, hereby agree to purchase from the District, and the District hereby agrees to cause The Bank of New York Trust Company of Florida, N.A., Jacksonville, Florida, as agent for The Bank of New York (successor by acquisition to NationsBank of Florida, N.A.), as trustee (the "Trustee") to issue and deliver to the Underwriters on the Closing Date (as defined herein), all (but not less than all) of the \$_____ aggregate principal amount of Certificates of Participation, Series 2000A Evidencing Undivided Proportionate Interests of the Owners thereof in Basic Lease Payments to be made by The School Board of Miami-Dade County, Florida as Lessee, Pursuant to a Master Lease Purchase Agreement with Miami-Dade County School Board Foundation, Inc., as Lessor (the "Series 2000A Certificates"), at the aggregate purchase price of \$_____ (which reflects the original aggregate principal amount of the Series 2000A Certificates, being \$_____, plus net original issue premium of \$_____ and less an underwriters' discount of \$_____, plus accrued interest from September 15, 2000 to the Closing Date in the amount of \$_____). The Series 2000A Certificates shall bear interest at the rates, be sold to the public at the prices, mature on the dates, and be subject to redemption, all as set forth in Schedule I attached hereto. The Offering Statement of the Board relating to the Series 2000A Certificates, dated _____, 2000, including the cover page and Appendices thereto, is hereinafter referred to as the "Offering Statement." The Underwriters agree to make a bona fide public offering of the Series 2000A Certificates, solely pursuant to the Offering Statement, at the initial offering prices set forth in the Offering Statement, reserving, however, the right to change such initial offering prices as the Senior Manager shall deem necessary in connection with the marketing of the Series 2000A Certificates and to offer and sell the Series 2000A Certificates to certain dealers (including dealers depositing the Series 2000A Certificates into investment trusts) at concessions to be determined by the Senior Manager. The Underwriters also reserve the right to over allot or effect transactions that stabilize or maintain the market prices of the Series 2000A Certificates at levels above that which might otherwise prevail in the open market and to discontinue such stabilizing, if commenced, at any time.

(b) The Series 2000A Certificates shall be executed and delivered pursuant to the authority of the Constitution and Laws of the State of Florida, Sections 230.23(9) and 235.056(2), Florida Statutes, as amended (collectively, the "Enabling Legislation") and pursuant to a resolution adopted by the Board on August 23, 2000 (the "Resolution") and a resolution adopted by the Foundation on August 23, 2000 (the "Foundation Resolution"); and evidenced and secured, as applicable, by the following documents (collectively, the "Financing Documents"):

(i) a Master Trust Agreement, dated as of August 1, 1994 (the "Master Trust Agreement"), by and between the Foundation and the Trustee;

(ii) a Series 2000A Supplemental Trust Agreement, dated as of September 15, 2000 (the "Series 2000A Supplemental Trust Agreement" and, together with the Master Trust Agreement, the "Trust Agreement"), by and between the Foundation and the Trustee;

(iii) a Master Lease Purchase Agreement, dated as of August 1, 1994 (the "Master Lease"), by and between the Board and the Foundation, as supplemented by Schedule 2000A dated as of September 15, 2000 (together with the Master Lease, the "Series 2000A Lease");

(iv) the Series 2000A Ground Lease by and between the Board and the Foundation dated as of September 15, 2000 (the "Ground Lease"); and

(v) the Series 2000A Assignment Agreement by and between the Foundation and the Trustee dated as of September 15, 2000 (the "Assignment Agreement").

Pursuant to the Assignment Agreement, the Foundation has irrevocably assigned to the Trustee for the benefit of the registered owners of the Series 2000A Certificates substantially all of the Foundation's right, title and interest in and to the Ground Lease and the Series 2000A Lease, respectively, including its right to receive Basic Lease Payments and all other amounts due under the Series 2000A Lease.

The Underwriters have delivered to the Board: (i) a letter containing the further information required by Section 218.385(6) of the Florida Statutes, which letter is in the form attached hereto as Schedule II, and (ii) Public Entity Crimes Affidavits, which Public Entity Crimes Affidavits are in the form attached hereto as Schedule III.

(c) The Series 2000A Certificates are being executed and delivered for the purpose of providing funds sufficient to (i) finance the cost of acquisition and construction of the Series 2000A Facilities, as more specifically described in the Offering Statement and (ii) paying the costs associated with the issuance of the Series 2000A Certificates, including the premium for the municipal bond insurance policy (the "Policy"), all as more specifically described in the Offering Statement.

The Series 2000A Certificates will evidence undivided proportionate interests in the Basic Lease Payments to be made by the Board under the Series 2000A Lease, as described in the Offering Statement. The Series 2000A Certificates will be secured by and payable from the Trust Estate established under the Trust Agreement.

(d) Prior to the date hereof, the Board and the Foundation have provided to the Underwriters for their review a Preliminary Offering Statement, dated _____, 2000 (the "Preliminary Offering Statement") relating to the Series 2000A Certificates. The Preliminary Offering Statement has been prepared for use in connection with the public offer,

sale and distribution of the Series 2000A Certificates by the Underwriters. As of its date, the Preliminary Offering Statement was “deemed final” (except for permitted omissions) by the Board for purposes of Rule 15c2-12 under the Securities Exchange Act of 1934, as amended (“Rule 15c2-12”), and the Underwriters were and are authorized to use the Preliminary Offering Statement in their marketing efforts.

(e) On or before the Closing Date, the Board shall deliver, or cause to be delivered, to the Underwriters executed copies of the final Offering Statement, substantially in the form of the Preliminary Offering Statement, executed on behalf of the Board by the Chair or Vice Chair. The Board shall deliver, or cause to be delivered, to the Underwriters the Offering Statement in sufficient quantity for the Underwriters to comply with the rules of the Municipal Securities Rulemaking Board and Rule 15c2-12, to be available to the Underwriters within seven (7) business days after the execution of this Contract of Purchase and in sufficient time to accompany any confirmation that requests payment from any customer of the Underwriters. Delivery of such copies of the printed Offering Statement within such seven (7) business day period shall constitute the Board’s representation that such printed Offering Statement is complete as of the date of its delivery.

(f) The Board authorizes the Underwriters to use and distribute copies of the Offering Statement, the information contained therein, the Continuing Disclosure Certificate, as described in and attached to the Offering Statement (the “Continuing Disclosure Certificate”) and copies of the Resolution and Financing Documents in connection with the public offering and sale of the Series 2000A Certificates. The Board agrees not to supplement or amend or cause to be supplemented or amended the Resolution at any time prior to the Closing (as defined herein), without the consent of the Senior Manager.

(g) The Board agrees to deliver or cause to be delivered to the Underwriters such reasonable quantities of each of the printed Preliminary Offering Statement and printed Offering Statement and such reasonable quantities of the Resolution, the Foundation Resolution and the Financing Documents as the Underwriters may request for use in connection with the offering and sale of the Series 2000A Certificates. The Board and the Foundation hereby authorize the Underwriters to use the forms or copies of the Offering Statement and the information contained therein and the Resolution, the Foundation Resolution and the Financing Documents in connection with the public offering and sale of the Series 2000A Certificates, and the Board ratifies and confirms its authorization of the distribution and use by the Underwriters prior to the date hereof of the Preliminary Offering Statement in connection with such public offering and sale.

(h) Upon receipt by the Senior Manager of the Series 2000A Certificates, an executed copy of each of the Financing Documents, an executed copy of the Offering Statement, an executed copy of the Continuing Disclosure Certificate and an executed copy of the Contract of Purchase, and subject to the other conditions set forth herein, the Underwriters agree to purchase the Series 2000A Certificates at the Closing.

(i) At or prior to the Closing, the Senior Manager will file, or cause to be filed, the Offering Statement with one or more nationally recognized municipal securities information repositories.

2. Good Faith Check

The Board hereby acknowledges receipt from the Senior Manager of a corporate check in the aggregate amount of \$ _____ (the "Good Faith Check"), which is being delivered to the Board as security for the performance by the Underwriters of their obligation to accept and pay for the Series 2000A Certificates. The Board agrees not to cash the Good Faith Check unless the Underwriters default on their obligations under this Contract of Purchase, for reasons other than as permitted by this Contract of Purchase. Upon compliance by the Underwriters with their obligations under this Contract of Purchase, the Good Faith Check shall be returned to the Underwriters at the Closing. If the Board does not accept this offer, the Good Faith Check shall be immediately returned to the Senior Manager. In the event of the Board's failure to deliver the Series 2000A Certificates at the Closing, or if the Board or the Foundation shall be unable at or prior to the Closing to satisfy the conditions to the obligations of the Underwriters contained herein, or if the obligations of the Underwriters shall be terminated for any reason permitted by this Contract of Purchase, the Good Faith Check shall be immediately delivered to the Senior Manager. If the Underwriters fail other than for a reason permitted hereunder to accept and pay for the Series 2000A Certificates, as herein provided, upon tender thereof by the Board at the Closing, the Board may cash the Good Faith Check and retain the funds represented by such Good Faith Check as full liquidated damages, and not as a penalty, for such failure and for any and all defaults hereunder on the part of the Underwriters, and the retention of such funds shall constitute a full release and discharge of all claims, rights and damages for such failure and for any and all such defaults, it being understood by each of the Board, the Foundation and the Underwriters that actual damages in such circumstances may be difficult or impossible to compute.

3. Closing

The Closing will occur before 1:00 p.m., New York City time, on _____, 2000 or at such other time or on such earlier or later date as shall have been mutually agreed upon by the Board and the Senior Manager. The Series 2000A Certificates shall be duly executed and delivered as fully registered certificates, with CUSIP numbers printed thereon, in the definitive form of one fully registered Series 2000A Certificate for each stated maturity thereof and in the name(s) in which The Depository Trust Company, New York, New York ("DTC") requests that the Series 2000A Certificates be registered, and will be made available for inspection and checking by the Underwriters at the offices of DTC, or at such other place as shall be mutually agreed upon, not later than 10:00 a.m., New York time, on the business day prior to the Closing Date. The Senior Manager, on behalf of the Underwriters, will accept such delivery and pay the purchase price of the Series 2000A Certificates in immediately available funds, payable to the District, except that the premium for the Policy shall be paid by the Underwriters directly to [_____] in immediately available funds. Payment for and delivery of the Series 2000A Certificates as aforesaid shall be made at such place as shall be agreed upon between the Board and the Senior Manager. Such payment

and delivery is herein called the “Closing” and the date of the Closing is herein called the “Closing Date”.

4. Representations and Warranties of the Board

The Board, by its acceptance hereof, represents, warrants and covenants to each of the Underwriters as of the date hereof and as of the Closing that:

(a) The Board is, and will be on the Closing Date, the governing body of the District and has the power under the Enabling Legislation to perform all functions required by it in connection with the sale and delivery of the Series 2000A Certificates;

(b) The Board has and had, as the case may be, full legal right, power and authority: (i) to adopt the Resolution and to execute and deliver this Contract of Purchase, the Offering Statement, the Continuing Disclosure Certificate, the Financing Documents to which it is a party and all other agreements contemplated thereby necessary for the sale, execution and delivery of the Series 2000A Certificates, (ii) to cause to be sold, executed and delivered the Series 2000A Certificates to the Underwriters as provided in this Contract of Purchase, (iii) to secure or cause to be secured the Series 2000A Certificates in the manner contemplated by the Resolution and the Trust Agreement, and (iv) to carry out and consummate all other transactions contemplated by the aforesaid documents; and the Board has complied as of the Closing Date with all provisions of applicable law in all matters relating to such transactions; provided, however, that the Board makes no representations as to the qualification of the Series 2000A Certificates under the Blue Sky laws of the various jurisdictions of the United States or the legality of the Series 2000A Certificates for investment under the laws of the various jurisdictions of the United States;

(c) The Board has duly adopted the Resolution and has duly authorized or ratified: (i) the execution and delivery of the Series 2000A Certificates by the Trustee and the execution, delivery and due performance of this Contract of Purchase, (ii) the distribution and use of the Preliminary Offering Statement and execution, delivery and distribution of the Offering Statement and (iii) the taking of any and all such action as may be required on the part of the Board to carry out, give effect to and consummate the transactions contemplated by such instruments. (d) This Contract of Purchase, the Continuing Disclosure Certificate and the Financing Documents to which it is a party when executed and delivered, will constitute legal, valid and binding obligations of the Board enforceable against the Board in accordance with their respective terms, except as enforceability thereof may be limited by bankruptcy, insolvency, moratorium or other laws affecting creditors’ rights generally or subject to the exercise of the state’s police power and to judicial discretion in appropriate cases;

(e) When delivered to the Senior Manager, the Series 2000A Certificates will represent undivided proportionate interests in a legal, valid and binding obligation of the School

Board under the Series 2000A Lease enforceable in accordance with its terms, except as may be limited by bankruptcy, insolvency, moratorium or other laws affecting creditor's rights generally or subject to the exercise of the state's police power and to judicial discretion in appropriate cases;

(f) The Board has complied, or will be in compliance at Closing, in all respects with the Resolution and the Trust Agreement;

(g) At the Closing (other than as described in the Offering Statement), all approvals, consents and orders of and filings with any governmental authority or agency which would constitute a condition precedent to the issuance of the Series 2000A Certificates or the execution and delivery of or the performance by the Board of its obligations under this Contract of Purchase, the Financing Documents to which it is a party, the Continuing Disclosure Certificate, the Series 2000A Certificates or the Resolution will have been obtained or made and any consents, approvals and orders so received or filings so made will be in full force and effect; provided, however, that no representation is made concerning compliance with the federal securities laws or the securities or Blue Sky laws of the various jurisdictions of the United States;

(h) Other than as disclosed in the Offering Statement, the adoption and performance by the Board of the Resolution and its obligations thereunder, and the authorization, execution, delivery and performance of this Contract of Purchase, the Continuing Disclosure Certificate, the Financing Documents to which the Board is a party and any other agreement or instrument to which the Board is a party, used or contemplated for use in consummation of the transactions contemplated hereby or by the Offering Statement, and, to the best of the Board's knowledge, compliance with the provisions of each such instrument, do not and will not conflict with, or constitute or result in (i) a violation of the Constitution of the State of Florida, or any existing state or federal law, administrative regulation, rule, decree or order, or (ii) a breach of or default under a material provision of any agreement, indenture, mortgage, lease, note or other instrument to which the Board, or its properties or any of the officers of the Board is subject, or (iii) the creation or imposition of any prohibited lien, charge or encumbrance of any nature whatsoever upon any of the revenues, credit, property or assets of the Board under the terms of the Constitution of the State of Florida or any law, instrument or agreement;

(i) Between the time of the acceptance hereof by the Board and the Closing, except as reflected in or contemplated by the Offering Statement, the Board will not have executed or issued any bonds or notes or incurred any other obligations or borrowed money, except as may be disclosed in the Offering Statement, or agreed to by the Senior Manager in writing, and there will not have been any adverse change of a material nature in the financial position of the Board except as may be disclosed in the Offering Statement;

(l) All proceedings of the Board relating to the adoption of the Resolution, the approval and authorization of the execution and delivery of this Contract of Purchase, the Continuing Disclosure Certificate, the Financing Documents and the Offering Statement, and the approval and authorization of the issuance and sale of the Series 2000A Certificates were conducted at duly convened meetings of the Board, with respect to which all notices were duly given to the public and at which quorums were at all material times present;

(m) The information relating to the District, the Board and the Foundation contained in the Offering Statement is, and as of the date of Closing such information in the Offering Statement will be, true and correct in all material respects, and the Offering Statement does not and the Offering Statement will not contain any untrue or misleading statement of a material fact relating to the District, the Board or the Foundation or omit to state any material fact relating to the District, the Board or the Foundation necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(n) If, at any time prior to the end of the Underwriting Period (as defined herein) any event occurs with respect to the District, the Board or the Foundation as a result of which the Preliminary Offering Statement or the Offering Statement as then amended or supplemented might include an untrue statement of a material fact, or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Board shall promptly notify the Senior Manager in writing of such event. Any information supplied by the Board for inclusion in any amendments or supplements to the Preliminary Offering Statement or the Offering Statement will not contain any untrue or misleading statement of a material fact relating to the District, the Board or the Foundation or omit to state any material fact relating to the District, the Board or the Foundation necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(o) To the best of the Board's knowledge, since December 31, 1975, the District has not been in default in the payment of principal of, premium, if any, or interest on, any material direct District indebtedness or other obligations in the nature of material direct District indebtedness which the District has issued, assumed or guaranteed as to payment of principal, premium, if any, or interest, and the Board has not entered into any contract or arrangement of any kind which might give rise to any lien or encumbrances on the Basic Lease Payments to be made pursuant to the Resolution and the Series 2000A Lease, other than as described in the Offering Statement;

(p) Except as is specifically disclosed in the Offering Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or, to the best knowledge of the Board, threatened against the Board, which in any way questions the powers of the Board to approve and authorize the issuance and sale of the Series 2000A Certificates or the power of the Trustee to execute and deliver the Series 2000A Certificates, or the validity of any proceeding taken by the Board in connection with the issuance of the Series 2000A Certificates, or wherein an unfavorable decision, ruling or finding could materially adversely affect the transactions contemplated by this

Contract of Purchase, the Offering Statement, the Financing Documents or of any other document or instrument required or contemplated by the financing, or which, in any way, could adversely affect the validity or enforceability of the Resolution, the Financing Documents, the Continuing Disclosure Certificate, this Contract of Purchase or any other agreements as may be necessary to complete the sale of the Series 2000A Certificates or, to the knowledge of the Board, which in any way questions the tax-exempt status of the District or the exclusion from gross income of the interest represented by the Series 2000A Certificates for federal income tax purposes or in any other way questions the status of the Series 2000A Certificates under federal or state tax laws or regulations;

(q) Any certificate signed by any official of the Board and delivered to the Senior Manager shall be deemed a representation and warranty by the Board to the Senior Manager as to the truth of the statements therein contained;

(r) The Board will not take or omit to take any action, which action or omission will in any way cause the proceeds from the sale of the Series 2000A Certificates to be applied in a manner other than as approved in the Resolution, the Foundation Resolution or Trust Agreement or which would cause the interest represented by the Series 2000A Certificates to be includable in gross income for federal income tax purposes;

(s) The Board will cooperate with the Senior Manager in qualifying the Series 2000A Certificates for offer and sale under the securities or Blue Sky laws of such jurisdictions of the United States as the Senior Manager may request; provided, however, that the Board shall not be required to consent to suit or to service of process in any jurisdiction. The Board consents to the use by the Senior Manager, in the course of its compliance with the securities or Blue Sky laws of the various jurisdictions of the United States, of the documents relating to the Series 2000A Certificates, subject to the right of the Board to withdraw such consent for cause by written notice to the Senior Manager; and

(t) The Board shall cause the Trustee to execute and deliver the Series 2000A Certificates when ready for delivery.

5. Representations and Warranties of the Foundation

The Foundation, by its approval hereof, represents, warrants and covenants to each of the Underwriters as of the date hereof and as of date of the Closing that:

(a) The Foundation is a not-for-profit corporation duly organized, incorporated, validly existing and in good standing under the laws of the State of Florida;

(b) The Foundation has full power and authority to adopt the Foundation Resolution and to enter into the Trust Agreement, the Assignment Agreement and this Contract of Purchase and to perform its obligations thereunder and hereunder and to take all actions in carrying out and consummating the transactions contemplated thereby and by the Offering Statement and has taken any and all proceedings and obtained, or will obtain prior to Closing, all consents and approvals required in connection therewith by any applicable law;

(c) The Foundation has duly adopted the Foundation Resolution and has authorized the execution and delivery of the Financing Documents to which it is a party and this Contract of Purchase and all actions necessary or appropriate to carry out and consummate the transactions contemplated thereby and hereby, and, upon execution and delivery thereof by the Foundation (and assuming due authorization, execution and delivery by the other parties thereto), the Financing Documents to which the Foundation is a party will constitute the legal, valid and binding obligations of the Foundation enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization or other similar laws affecting creditors' rights and to equitable principles, and the making and performance by the Foundation of each such agreement and the taking of all actions by the Foundation in carrying out and consummating the transactions contemplated thereby and by the Offering Statement will not, as of the date hereof and as of the date of Closing, conflict with or constitute a breach of or default under any constitutional provision, applicable law or administrative rule or regulation of the State of Florida, the United States, or any department, division, agency or instrumentality of any thereof, or any applicable court or administrative decree or order, or any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Foundation is a party or to which the Foundation or any of the property or assets of the Foundation are otherwise subject or bound;

(d) To the best knowledge of the Foundation, except as may be stated in the Offering Statement, there is no litigation, proceeding or investigation before or by any court, public board or body pending, or threatened against or affecting the Foundation, challenging the validity of, or in which an unfavorable decision, ruling or finding would materially adversely affect, the Financing Documents to which the Foundation is a party, the offering of the Series 2000A Certificates as described in this Contract of Purchase, any of the transactions contemplated by such instruments and the Offering Statement, or the performance by the Foundation of any of its obligations thereunder or hereunder, or contesting the completeness or accuracy of the Offering Statement or which would adversely affect the exclusion of interest paid with respect to the Series 2000A Certificates from gross income for purposes of federal income taxation, nor to the best of the Foundation's knowledge, is there any basis therefor; and

(e) Nothing has come to the attention of the Foundation that would lead the Foundation to believe that the statements in the Offering Statement relating to the Foundation contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

6. Conditions of Closing

If the Board or the Foundation, as the case may be, shall be unable to satisfy the conditions to the obligations of the Underwriters contained in the Contract of Purchase, or if the obligations of the Underwriters shall be terminated for any reason permitted by the Contract of Purchase, the Contract of Purchase shall terminate and neither the Underwriters nor the Board nor the Foundation shall be under any further obligation hereunder, except as provided in Section

8 hereof and except that the Good Faith Check shall be returned to the Senior Manager by the Board.

After the date of this Contract of Purchase and for the period ending 25 days after the End of the Underwriting Period (but not later than 90 days after the Closing Date), (a) the Board will not adopt any amendment of, or supplement to, the Offering Statement that, after having been furnished with a copy, shall be reasonably disapproved by the Underwriters and, (b) if at any time prior to Closing and within 25 days following the End of the Underwriting Period (as defined herein) any event known to the Board relating to or affecting the Board, the Foundation, the District, the Resolution, the Foundation Resolution, the Basic Lease Payments, the Financing Documents, the Continuing Disclosure Certificate or the Series 2000A Certificates shall occur which might affect the correctness or completeness of any statement of a material fact contained in the Offering Statement, the Board will promptly notify the Underwriters in writing of the circumstances and details of such event. If, as a result of such event it is necessary, in the opinion of the Treasurer, the Counsel to the Board, the Superintendent or his duly authorized designee, Co-Special Tax Counsel, the Underwriters or Co-Counsel to the Underwriters, to amend or supplement the Offering Statement in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, and if any such party shall have so advised the Board, the Board will forthwith prepare and furnish to the Underwriters a reasonable number of copies of an amendment of or a supplement to such Offering Statement, in form and substance satisfactory to the Underwriters, which will so amend or supplement such Offering Statement so that, as amended or supplemented, it will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. For purposes of this Contract of Purchase, the term "End of the Underwriting Period" for each of the Underwriters means the later of the Closing Date or the date such Underwriter does not retain directly, or as a member of an underwriting syndicate, an unsold balance of the Series 2000A Certificates for sale to the public. In the event that the End of the Underwriting Period is a date other than the Closing Date, the Underwriters shall on the Closing Date so notify the Board in writing of such fact, and thereafter shall notify the Board on the date that the underwriting period ends that such period has ended.

7. Termination of Contract of Purchase

The Senior Manager may terminate this Contract of Purchase, without liability therefor, by written notification to the Board, if at any time subsequent to the date of this Contract of Purchase and at or prior to the Closing:

(a) The marketability of the Series 2000A Certificates or the market price thereof, in the reasonable opinion of the Senior Manager, has been materially adversely affected by an amendment to the Constitution of the United States or by any legislation (other than any actions taken by either House of Congress on or prior to the date hereof) (i) enacted or adopted by the United States, (ii) recommended to the Congress or otherwise endorsed for passage, by press release, other form of notice or otherwise, by the President of the United States, the Chairman or ranking minority member of the Committee on Finance of the United States Senate or the Committee on Ways and Means of the United States House of Representatives, the

Treasury Department of the United States or the Internal Revenue Service, or (iii) favorably reported out of the appropriate Committee for passage to either House of the Congress by any full Committee of such House to which such legislation has been referred for consideration, or by any decision of any court of the United States or by any order, rule or regulation (final, temporary or proposed) on behalf of the Treasury Department of the United States, the Internal Revenue Service or any other authority or regulatory body of the United States, or by a release or announcement or communication issued or sent by the Treasury Department or the Internal Revenue Service of the United States, or any comparable legislative, judicial or administrative development affecting the federal tax status of the District, its property or income, obligations of the general character of the Series 2000A Certificates, as contemplated hereby, or the interest thereon; or

(b) Any legislation, rule, or regulations shall be introduced in, or be enacted or adopted by any department or agency in the State of Florida, or a decision by any court of competent jurisdiction within the State of Florida shall be rendered which, in the reasonable opinion of the Senior Manager, materially adversely affects the market for the Series 2000A Certificates or the sale, at the contemplated offering prices, by the Underwriters of the Series 2000A Certificates to be purchased by them; or

(c) Any amendments to the Offering Statement, the Resolution, the Foundation Resolution, the Financing Documents is proposed by the Board or deemed necessary by Co-Special Tax Counsel, or the Senior Manager which, in the reasonable opinion of the Senior Manager, materially adversely affect the market for the Series 2000A Certificates or the sale, at the contemplated offering prices by the Underwriters of the Series 2000A Certificates to be purchased by them; or

(d) A national or international calamity, crisis, an outbreak of war or national emergency, or an escalation of an ongoing or threatened hostility, calamity, or crisis in which the United States is engaged or becomes engaged shall have occurred, which in the sole opinion of the Senior Manager adversely affects the market for the Series 2000A Certificates or the sale, at the contemplated offering prices, by the Underwriters of the Series 2000A Certificates to be purchased by them; or

(e) Legislation shall be enacted or adopted, or any action shall be taken by, or on behalf of, the Securities and Exchange Commission which, in the reasonable opinion of Co-Counsel to the Underwriters, has the effect of requiring the contemplated distribution of the Series 2000A Certificates to be registered under the Securities Act of 1933, as amended, or the Resolution, the Foundation Resolution or the Trust Agreement to be qualified under the Trust Indenture Act of 1939, as amended, and compliance therewith cannot be accomplished prior to the Closing; or

(f) Legislation shall be introduced by amendment or otherwise in or be enacted by, the House of Representatives or the Senate of the Congress of the United States, or a decision by a Court of the United States of America shall be rendered, or a stop order, ruling, release, regulation, official statement or no-action letter by or on behalf of the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject

matter of the Series 2000A Certificates shall have been proposed, issued or made (which is beyond the control of the Senior Manager or the Board to prevent or avoid) to the effect that the issuance, offering or sale of the Series 2000A Certificates, including all the underlying obligations as contemplated hereby or by the Offering Statement, or any document relating to the issuance, offering or sale of the Series 2000A Certificates is or would be in violation of any of the federal securities laws at Closing, including the Securities Act of 1933, as amended and then in effect, the Securities Exchange Act of 1934, as amended and then in effect, or the Trust Indenture Act of 1939, as amended and then in effect, or with the purpose or effect of otherwise prohibiting the offering and sale of obligations of the general character of the Series 2000A Certificates, as contemplated hereby; or

(g) There shall have occurred, after the signing hereof, either a financial crisis or a default with respect to the debt obligations of the District or proceedings under the federal or State of Florida bankruptcy laws shall have been instituted by the Board, in either case the effect of which, in the reasonable judgement of the Senior Manager, is such as to materially and adversely affect (i) the market price or the marketability of the Series 2000A Certificates, or (ii) the ability of the Underwriters to enforce contracts for the sale of the Series 2000A Certificates; or

(h) A general banking moratorium shall have been declared by the United States, New York or Florida authorities, which in the reasonable opinion of the Senior Manager, materially adversely affects the market for the Series 2000A Certificates or the sale, at the contemplated offering prices, by the Underwriters of the Series 2000A Certificates to be purchased by them; or

(i) Any national securities exchange, or any governmental authority, shall impose, as to the Series 2000A Certificates or obligations of the general character of the Series 2000A Certificates any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of the Underwriters, or the establishment of material restrictions upon trading of securities, including limited or minimum prices, by any governmental authority or by any national securities exchange; or

(j) Legal action shall have been filed against the District, the Board or the Foundation wherein an adverse ruling would adversely affect the transactions contemplated hereby or by the Offering Statement or the validity of the Series 2000A Certificates, the Resolution, the Foundation Resolution, the Financing Documents, the Continuing Disclosure Agreement or this Contract of Purchase; provided, however, that as to any such litigation, the Board may request and the Senior Manager may accept an opinion of Counsel to the Board, Co-Special Tax Counsel, or of other counsel acceptable to the Senior Manager, that in such counsel's opinion the issues raised by any such litigation or proceeding are without substance or that the contentions of any plaintiffs therein are without merit; or

(k) The rating of the Series 2000A Certificates shall have been downgraded below "AAA" by Standard & Poor's Ratings Services or "Aaa" by Moody's Investors Service, after the date hereof, the effect of which, in the opinion of the Senior Manager, is to affect

materially and adversely the market prices of the Series 2000A Certificates or trading in any securities of the Board shall have been suspended on any national securities exchange; or any proceeding shall be pending or threatened by the Securities and Exchange Commission against the District; or a general suspension of trading on the New York Stock Exchange or the American Stock Exchange or other national securities exchange; or

(l) Any information shall have become known which, in the Senior Manager's reasonable opinion, makes untrue, incorrect or misleading in any material respect any statement or information contained in the Offering Statement, as the information contained therein has been supplemented or amended by other information, as of the date furnished or supplied to the Underwriter and until the End of the Underwriting Period thereafter, or causes the Offering Statement, as so supplemented or amended, to contain an untrue, incorrect or misleading statement of a material fact or to omit to state a material fact required or necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading and upon the receipt of notice of same by the Board, the Board fails to promptly amend or supplement the Offering Statement in a manner which is reasonably acceptable in form and content to the Senior Manager; or

(m) An event occurs as a result of which the Offering Statement, as then amended or supplemented, would include an untrue statement of a material fact or omit to state any material fact which is required or necessary to be stated therein in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading which, in the reasonable opinion of the Senior Manager, requires an amendment or supplement to the Offering Statement and, in the reasonable opinion of the Senior Manager, materially adversely affects the marketability of the Series 2000A Certificates or the contemplated offering prices thereof and upon the receipt of notice by the Board, the Board fails to promptly amend or supplement the Offering Statement in a manner which is reasonably acceptable in form and content to the Senior Manager.

8. Expenses.

(a) The Board shall pay or cause to be paid all reasonable expenses incident to the performance of its obligations under this Contract of Purchase, including, but not limited to, (i) the costs of printing or other reproduction (for distribution prior to, on or after the date of acceptance of this Contract of Purchase) of copies of the Preliminary Offering Statement and the Offering Statement, (ii) fees and disbursements of Co-Special Tax Counsel, (iii) fees and expenses of the Board's accountants, (iv) any fees charged by investment rating agencies for the rating of the Series 2000A Certificates, (v) fees and expenses of the Trustee, (vi) bond insurance premiums, and (vii) any fees for experts or consultants retained by the Board. In the event this Contract of Purchase shall terminate because of the default of the Senior Manager, the Board will, nevertheless, pay or cause to be paid, all of the expenses specified above, if liability exists therefor, and shall accept the proceeds of the Good Faith Check as full and complete payment from the Senior Manager for costs and damages incurred by the Board.

(b) The Underwriters shall pay all expenses incident to their performance hereunder, including, but not limited to, (i) the fees and disbursements of Co-Counsel to the

Underwriters and (ii) all other expenses incurred by them or any of them in connection with their offering and distribution of the Series 2000A Certificates and for the preparation, printing and separate distribution, if any, of the Blue Sky memoranda and legal investment surveys.

(c) In the event either the Board or the Underwriters shall have paid obligations of the other as set forth in this Section, appropriate reimbursements and adjustments shall be made.

9. Truth in Bonding Statement

The Board is proposing to cause the Series 2000A Certificates to be executed and delivered for the purpose of: (i) financing the cost of acquisition and construction of the Series 2000 Facilities, and (ii) paying the costs of issuance associated with the Series 2000A Certificates, including the premium for the Policy. with Miami-Dade County School Board Foundation, Inc., as Lessor**

Ladies and Gentlemen:

This letter shall serve as the supplemental opinion of co-special tax counsel, pursuant to Section 6(b)(2) of the Contract of Purchase, by and among the Board, the Foundation and the Underwriters named therein, dated _____, 2000 (the "Contract of Purchase"). We have participated in various proceedings in connection with the execution and delivery by the Trustee of \$_____ aggregate principal amount of CERTIFICATES OF PARTICIPATION, SERIES 2000A Evidencing Undivided Proportionate Interests of the Owners thereof in Basic Lease Payments to be made by THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, as Lessee, Pursuant to a Master Lease Purchase Agreement with Miami-Dade County School Board Foundation, Inc., as Lessor (the "Series 2000A Certificates"). All capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Contract of Purchase.

In our capacity as co-special tax counsel, we have reviewed such documents and proceedings as we have deemed necessary in order to render the opinion required of us under the terms of the Contract of Purchase.

Based on the foregoing, we are of the opinion that:

(a) The School Board has duly authorized the execution and approved the distribution of the Offering Statement dated _____, 2000 concerning the Series 2000A Certificates (the "Offering Statement").

(b) The School Board has full authority and right to execute and deliver, and perform its obligations under (i) the Series 2000A Ground Lease dated as of September 15, 2000 (the "Ground Lease") between the School Board and the Foundation; (ii) the Master Lease Purchase Agreement between the Foundation and the School Board, dated as of August 1, 1994 (the "Master Lease"), and the Schedule 2000A thereto dated as of September 15, 2000 (together with the Master Lease, the "Series 2000A Lease"); and (iii) the Continuing Disclosure Certificate dated the date hereof (the "Continuing Disclosure Certificate"). The Ground Lease and the Series 2000A Lease have been duly authorized, executed and delivered by the School Board and assuming due authorization, execution and delivery by the other parties thereto, constitute legal, valid and binding agreements of the School Board enforceable in accordance with their respective terms, subject as to enforcement of remedies to any applicable bankruptcy, reorganization, insolvency, moratorium or other laws or equitable principles which may now or hereafter be in effect and which affect the enforcement of creditors' rights generally; provided, however, we express no opinion with respect to the enforceability against the School Board of the indemnification provisions of Section 5.7 of the Master Lease.

(c) The execution and delivery by the School Board of the Ground Lease, the Series 2000A Lease and the Continuing Disclosure Certificate, and the assumption by the School Board of the obligations represented thereby will not conflict with, violate or constitute a breach of or default under the constitution or the laws of the State of Florida, or to the best of our knowledge, any other applicable law, administrative regulation, order or court decree binding on the School Board.

(d) All requirements and governmental approvals necessary for the School Board to execute and deliver the Ground Lease and the Series 2000A Lease have been satisfied or obtained.

(e) The information and statements in the Offering Statement under the headings, "SUMMARY STATEMENT", "PURPOSE OF THE SERIES 2000A CERTIFICATES", "THE SERIES 2000A CERTIFICATES", "SECURITY FOR THE SERIES 2000A CERTIFICATES", "THE MASTER LEASE PROGRAM", "THE LEASE", "CONTINUING DISCLOSURE", "APPENDIX C - FORMS OF CERTAIN LEGAL DOCUMENTS" and "APPENDIX D - FORM OF CONTINUING DISCLOSURE CERTIFICATE" (excluding any financial, statistical and demographic information and information regarding the Insurer, the Policy or DTC and its book-entry only system) insofar as such information and statements constitute summaries of the documents referred to therein or purport to describe the Constitution and the laws of the State of Florida or the United States, constitute accurate summaries of the documents and laws purported to be summarized or described. We are further of the opinion that the statements contained under the heading "TAX TREATMENT" and "ORIGINAL ISSUE DISCOUNT [AND PREMIUM]" are accurate and correct as to matters of law.

(f) The Foundation has full corporate power, authority and right to execute and deliver, and to perform its obligations under (i) the Master Trust Agreement between the Foundation and the Trustee, dated as of August 1, 1994 and the Series 2000A Supplemental Trust Agreement, dated as of September 15, 2000 (collectively, the "Trust Agreement"); (ii) the Series 2000A Assignment Agreement dated as of September 15, 2000 (the "Assignment Agreement"); and (iii) other instruments and agreements contemplated thereby to be executed, delivered and performed by it.

(g) The execution and delivery by the Foundation of, and the performance by it of its obligations under the Trust Agreement and the Assignment Agreement will not conflict with or violate the Constitution or laws of the State of Florida; or any governmental rule or regulation or order applicable to the Foundation; do not contravene the Articles of Incorporation or the Bylaws of the Foundation; and all required consents and approvals, if any, of governmental authorities necessary for the Foundation to execute and deliver the documents listed above and to carry out its obligations thereunder have been obtained.

(h) The Trust Agreement and the Assignment Agreement have been duly authorized, executed and delivered by the Foundation, and assuming due authorization, execution and delivery by the other parties thereto, each such agreement constitutes a legal, valid and binding agreement of the Foundation, enforceable in accordance with its respective terms, subject as to enforcement of remedies to any applicable bankruptcy, reorganization, insolvency, moratorium or other laws or equitable principles which may now or hereafter be in effect and which affect the enforcement of creditors' rights generally.

(i) The Trust Agreement and the Assignment Agreement create a valid and enforceable pledge and an assignment of the Foundation's rights in and to the Series 2000A Lease (except for certain rights to indemnification and to receive notices and fees) and the money and securities held by the Trustee in the fund and accounts established under the Trust Agreement, in favor of the Trustee for the benefit of the holders of the Series 2000A Certificates.

(j) No registration with the Securities and Exchange Commission under the Securities Act of 1933, as amended, needs to be made in connection with the execution and delivery of the Series 2000A Leases, and the offering and sale of the Series 2000A Certificates, and the Trust Agreement, the Resolution and the Foundation Resolution are not required to be qualified under the Trust Indenture Act of 1939, as amended.

On the date hereof, we have rendered our approving opinion relating to the Series 2000A Lease and the Series 2000A Certificates (the "Approving Opinion"). Please be advised that you may rely on the Approving Opinion the same as if the Approving Opinion were addressed to you.

This opinion may be relied upon solely by you.

Respectfully submitted,

Ladies and Gentlemen:

This letter shall serve as the opinion of Counsel to The School Board of Miami-Dade County, Florida (the "Board"), pursuant to Section 6(b)(3) of the Contract of Purchase by and among the Board, the Foundation and the Underwriters named therein, dated _____, 2000 (the "Contract of Purchase"). I have participated in various proceedings in connection with the execution and delivery by the Trustee of \$_____ aggregate principal amount of CERTIFICATES OF PARTICIPATION, SERIES 2000A Evidencing Undivided Proportionate Interests of the Owners thereof in Basic Lease Payments to be made by THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, as Lessee, Pursuant to a Master Lease Purchase Agreement with Miami-Dade County School Board Foundation, Inc., as Lessor (the "Series 2000A Certificates"). All capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Contract of Purchase.

In my capacity as Counsel to the Board, I have reviewed such documents and proceedings as I have deemed necessary in order to render the opinion required of me under the terms of the Contract of Purchase.

Based on the foregoing, I am of the opinion that:

(a) The Board is, and will be on the Closing Date, the governing body of the District and has the power under the Enabling Legislation to perform all functions required by it in connection with the execution of the Series 2000A Lease and sale and delivery of the Series 2000A Certificates.

(b) No litigation or other proceedings are pending or, to my knowledge, threatened in any court or other tribunal, state or federal, against the Board: (i) restraining or enjoining, or seeking to restrain or enjoin, the sale, execution or delivery of any of the Series 2000A Certificates or the collection of funds to be used to make the Basic Lease Payments under the Series 2000A Lease, (ii) in any way questioning or affecting the validity or enforceability of any provision of the Series 2000A Certificates, the Resolution, the Continuing Disclosure Certificate, the Financing Documents or the Contract of Purchase, (iii) in any way questioning or affecting the validity of any of the proceedings or authority for authorization, sale, execution or delivery of the Series 2000A Certificates, or of any provision, program, or transactions made or authorized for their payment, or (iv) questioning or affecting the organization of the Board or title of its officers to their respective offices in any manner which may or could have an adverse effect on the ability of the Board to execute and deliver the Series 2000A Lease.

(c) The adoption and performance by the Board of the Resolution and the authorization, execution, delivery and performance of the Contract of Purchase, the Financing Documents, the Continuing Disclosure Certificate, the Series 2000A Certificates and any other agreement or instrument to which the Board is a party, used or contemplated by the Contract of Purchase, the Financing Documents, the Continuing Disclosure Certificate, the Resolution, or the Offering Statement, and compliance with the provisions of each such instrument, to the best of my knowledge and belief, do not and will not conflict with, or violate the Constitution of the State of Florida or any existing state law, administrative regulation, rule, decree or order, or to the best of my knowledge, constitute or result in a breach of or default under a material provision of any agreement or instrument to which the District or its properties or any of the officers of the Board are subject or result in the creation or imposition of any prohibited lien, charge, or encumbrance, of any nature whatsoever under the Constitution of the State of Florida, any existing state law or, to the best of my knowledge, any instrument or agreement.

(d) The Board has full legal right, power and authority to (i) adopt the Resolution and enter into the Financing Documents to which it is a party, the Contract of Purchase and the Continuing Disclosure Certificate; (ii) cause to be executed, sold and delivered the Series 2000A Certificates to the Underwriters and use the funds derived from the sale thereof for the purposes described in the Offering Statement; and (iii) to carry out and consummate all other transactions contemplated on the part of the Board by the Resolution, the Financing Documents, the Offering Statement, the Continuing Disclosure Certificate and the Contract of Purchase.

(e) The issuance and delivery of the Series 2000A Certificates have been duly and validly authorized and approved by the Board.

(f) The Resolution has been duly adopted by the Board and the Financing Documents to which it is a party, the Contract of Purchase and the Continuing Disclosure Certificate have each been duly delivered by the Board, and, assuming the due authorization, execution, and

delivery by other parties thereto, constitute legal, valid and binding agreements of the Board, enforceable in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, moratorium, or other similar laws affecting the enforcement of creditors' rights generally and principles of equity applicable to the availability of specific performance or other equitable relief.

(g) The statements contained in the Offering Statement insofar as the statements contained therein purport to summarize certain legal matters relating to the Board or the District, fairly and accurately present the information purported to be summarized therein.

No opinion is expressed as to the requirements of any federal laws which may govern the issuance, offering and sale of the Series 2000A Certificates, except as specifically set forth herein, or which may govern the exclusion from gross income for federal income tax purposes of the interest represented by the Series 2000A Certificates.

In my capacity as Counsel to the Foundation, I have reviewed such documents and proceedings as I have deemed necessary in order to render the opinion required of me under the terms of the Contract of Purchase.

Based on the forgoing, I am of the opinion that:

(a) The Foundation is a non-for-profit corporation duly organized, incorporated, validly existing and in good standing under the laws of the State of Florida.

(b) To the best of my knowledge, after due inquiry, no litigation or other proceedings are pending or threatened in any court or other tribunal, state or federal, against the Foundation: (i) restraining or enjoining, or seeking to restrain or enjoin, the sale, execution or delivery of any of the Series 2000A Certificates or the collection of funds to be used to make the Basic Lease Payments under the Series 2000A Lease, (ii) in any way questioning or affecting the validity or enforceability of any provision of the Series 2000A Certificates, the Foundation Resolution, the Financing Documents or the Contract of Purchase, (iii) in any way questioning or affecting the validity of any of the proceedings or authority for authorization, sale, execution or delivery of the Series 2000A Certificates, or of any provision, program, or transactions made or authorized for their payment, or (iv) questioning or affecting the organization of the Foundation or title of its officers to their respective offices in any manner which may or could have an adverse effect on the ability of the Trustee to execute and deliver the Series 2000A Certificates.

(d) The Contract of Purchase and the Trust Agreement, the Series 2000A Lease, the Ground Lease and the Assignment Agreements have each been duly executed and delivered by the Foundation and the Series 2000A Certificates have been duly delivered on behalf of the Foundation, and, assuming the due authorization, execution, and delivery by other parties thereto, constitute legal, valid and binding agreements of the Foundation, as the case may be, enforceable in accordance with their respective terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, moratorium, or other similar laws affecting the enforcement of creditors' rights generally and principles of equity applicable to the availability of specific performance or other equitable relief.

(e) The statements contained in the Offering Statement, insofar as the statements contained therein purport to summarize certain legal matters relating to the Foundation, fairly and accurately present the information purported to be summarized therein.

(f) The Foundation has full legal right, power and authority to adopt the Foundation Resolution and the Foundation Resolution has been duly adopted by the Foundation.

(See "RATINGS" herein)

In the opinion of Greenberg Traurig, P.A., and Edwards & Carstarphen, Co-Special Tax Counsel, assuming continuing compliance with certain tax covenants, under existing statutes, regulations, rulings and judicial decisions, the interest portion of the Basic Lease Payments paid to the Series 2000A Certificate holders is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. See "TAX TREATMENT" for a description of the alternative minimum tax on corporations and certain other federal tax consequences of ownership of the Series 2000A Certificates. However, no opinion is expressed with respect to the federal income tax consequences of any payments received with respect to the Series 2000A Certificates following termination of the Series 2000A Leases (as defined herein) as a result of non-appropriation of funds or the occurrence of an event of default thereunder. Co-Special Tax Counsel is further of the opinion that the Series 2000A Certificates and the Series 2000A Lease are exempt from the Florida intangible personal property tax; provided, however, that no opinion is expressed with respect to the payment or reporting of intangible personal property tax on the Series 2000A Certificates following termination of the Series 2000A Lease.

SUMMARY STATEMENT

THE INFORMATION CONTAINED IN THIS SUMMARY STATEMENT IS SUBJECT IN ALL RESPECTS TO THE MORE COMPLETE INFORMATION CONTAINED IN THIS OFFERING STATEMENT AND THE OFFERING OF THE SERIES 2000A CERTIFICATES TO POTENTIAL PURCHASERS IS MADE ONLY BY MEANS OF THE ENTIRE OFFERING STATEMENT. UNDER NO CIRCUMSTANCES SHALL THIS SUMMARY STATEMENT BE REMOVED FROM THE REMAINDER OF THE OFFERING STATEMENT.

Capitalized terms, if not otherwise defined, have the meanings set forth for such terms in "APPENDIX C - FORMS OF CERTAIN LEGAL DOCUMENTS" herein.

The District and the School Board

The School District of Miami-Dade County, Florida (formerly known as the School District of Dade County, Florida and hereinafter referred to as the "District") covers the same geographic area as Miami-Dade County, Florida (formerly known as Dade County, Florida and hereinafter referred to as the "County") and encompasses 30 incorporated municipalities. As of June 30, 2000, the District included 309 schools and vocational/technical centers, approximately 355,000 students and approximately 48,000 full and part-time employees, including approximately 21,000 full-time teachers and 4,750 full-time paraprofessionals and technical staff. The School Board of Miami-Dade County, Florida (formerly known as The School Board of Dade County, Florida, and hereinafter referred to as the "School Board") is the governing body of the District. See "APPENDIX A - ECONOMY AND DESCRIPTIVE STATISTICS OF THE DISTRICT AND MIAMI-DADE COUNTY, FLORIDA" herein.

The Master Lease

The School Board entered into a Master Lease Purchase Agreement, dated as of August 1, 1994 (the "Master Lease"), between the Miami-Dade County School Board Foundation, Inc., a Florida not-for-profit corporation (formerly known as the Dade County School Board Foundation, Inc. and hereinafter referred to as the "Foundation"), as lessor, and the School Board, as lessee, for the purpose of lease-purchasing from time to time certain educational facilities, sites and equipment (the "Facilities") from the Foundation. Facilities to be leased from time to time will be identified on separate lease schedules (each a "Schedule") attached to the Master Lease. Upon execution and delivery thereof, each Schedule, together with the provisions of the Master Lease, will constitute a separate lease agreement (individually a "Lease" and collectively the "Leases"). See "APPENDIX C - FORMS OF CERTAIN LEGAL DOCUMENTS - The Master Lease Purchase Agreement" herein.

The School Board has previously entered into (i) an Amended and Restated Series 1994A Lease dated as of August 1, 1994, as amended and restated as of June 1, 1998 and as further amended and restated as of November 1, 1998 and an Amended and Restated Series 1996B-1 Lease, dated as of August 15, 1996, as amended and restated as of June 1, 1998 and as further amended and restated as of November 1, 1998 (collectively, the "Amended and Restated Leases") and in conjunction therewith the Trustee issued \$132,500,000 Certificates of Participation, Series 1998A, dated June 1, 1998, of which \$131,665,000 aggregate principal amount is currently outstanding and \$283,700,000 Certificates of Participation, Series 1998C, dated November 1, 1998, of which \$248,515,000 aggregate principal amount is currently outstanding and (ii) a Series 1998B-1 Lease and a Series 1998B-2 Lease, each dated as of June 1, 1998, (collectively, the "Series 1998B Leases") and in conjunction therewith the Trustee issued \$69,605,000 Certificates of Participation Series 1998B, dated June 1, 1998, of which \$66,200,000 aggregate principal is currently outstanding.

The Trust Agreement

The Foundation has entered into a Master Trust Agreement dated as of August 1, 1994 (the "Master Trust Agreement"), with The Bank of New York Trust Company of Florida, N.A., Jacksonville, Florida, as agent for The Bank of New York (successor by acquisition to NationsBank of Florida, N.A.), as Trustee (the "Trustee") and the Foundation has authorized the execution and delivery of a Series 2000A Supplemental Trust Agreement dated as of September 15, 2000 (the "Series 2000A Supplemental Trust Agreement") with the Trustee, pursuant to which the Series 2000A Certificates will be executed and secured under the Master Trust Agreement. The Master Trust Agreement together with the Series 2000A Supplemental Trust Agreement shall be referred to as the "Trust

Agreement.” See “APPENDIX C - FORMS OF CERTAIN LEGAL DOCUMENTS - The Master Trust Agreement” herein.

Purpose of Series 2000A Certificates

The Series 2000A Lease is being entered into by the School Board and the Series 2000A Certificates are being issued for the principal purpose of providing funds sufficient to finance the cost of acquisition and construction of the Series 2000A Facilities (as defined hereinbelow). See “PURPOSE OF THE SERIES 2000A CERTIFICATES” herein.

The Ground Lease

The School Board will hold title to the four sites on which the Series 2000A Facilities are and will be located. All of such sites are located within the District. Pursuant to the Series 2000A Ground Lease dated as of September 15, 2000 between the School Board and the Foundation (the “Series 2000A Ground Lease”), the School Board will lease the Series 2000A Facility Sites (as defined herein) to the Foundation for an initial term of ___ years subject to Permitted Encumbrances (as defined in the Series 2000A Ground Lease). See “APPENDIX C - FORMS OF CERTAIN LEGAL DOCUMENTS – The Series 2000A Ground Lease” herein.

The Assignment Agreement

Pursuant to the Series 2000A Assignment Agreement dated as of September 15, 2000 (the “Series 2000A Assignment”), the Foundation will assign by outright and absolute title to the Trustee, for the benefit of the owners of the Series 2000A Certificates, substantially all of its right, title and interest the Series 2000A Ground Lease and the Series 2000A Lease, including its right to receive Basic Lease Payments thereunder. See “SECURITY FOR THE SERIES 2000A CERTIFICATES” and “APPENDIX C - FORMS OF CERTAIN LEGAL DOCUMENTS – The Series 2000A Assignment” herein.

Security for the Series 2000A Certificates

The Series 2000A Certificates evidence undivided proportionate interests in Basic Lease Payments to be made by the School Board under the Series 2000A Lease. The Series 2000A Certificates are secured by and payable from the Trust Estate established pursuant to the Trust Agreement. Neither the Foundation nor the School Board has or will mortgage or grant a security interest in their respective interests in the Series 2000A Facilities to the Trustee. However, upon termination of the Series 2000A Lease or any Additional Lease (as defined herein) in the case of an event of non-appropriation or in the case of certain events of default, each such lease provides that the School Board must surrender possession of the Facilities (other than Facilities consisting of personal property excluded under the terms of the applicable Additional Lease) to the Trustee as assignee of the Foundation for disposition by sale or re-letting of its interest in the Facilities, as provided in the Trust Agreement. Any proceeds of any such disposition of the Series 2000A Facilities will be applied to the payment of the Series 2000A Certificates. IN NO EVENT WILL OWNERS OF THE SERIES 2000A CERTIFICATES HAVE ANY INTEREST IN OR RIGHT TO ANY PROCEEDS OF THE DISPOSITION OF FACILITIES FINANCED WITH THE PROCEEDS OF ANOTHER SERIES OF CERTIFICATES. Further, the Foundation has agreed in the 2000A Assignment that, upon any such termination of the Series 2000A Lease, upon request of the Trustee, it will transfer its interest in the Facilities to the Trustee or to a transferee designated by the Trustee for the remaining term of the Series 2000A Ground Lease. The foregoing notwithstanding, the School Board may not be dispossessed of the any personal property financed, in whole or in part, with the proceeds of Certificates. See “SECURITY FOR THE SERIES 2000A CERTIFICATES,” “THE PROJECT” and “THE LEASE” herein.

Liability of the School Board

THE SCHOOL BOARD IS NOT LEGALLY REQUIRED TO APPROPRIATE MONEYS TO MAKE LEASE PAYMENTS. THE LEASE PAYMENTS ARE PAYABLE SOLELY FROM FUNDS APPROPRIATED BY THE SCHOOL BOARD FOR SUCH PURPOSE FROM CURRENT OR OTHER FUNDS AUTHORIZED BY LAW AND REGULATIONS OF THE DEPARTMENT OF EDUCATION. NEITHER THE SCHOOL BOARD, THE DISTRICT, THE STATE OF FLORIDA, NOR ANY POLITICAL SUBDIVISION THEREOF SHALL BE OBLIGATED TO PAY, EXCEPT FROM APPROPRIATED FUNDS, ANY SUMS DUE UNDER THE SERIES 2000A LEASE FROM ANY SOURCE OF TAXATION. THE FULL FAITH AND CREDIT OF THE DISTRICT

AND THE SCHOOL BOARD IS NOT PLEDGED FOR PAYMENT OF SUCH SUMS DUE THEREUNDER AND SUCH SUMS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE SCHOOL BOARD OR THE DISTRICT WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

Lease Payments

All Lease Payments and all other amounts required to be paid by the School Board under the Series 2000A Lease and all other Leases will be made only from legally available funds appropriated for such purpose by the School Board. See "SECURITY FOR THE SERIES 2000A CERTIFICATES - Lease Payments" and "Limited Obligation of the School Board", and "DISTRICT REVENUES FOR CAPITAL PROJECTS" herein. The Trustee will collect directly all of the Basic Lease Payments.

Local Option Millage Levy

Pursuant to law, the School Board may set an additional non-voted millage known as the "Local Option Millage Levy", in an amount not to exceed 2.0 mills, for capital outlay and maintenance purposes. Up to three-fourths of the proceeds of the 2.0 mills may be expended for payments under lease-purchase agreements for educational facilities and sites. The District has assessed a capital outlay and maintenance levy of 2.0 mills in fiscal year 2000-2001. [While Local Option Millage Levy constitutes the primary source of funds to make lease payments represented by the Series 2000A Certificates and any other certificates of participation issued in connection with the Master Lease or any other lease purchase arrangement entered into by the School Board, the School Board intends to pay the lease payments represented by the Series 2000A Certificates from certain impact fee revenues.] See "SECURITY FOR THE SERIES 2000A CERTIFICATES - Limited Obligation of the School Board" and "DISTRICT REVENUES FOR CAPITAL PROJECTS" herein.

Impact Fees [TO COME]

Bond Insurance

The scheduled payment of the principal and interest in respect of the Series 2000A Certificates when due will be guaranteed under an insurance policy to be issued concurrently with the delivery of the Series 2000A Certificates by _____ (the "Insurer"). See "MUNICIPAL BOND INSURANCE" herein.

Additional Leases

The School Board may enter into other leases under the Master Lease in order to acquire additional Facilities (an "Additional Lease" or "Additional Leases," as the case may be). Failure to appropriate funds to pay Lease Payments under any existing Lease or Additional Lease will, and an event of default under any Additional Lease may, result in the termination of the Lease Term of all Leases, including the Series 2000A Lease. Upon any such termination of the Lease Term of all Leases, the School Board must surrender possession of all Facilities, including the Series 2000A Facilities (but not such Facilities as may be specifically excluded under the terms of any Additional Lease) to the Trustee for the remaining term of the Series 2000A Ground Lease. The Trustee, as assignee of the Foundation, may sell or re-let its interest in the Series 2000A Facilities for the remainder of the term of the Series 2000A Ground Lease. The proceeds of any disposition of the Series 2000A Facilities will be applied to the payment of the Series 2000A Certificates. IN NO EVENT WILL OWNERS OF ANY SERIES OF CERTIFICATES HAVE ANY INTEREST IN OR RIGHT TO ANY PROCEEDS OF THE DISPOSITION OF FACILITIES FINANCED WITH THE PROCEEDS OF ANOTHER SERIES OF CERTIFICATES. There can be no assurance that the remedies available to the Trustee upon any such termination of the Lease Term of all Leases and the disposition of the corresponding Facilities will produce sufficient amounts to pay the outstanding series of the Certificates to which such Leases and Facilities correspond. See "SECURITY FOR THE SERIES 2000A CERTIFICATES" and "THE LEASE" herein.

The School Board may, in the future, also enter into lease purchase agreements upon terms and conditions other than those in the Master Lease. Unless otherwise expressly provided in this Offering Statement failure to make payments under any such lease purchase agreement, or an event of default under any such lease agreement, will not

affect the Lease Term or cause the termination of the Series 2000A Lease or any other Leases. See "SECURITY FOR THE SERIES 2000A CERTIFICATES - Additional Leases" herein.

Additional Series of Certificates

With respect to any Additional Lease, one or more series of Certificates in addition to the Series 2000A Certificates, may be authorized by the Foundation at the request of the School Board and executed and delivered by the Trustee for the purposes set forth in the Trust Agreement. The aggregate principal amount of Additional Certificates which may be executed and delivered under the provisions of the Trust Agreement is not limited. As of the date of issuance and delivery of the Series 2000A Certificates, there shall be outstanding under the Trust Agreement, \$131,665,000 aggregate principal amount of Certificates of Participation, Series 1998A Certificates, \$66,200,000 aggregate principal amount of Certificates of Participation Series 1998B Certificates and \$248,515,000 aggregate principal amount of Certificates of Participation, Series 1998C. See "SECURITY FOR THE SERIES 2000A CERTIFICATES - Additional Certificates" herein.

At the request of the School Board, the Foundation also has previously caused to be issued by the Trustee, under a trust agreement unrelated to the Master Trust Agreement, the Series 1993 Certificates (as hereinafter defined), which are currently outstanding in the aggregate principal amount of \$31,260,000.

Optional Prepayment

Certain of the Series 2000A Certificates are subject to optional prepayment prior to maturity. See "THE SERIES 2000A CERTIFICATES - Prepayment - Optional Prepayment" herein.

Mandatory Sinking Fund Prepayment

Certain of the Series 2000A Certificates are subject to mandatory prepayment in part, by reason of sinking fund payments as described herein. See "THE SERIES 2000A CERTIFICATES - Prepayment - Mandatory Sinking Fund" herein.

Extraordinary Prepayment

The Series 2000A Certificates are subject to extraordinary prepayment at any time in an amount equal to the principal portion of Basic Lease Payments prepaid under the Series 2000A Lease, at a Prepayment Price of par plus the interest accrued to the Prepayment Date, (a) in whole or in part, if there remains in the Series 2000A Acquisition Account, upon delivery by the School Board of a Certificate of Acceptance indicating completion and acceptance of the Series 2000A Facilities, an amount of the proceeds of the Series 2000A Certificates greater than the amount of the Basic Lease Payments coming due in the immediately following Fiscal Year, (b) in whole or in part, if there are Net Proceeds equal to or greater than ten percent (10%) of the remaining principal portion of the Basic Lease Payments relating to the Series 2000A Facilities as a result of damage to, destruction or condemnation of any portion of the Series 2000A Facilities and an election is made by the School Board under the Series 2000A Lease to apply the amount to the prepayment of the principal portion of Basic Lease Payments, or (c) in whole, at the election of the Insurer, if the Lease Term of all Leases is terminated because funds have not been appropriated for Lease Payments under all Leases or an event of default has occurred under any Lease and the Lease Term of all Leases is terminated. See "THE SERIES 2000A CERTIFICATES – Prepayment – Extraordinary Prepayment."

The Foundation

The Foundation is a Florida not-for-profit corporation organized in February, 1988 for the purpose of acting as lessor under lease purchase agreements (such as the Master Lease) with the School Board and holding title to the educational facilities constituting Projects (excepting such Facilities and other equipment and similarly excluded items which are titled in the name of the School Board) under such lease purchase agreements. The Board of Directors of the Foundation consists of the members of the School Board; its officers are School Board members and employees. There presently is no litigation pending against the Foundation.

INTRODUCTION

This Offering Statement, including the cover page, the summary statement and appendices hereto, is provided to furnish information in connection with the sale and delivery of \$108,000,000* aggregate principal amount of Certificates of Participation, Series 2000A (the "Series 2000A Certificates").

The Series 2000A Certificates evidence undivided proportionate interests of the owners thereof in the Basic Lease Payments to be made by the School Board under the Series 2000A Lease (as defined herein). The Series 2000A Certificates are being executed and delivered pursuant to a Master Trust Agreement dated as of August 1, 1994, as supplemented by a Series 2000A Supplemental Trust Agreement dated as of September 15, 2000 (the "Trust Agreement"), each between the Miami-Dade County School Board Foundation, Inc., a Florida not-for-profit corporation (the "Foundation"), and The Bank of New York Trust Company of Florida, N.A., Jacksonville, Florida, as agent for The Bank of New York (successor by acquisition to NationsBank of Florida, N.A.), as trustee (the "Trustee").

In November, 1997, the voters of Dade County voted to rename Dade County, Florida as Miami-Dade County, Florida. As a result, by appropriate actions taken by each entity, the Dade County School Board, the School District of Dade County, Florida and the Dade County School Board Foundation, Inc. are now known as the "Miami-Dade County School Board," the "School District of Miami-Dade County, Florida," and the "Miami-Dade School Board Foundation, Inc.," respectively.

The School Board, as the governing body of the School District of Miami-Dade County, Florida (the "District"), has entered into a Master Lease Purchase Agreement dated as of August 1, 1994 (the "Master Lease"), between the Foundation, as lessor and the School Board, as lessee, for the purpose of lease purchasing from time to time certain educational facilities, sites, vehicles and equipment (the "Facilities") from the Foundation, as well as refunding acquisition costs associated with such Facilities. Facilities to be lease purchased from time to time will be identified on separate lease schedules (each a "Schedule") attached to the Master Lease. Upon execution and delivery thereof, each Schedule, together with the provisions of the Master Lease, will constitute a separate lease agreement (individually a "Lease" and collectively the "Leases"). Commencing as of September 15, 2000, the School Board will lease certain Series 2000A Facilities as identified in the Series 2000A Lease (herein defined). The Series 2000A Certificates are being issued in order to provide funds to finance the cost of acquisition and construction of the Series 2000A Facilities. See "PURPOSE OF THE SERIES 2000A CERTIFICATES" and "THE PROJECT" herein.

Pursuant to the applicable provisions of Florida law, including particularly Florida Statutes, Chapters 230, 235, 236 and 237, as amended, and a resolution adopted by the School Board on September 14, 2000, the School Board has authorized the execution and delivery of Schedule No. 2000A to the Master Lease as it may be amended from time to time (together with the Master Lease, the "Series 2000A Lease"). The initial term of the Series 2000A Lease commences as of September 15, 2000 and continues through and including June 30, 2001, and is automatically renewable annually thereafter through and including September 15, ____, unless earlier terminated as described herein. The Facilities to be lease purchased by the School Board under the Series 2000A Lease include certain real property and educational facilities, as more particularly described herein (the "Series 2000A Facilities"). See "THE LEASE" and "THE PROJECT" herein.

* Preliminary, subject to change.

The School Board will hold title to the four sites on which are located [Felix Varela High School and Hubert Sibley Elementary] and on which [State School QQI and State School C1] will be located (the "Series 2000A Facility Sites"). All of such sites are located within the District.

Pursuant to the Series 2000A Ground Lease dated as of September 15, 2000 (the "Series 2000A Ground Lease"), the School Board will lease the Series 2000A Facility Sites to the Foundation for an initial term commencing September 15, 2000 and ending September 15, _____, subject to Permitted Encumbrances (as defined in the Series 2000A Ground Lease) and subject to extension or earlier termination as provided therein. See "THE PROJECT – The Series 2000A Project" and "APPENDIX C – FORMS OF CERTAIN LEGAL DOCUMENTS – The Series 2000A Ground Lease".

Pursuant to the Series 2000A Assignment Agreement dated as of September 15, 2000, (the "Series 2000A Assignment") between the Foundation and the Trustee, the Foundation has irrevocably assigned to the Trustee for the benefit of the owners of the Series 2000A Certificates, substantially all of its right, title and interest in and to the Series 2000A Ground Lease and the Series 2000A Lease, including the right to receive the Basic Lease Payments and all other amounts due under the Series 2000A Lease. See "APPENDIX C - FORMS OF CERTAIN LEGAL DOCUMENTS - Series 2000A Assignment Agreement."

The scheduled payment of the principal portion of Basic Lease Payments and interest portion in respect of the Series 2000A Certificates when due will be guaranteed under a municipal bond insurance policy (the "Policy") issued concurrently with the delivery of the Series 2000A Certificates by _____ (the "Insurer"). See "MUNICIPAL BOND INSURANCE."

Brief descriptions of the School Board, the District, the Policy and the financed Facilities are included in this Offering Statement together with summaries of certain provisions of the Series 2000A Certificates, the Master Lease, the Series 2000A Lease, the Trust Agreement, the Series 2000A Ground Lease and the Series 2000A Assignment. Such descriptions and summaries do not purport to be comprehensive or definitive. All references herein to the Master Lease, the Series 2000A Lease, the Trust Agreement, the Series 2000A Ground Lease and the Series 2000A Assignment are qualified in their entirety by reference to the respective complete documents. Copies of the documents may be obtained upon written request and payment of the costs of duplication to the Trustee at 10161 Centurion Parkway, 2nd Floor, Jacksonville, Florida 32256. Capitalized terms used herein and not otherwise defined will have the meanings given them in "APPENDIX C - FORMS OF CERTAIN LEGAL DOCUMENTS."

The foregoing notwithstanding, as long as a book-entry only system is used for determining ownership of Series 2000A Certificates, if less than all of the Certificates with the same maturity date are to be prepaid, DTC and the DTC Participants (as defined herein) shall determine, by lot, which of the Certificates with the same maturity date are to be prepaid. See "Book-Entry Only System."

Notice of Prepayment

When prepayment of Series 2000A Certificates is required, the Trustee will mail a copy of the notice required by the Trust Agreement, postage prepaid, not less than thirty (30) days before the Prepayment Date in the case of optional prepayments, sinking fund prepayment or prepayment due to damage, destruction or condemnation of the applicable Facilities, and not less than five (5) days nor more than ten (10) days before the Prepayment Date in the case of prepayment for termination of the Lease Term in the event of non-appropriation or in certain events of default under any Lease, to the Holders of any Series 2000A Certificates or portions thereof to be prepaid, at their last addresses appearing upon the Series 2000A Certificates registry books, but any defect in the notice to a particular Series 2000A Certificate holder will not affect the validity of the proceedings for the prepayment of Series 2000A Certificates.

Effect of Prepayment

If, on the Prepayment Date, moneys for the payment of the Prepayment Price of the Series 2000A Certificates or portions thereof to be prepaid are held by the Trustee and available therefor on the Prepayment Date and if notice of prepayment has been given as described above, then from and after the Prepayment Date, the interest portion of the Series 2000A Certificates or the portion thereof called for prepayment will cease to accrue. If such moneys are not available on the Prepayment Date, the principal portion represented by such Series 2000A Certificates or portions thereof will continue to bear interest until paid at the same rate as would have accrued had such Series 2000A Certificates not been called for prepayment.

Book-Entry Only System

THE INFORMATION IN THIS SECTION CONCERNING DTC AND DTC'S BOOK-ENTRY ONLY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE FOUNDATION AND THE SCHOOL BOARD BELIEVE TO BE RELIABLE, BUT NEITHER THE FOUNDATION NOR THE SCHOOL BOARD TAKE ANY RESPONSIBILITY FOR THE ACCURACY THEREOF.

DTC will act as security depository for the Series 2000A Certificates. The Series 2000A Certificates will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully registered Series 2000A Certificate will be issued for each maturity of each series of the Series 2000A Certificates in the aggregate principal amount of such maturity, as set forth on the inside cover page hereof, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

Purchases of beneficial interests in the Series 2000A Certificates under the DTC System must be made by or through Direct Participants, which will receive a credit for the Series 2000A Certificates on DTC's records. The ownership interest of each actual purchaser of each Series 2000A Certificate ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2000A Certificates are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2000A Certificates, except in the event that use of the book-entry system for the Series 2000A Certificates is discontinued.

To facilitate subsequent transfers, all Series 2000A Certificates deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Series 2000A Certificates with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2000A Certificates; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2000A Certificates are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If less than all of the Series 2000A Certificates within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. will consent or vote with respect to Series 2000A Certificates. Under its usual procedures, DTC mails an Omnibus Proxy to the issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2000A Certificates are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Series 2000A Certificates will be made to DTC. DTC's practice is to credit Direct Participants accounts on payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such

Participant and not of DTC, the Trustee, the School Board or the Foundation, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Trustee, disbursement of such payments to Direct Participants shall be the responsibility of DTC, disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2000A Certificates at any time by giving reasonable notice to the School Board or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2000A Certificates are required to be printed and delivered.

The School Board may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2000A Certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the School Board believes to be reliable, but the School Board takes no responsibility for the accuracy thereof.

The Foundation and the Trustee will send any notice of prepayment or other notice only to DTC as the registered owner of the Series 2000A Certificates. If less than all of the Series 2000A Certificates within an issue are being prepaid, DTC's practice is to determine by lot the amount of the interest of each DTC Participant in such issue to be prepaid. Any failure of DTC to advise any DTC Participant, or of any DTC Participant to notify the Beneficial Owner, of any such notice and its content or effect will not affect the validity of the prepayment of the Series 2000A Certificates called for prepayment or of any other action premised on such notice. Prepayment of portions of any maturity of the Series 2000A Certificates will reduce the outstanding principal amount of such maturity held by DTC. In such event, DTC may implement, through its book-entry system, a prepayment of beneficial interests in Series 2000A Certificates held for the account of DTC Participants in accordance with its own rules or other agreements with DTC Participants, and then DTC Participants may implement a prepayment of beneficial interests in Series 2000A Certificates for the Beneficial Owners.

THE FOUNDATION AND THE TRUSTEE WILL HAVE NO RESPONSIBILITY OR OBLIGATION TO THE BENEFICIAL OWNERS, DTC PARTICIPANTS OR THE PERSONS FOR WHOM DTC PARTICIPANTS ACT AS NOMINEES WITH RESPECT TO THE SERIES 2000A CERTIFICATES, FOR THE ACCURACY OF RECORDS OF DTC, CEDE & CO. OR ANY DTC PARTICIPANT WITH RESPECT TO THE CERTIFICATES OR THE PROVIDING OF NOTICE OR PAYMENT OF PRINCIPAL, OR INTEREST, OR ANY PREMIUM ON THE SERIES 2000A CERTIFICATES, TO DTC PARTICIPANTS OR BENEFICIAL OWNERS, OR THE SELECTION OF SERIES 2000A CERTIFICATES FOR PREPAYMENT.

The Foundation and the Trustee cannot give any assurances that DTC, DTC Participants or others will distribute payments of principal of, premium, if any, and interest on the Series 2000A Certificates paid to DTC or its nominee, or any prepayment or other notices, to the Beneficial Owners, or that they will do so on a timely basis or that DTC will serve or act in a manner described in this Offering Statement.

Payment of Series 2000A Certificates Upon Discontinuance of Book-Entry Only System. Upon discontinuance of the book-entry only system for the Series 2000A Certificates, the principal portion or Prepayment Price of the Series 2000A Certificates will be payable at the designated corporate trust office of the Trustee, which is presently located in Jacksonville, Florida. Upon such discontinuance, the interest portion represented by the Series 2000A Certificates will be payable by check or draft of the Trustee, mailed to the registered owner at the address shown on the Series 2000A Certificate register maintained by the Trustee as of the 15th day of the month preceding the Interest Payment Date (the "Record Date"). Such interest portion may be paid by wire transfer within the United States to registered owners of \$1,000,000 or more in aggregate principal amount of Series 2000A Certificates, upon their written request received no later than the Record Date prior to an Interest Payment Date. The Trustee may charge such registered owner a reasonable fee for the cost of the wire transfer.

SECURITY FOR THE SERIES 2000A CERTIFICATES

General

The Series 2000A Certificates evidence undivided proportionate interests in Basic Lease Payments made by the School Board under the Series 2000A Lease. The Series 2000A Certificates are secured by and payable from the trust estate established for the Series 2000A Certificates (the "Trust Estate") pursuant to the Master Trust Agreement and the Series 2000A Supplemental Trust Agreement. The Trust Estate consists of all estate, right, title and interest of the Trustee in and to the Basic Lease Payments under the Series 2000A Lease, and all amounts held in the funds and accounts under the Trust Agreement, as supplemented, in accordance with the provisions of the Master Lease and the Trust Agreement, including investment earnings thereon, and any and all monies received by the Trustee pursuant to the Series 2000A Lease, and the Trust Agreement, which are not required to be remitted to the School Board or the Foundation pursuant to the Master Lease or the Trust Agreement.

Neither the Trustee, as assignee of the Foundation, nor the School Board has mortgaged or granted a security interest in their respective interests in the Series 2000A Facilities to the Trustee. Upon termination of the Series 2000A Lease, in the case of an event of non-appropriation or in the case of certain events of default, the Series 2000A Lease provides that the School Board must surrender possession of the Series 2000A Facilities to the Trustee as assignee of the Foundation for disposition by sale or re-letting of its interest in such Facilities, as provided in the Trust Agreement, and any proceeds of any such disposition will be applied to the payment of the Series 2000A Certificates, after payment of the expenses of the Trustee. IN NO EVENT WILL OWNERS OF ANY SERIES OF CERTIFICATES HAVE ANY INTEREST IN OR RIGHT TO ANY PROCEEDS OF THE DISPOSITION OF FACILITIES FINANCED WITH THE PROCEEDS OF ANOTHER SERIES OF CERTIFICATES. See "THE LEASE - Effect of Termination for Non-Appropriation or Default" herein.

Lease Payments

All Lease Payments and all other amounts required to be paid by the School Board under, the Series 2000A Lease and all other Leases will be made only from legally available funds appropriated for such purpose by the School Board. See "DISTRICT REVENUES FOR CAPITAL PROJECTS" herein.

The Trust Agreement provides for the establishment and maintenance of separate Lease Payment Accounts for each group of Facilities to be financed by a series of Certificates issued under the Trust Agreement. Lease Payments due under the schedules to the Master Lease are subject to annual appropriation by the School Board on an all-or-none basis and are payable on a parity basis solely from legally available funds appropriated by the School Board for such purpose; provided that Lease Payments with respect to a particular schedule and series of Certificates may be additionally and separately secured by a credit facility. There is no limit on the number of additional Projects that may be financed under the Master Lease. Such additional projects may be financed through the sale of additional series of Certificates under the Trust Agreement. THE SCHOOL BOARD MAY NOT BUDGET AND APPROPRIATE FOR A PORTION OF LEASE PAYMENTS DUE FOR ALL OF THE PROJECTS LEASED UNDER THE MASTER LEASE; IT MUST BUDGET AND APPROPRIATE FOR ALL SUCH LEASE PAYMENTS OR NONE OF THEM. THERE CAN BE NO ASSURANCE THAT SUFFICIENT FUNDS WILL BE APPROPRIATED OR OTHERWISE BE MADE AVAILABLE TO MAKE ALL OF THE LEASE PAYMENTS DUE UNDER THE MASTER LEASE.

Limited Obligation of the School Board

THE SCHOOL BOARD IS NOT LEGALLY REQUIRED TO APPROPRIATE MONEYS TO MAKE LEASE PAYMENTS. NEITHER THE DISTRICT, THE SCHOOL BOARD, THE STATE OF FLORIDA, NOR ANY POLITICAL SUBDIVISION THEREOF IS OBLIGATED TO PAY, EXCEPT FROM APPROPRIATED FUNDS, ANY SUMS DUE TO THE TRUSTEE UNDER THE SERIES 2000A LEASE FROM ANY SOURCE OF TAXATION. THE FULL FAITH AND CREDIT OF THE SCHOOL BOARD AND THE DISTRICT IS NOT PLEDGED FOR PAYMENT OF SUCH SUMS DUE THEREUNDER AND SUCH SUMS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE SCHOOL BOARD OR THE DISTRICT WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The local option millage levy authorized pursuant to Section 236.25(2), Florida Statutes (the "Local Option Millage Levy"), constitutes the primary source of funds to make lease payments in respect of the Series 2000A Certificates, as well as any other certificates of participation issued in connection with the Master Lease and under the School Board's lease financing evidenced by its Series 1993 Certificates. [In addition, the School Board will utilize Impact Fee Revenues to make lease payments in respect of the 2000A Certificates.] This levy may be up to 2.0 mills for new construction and remodeling; site acquisition and site improvement; auxiliary or ancillary facilities; maintenance, renovation, and repair of existing school plants; school bus purchases; driver's education vehicles and other motor vehicles; payment of costs directly related to compliance with state and federal environmental laws; payment of leasing relocatable education facilities and of renting and leasing educational facilities pursuant to Section 235.056, Florida Statutes; payment of loans approved pursuant to Sections 237.161 and 237.162, Florida Statutes; and amounts payable pursuant to lease-purchase agreements for educational facilities and sites. Payments pursuant to lease-purchase agreements for educational facilities and sites are authorized in an amount not to exceed three-fourths the proceeds of the 2.0 mills. The School Board is not required to levy any millage for capital outlay purposes in the future. Since revenues from the levy of the Local Option Millage Levy may be used for, but not pledged to, the payment of Basic Lease Payments under the Series 2000A Lease, the District's failure to levy all or a portion of the Local Option Millage Levy could have an adverse effect on the District's ability to make appropriations from which to make Basic Lease Payments. The School Board assessed a capital outlay and maintenance levy of 2.0 mills in fiscal year 2000-2001. The assessment is anticipated to remain the same for fiscal year 2001-2002. See "DISTRICT REVENUES FOR CAPITAL PROJECTS".

Additional Leases

The School Board may enter into Additional Leases under the Master Lease. Failure to appropriate funds to make Lease Payments under the Series 2000A Lease or any Additional Lease will, or certain events of default under any such Lease may, result in the termination of the Lease Term of all Leases, including the Series 2000A Lease. Upon any such termination of the Lease Term of all Leases, the School Board must surrender all Facilities, including the Series 2000A Facilities (but not such Facilities specifically excluded under the applicable Leases) to the Trustee for sale or re-letting of the Trustee's interest. The proceeds of any disposition of the Series 2000A Facilities will be applied to the payment of the Series 2000A Certificates. **IN NO EVENT WILL OWNERS OF THE SERIES 2000A CERTIFICATES HAVE ANY INTEREST IN OR RIGHT TO ANY PROCEEDS OF THE DISPOSITION OF FACILITIES FINANCED WITH THE PROCEEDS OF ANOTHER SERIES OF CERTIFICATES.** There can be no assurance that the remedies available to the Trustee upon any termination of the Lease Term of all Leases and the disposition of the Series 2000A Facilities will produce sufficient amounts to pay the Series 2000A Certificates.

In addition to the Series 2000A Lease, the School Board has previously entered into the Amended and Restated Leases and the Series 1998B Leases under the Master Lease, in connection with which there is currently outstanding \$131,665,000 aggregate principal amount of Series 1998A Certificates, \$66,200,000 aggregate principal amount of Series 1998B Certificates, and \$248,515,000 aggregate principal amount of Series 1998C Certificates. See "INTRODUCTION" herein.

For a discussion of remedies available to the Trustee in the event of the non-appropriation of funds to pay Lease Payments or in the event of default by the School Board under any Lease, see "THE LEASES - Termination of Lease Term" and "- Effect of Termination for Non-Appropriation or Default" and "APPENDIX C - FORMS OF CERTAIN LEGAL DOCUMENTS -The Master Lease Purchase Agreement" herein.

For additional lease purchase obligations incurred by the School Board pursuant to a separate lease purchase agreement unrelated to the Master Lease, see "DISTRICT REVENUES FOR CAPITAL PROJECTS - Obligations Under Unrelated Lease Purchase Agreement - Series 1993 Certificates" herein.

Additional Certificates

With respect to any Additional Lease, one or more series of Additional Certificates may be authorized by the Foundation at the request of the School Board and executed and delivered by the Trustee for the purpose of (a) financing the cost of acquisition, construction, installation and equipping of any Facilities or the completion thereof, (b) financing the cost of increasing, improving, modifying, expanding or replacing any Facilities, (c) paying or providing for the payment of the principal portion and interest portion of the Basic Lease Payments with respect to, or the

Purchase Option Price (as described under "SECURITY FOR THE SERIES 2000A CERTIFICATES - Optional Prepayment Price") of, all or a portion of the Facilities financed from the proceeds of any series of Certificates previously executed and delivered, (d) funding a Reserve Account in an amount equal to the applicable Reserve Account Requirement, if any, (e) capitalizing the interest portion of Basic Lease Payments during construction, or (f) paying the applicable Costs of Issuance. The aggregate principal amount of Additional Certificates which may be executed and delivered under the provisions of the Trust Agreement is not limited, except as may be provided with respect to a particular series of Additional Certificates in any Supplemental Trust Agreement creating such series.

Unless otherwise set forth in the Supplemental Trust Agreement authorizing the issuance of more than one series of Certificates, each Certificate within a series of Certificates executed and delivered pursuant to the Trust Agreement shall rank *pari passu* and be equally and ratably secured under the Trust Agreement with each other Certificate of such series, but not with any Certificates of any other series (except for refunding certificates issued in the case of the partial refunding of a series of certificates or except for the issuance of completion certificates, respectively), without preference, priority or distinction of any such Certificate over any other such Certificate, except that to the extent that Basic Lease Payments available for payment to all Certificate holders are less than all amounts owed with respect to all series of Certificates on any Payment Date, such amounts available shall be applied on a pro-rata basis to Certificate holders of all series in accordance with the ratio that the principal balance of each series of Certificates Outstanding bears to the total amount of Certificates Outstanding under the Trust Agreement.

Outstanding Certificates

Under the Master Trust Agreement, the School Board has previously caused to be issued by the Trustee, the Series 1998A Certificates which are currently outstanding in the aggregate principal amount of \$131,665,000, the Series 1998B Certificates which are currently outstanding in the aggregate principal amount of \$66,200,000, and the Series 1998C Certificates which are currently outstanding in the aggregate principal amount of \$248,515,000. See "INTRODUCTION" herein. The Series 1998C Certificates evidence undivided proportionate interests in the Basic Lease Payments made pursuant to the Amended and Restated Leases on a parity with the undivided proportionate interest of the Series 1998A Certificates in Basic lease Payments made under the Amended and Restated Leases.

At the request of the School Board, the Foundation has previously caused to be issued by the Trustee under a trust agreement unrelated to the Master Trust Agreement, the Series 1993 Certificates, which are currently outstanding in the aggregate principal amount of \$31,260,000. See "SECURITY FOR THE SERIES 2000A CERTIFICATES - Additional Leases" and "DISTRICT REVENUES FOR CAPITAL PROJECTS - Obligations Under Unrelated Lease Purchase Agreement - Series 1993 Certificates" herein. There are no cross-default or cross-appropriation provisions between the Master Lease and the separate lease purchase agreement relating to the Series 1993 Certificates.

Non-Appropriation Risk

THE SCHOOL BOARD IS NOT LEGALLY REQUIRED TO APPROPRIATE MONEYS FOR THE PURPOSE OF MAKING LEASE PAYMENTS. FOR A DISCUSSION OF REMEDIES AVAILABLE TO THE TRUSTEE IN THE EVENT OF THE NON-APPROPRIATION OF FUNDS TO PAY LEASE PAYMENTS, SEE "THE LEASES - TERMINATION OF LEASE TERM" AND "- EFFECT OF TERMINATION FOR NON-APPROPRIATION OR DEFAULT." THERE CAN BE NO ASSURANCE THAT THE REMEDIES AVAILABLE TO THE TRUSTEE IN THE EVENT OF NON-APPROPRIATION WILL PRODUCE SUFFICIENT AMOUNTS TO PAY THE SERIES 2000A CERTIFICATES AND THE OUTSTANDING CERTIFICATES.

Optional Prepayment Price

The School Board has the right to prepay all or a portion of the Basic Lease Payments represented by the Series 2000A Certificates and in connection therewith remove all or a portion of, as the case may be, the Facilities from the Series 2000A Lease from the lien of the Series 2000A Ground Lease by paying the Purchase Option Price for the specific Facilities being purchased or, to the extent permitted by law, by substituting other Facilities for the Facilities being acquired. No such partial prepayment of the Series 2000A Certificates which is accomplished by the removal of the specific Facilities from the Series 2000A Leases and from the lien of the Series 2000A Ground Lease may be made without the prior consent of the Insurer. The Purchase Option Price, as of each Lease Payment Date, is (i) the Basic Lease Payment then due plus the amount designated in the Series 2000A Lease, as the Remaining Principal Portion of

the Purchase Option Price; (ii) minus any credits pursuant to the provisions of the Series 2000A Lease, (iii) plus an amount equal to the interest to accrue with respect to the Series 2000 Certificates to be prepaid as a result of the release of such Facilities from the Series 2000A Lease, from such Lease Payment Date to the next available date for prepaying the Series 2000A Certificates; and (iv) plus an amount equal to any other amounts then due and owing under the Series 2000A Lease, including any prepayment premiums payable on the Series 2000A Certificates prepaid.

Bond Insurance

The scheduled payment of principal and interest in respect of the Series 2000A Certificates when due will be guaranteed under the Municipal Bond Insurance Policy to be issued concurrently with the delivery of the Series 2000A Certificates by _____. See "MUNICIPAL BOND INSURANCE."

No Reserve Account for Series 2000A Certificates

THERE IS NO RESERVE ACCOUNT ESTABLISHED FOR THE SERIES 2000A CERTIFICATES. However, pursuant to a Supplemental Trust Agreement authorizing the issuance of any series of Certificates, there may be established and maintained a separate Reserve Account to secure the payment of the principal and/or interest portion of the Basic Lease Payments related to such series of Certificates. Each such Reserve Account shall secure only the series of Certificates for which it has been established. See "APPENDIX C - FORMS OF CERTAIN LEGAL DOCUMENTS - The Master Trust Agreement."

MUNICIPAL BOND INSURANCE

THE INFORMATION IN THIS SECTION CONCERNING THE MUNICIPAL BOND INSURANCE POLICY AND THE INSURER HAS BEEN OBTAINED FROM _____; NEITHER THE DISTRICT NOR THE UNDERWRITERS TAKE RESPONSIBILITY FOR THE ACCURACY THEREOF.

The following information has been supplied by _____ (the "Insurer") to describe the municipal bond insurance policy to be issued with respect to the Series 2000A Certificates. A specimen of the municipal bond insurance policy is attached as Appendix F.

(1) The Series 1993 Certificates have been issued under a separate trust agreement unrelated to the Master Trust Agreement. There are no cross-default or cross-appropriation provisions between the Master Lease and the separate lease purchase agreement relating to the Series 1993 Certificates.

THE MASTER LEASE PROGRAM

In order to provide for the lease purchase financing and refinancing from time to time of Facilities, the School Board has authorized the execution and delivery of the Master Lease between the School Board and the Foundation. Facilities to be leased from time to time will be identified on separate Schedules to the Master Lease. Upon execution and delivery thereof, each Schedule, together with the provisions of the Master Lease, will constitute a separate Lease. See "APPENDIX C - FORMS OF CERTAIN LEGAL DOCUMENTS - The Master Lease Purchase Agreement."

The Series 2000A Lease is one of [eight] leases entered into under the Master Lease. In addition to the Series 2000A Leases the School Board has previously entered into the Amended and Restated Leases and the Series 1998B Leases, under the Master Lease. In connection with the Amended and Restated, there are currently outstanding \$131,665,000 aggregate principal amount of Series 1998A Certificates and \$248,515,000 aggregate principal amount of Series 1998C Certificates. In connection with the Series 1998B Leases, there is currently outstanding \$66,200,000 aggregate principal amount of Series 1998B Certificates. See "INTRODUCTION," "SECURITY FOR THE SERIES 2000A CERTIFICATES - Additional Leases" and "- Additional Certificates," "THE LEASE" and "THE PROJECT" herein.

In addition, the School Board may, in the future, also enter into lease purchase arrangements upon terms and conditions other than those in the Master Lease. Failure to make payments under any such lease agreement, or an event of default under any such lease agreement, will not affect the Lease Term or cause the termination of the Series 2000A Lease or any other Leases.

The School Board has previously caused the Series 1993 Certificates, currently outstanding in the aggregate principal amount of \$31,260,000, to be issued on its behalf pursuant to a lease purchase arrangement unrelated to the Master Lease and the Master Trust Agreement. See "DISTRICT REVENUES FOR CAPITAL PROJECTS - Obligations Under Unrelated Lease Purchase Agreements - Series 1993 Certificates" herein.

THE LEASE

The following is a brief summary of certain provisions of the Series 2000A Lease, which is not intended to be definitive. Reference is made to "APPENDIX C - FORMS OF CERTAIN LEGAL DOCUMENTS - Master Lease Purchase Agreement" for the complete text.

Authority

The Series 2000A Lease is entered into pursuant to the authority granted under Sections 230.23 and 235.056(2), Florida Statutes, as amended, for the purpose of providing for the acquisition, construction and installation of the Series 2000A Facilities.

Terms of Leases

Under the Series 2000A Lease, the Foundation leases to the School Board the Series 2000A Facilities. The Series 2000A Lease has an original Lease Term commencing on September 15, 2000 through and including June 30, 2001, and is automatically renewable annually thereafter through September 15, ____, unless sooner terminated in accordance with the provisions of the Series 2000A Lease.

Termination of Lease Term

The Lease Term of each Lease, including the Series 2000A Lease, will terminate upon the earliest of any of the following events:

- (a) Each Lease will terminate on the latest Lease Payment Date set forth in such Lease;
- (b) All Leases will terminate in the event of non-appropriation of funds for the payment of Lease Payments;

(c) All Leases will terminate upon a default by the School Board with respect to any Lease and the termination of the Lease Term of all Leases by the Trustee pursuant to the Master Lease; and

(d) A particular Lease will terminate upon payment by the School Board of the Purchase Option Price of all the particular Facilities leased under such Lease by the School Board or upon provision for such payment pursuant to the Master Lease.

Effect of Termination for Non-Appropriation or Default

Upon termination of the Lease Term of the Series 2000A Lease for a reason referred to in (b) or (c) under "THE LEASE - Termination of Lease Term" above, the School Board is required to immediately surrender and deliver possession of all of the Series 2000A Facilities financed under said Lease, to the Trustee. Upon such surrender, the Trustee will sell or re-let its interest in the Series 2000A Facilities in such manner and to such person or persons for any lawful purpose as it, in its or the Insurer's sole discretion, determines to be appropriate. The proceeds derived from any such sale or reletting of the leasehold interest in the Series 2000A Facilities will be applied first to the payment in full of each series of Certificates relating to the Series 2000A Facilities and then as described in the Series 2000A Lease. The proceeds of any such disposition of the Series 2000A Facilities will be applied to the payment of the Series 2000A Certificates. IN NO EVENT WILL OWNERS OF A SERIES OF CERTIFICATES HAVE ANY INTEREST IN OR RIGHT TO ANY PROCEEDS OF THE DISPOSITION OF FACILITIES FINANCED WITH THE PROCEEDS OF ANOTHER SERIES OF CERTIFICATES. For a discussion of the remedies available to the Trustee if the School Board refuses or fails to voluntarily deliver possession of the Facilities to the Trustee, See "APPENDIX C - FORMS OF CERTAIN LEGAL DOCUMENTS - Master Lease Purchase Agreement." The foregoing notwithstanding, under the Series 2000A Lease, the School Board may not be dispossessed of any personal property financed, in whole or in part with the proceeds of Certificates.

There can be no assurance that the remedies available to the Trustee upon any termination of the Lease Term of the Series 2000A Lease for non-appropriation or default and the disposition of the Series 2000A Facilities will produce sufficient amounts to pay the outstanding Series 2000A Certificates. The federal income tax status of payments made to Series 2000A Certificate holders after such termination may also be adversely affected. See "TAX TREATMENT." Further, after such termination of the Lease Term of the Series 2000A Lease, transfer of the Series 2000A Certificates may be subject to the registration provisions of applicable federal and state securities laws. Accordingly, there is no assurance that the market for the Series 2000A Certificates will not be impaired following termination of the Lease Term of the Series 2000A Lease.

Lease Payments

Subject to the conditions stated in the Series 2000A Lease, the School Board has expressed its current intent to make all Lease Payments due under the Series 2000A Lease. PROVIDED, HOWEVER, THAT NEITHER THE SCHOOL BOARD, THE DISTRICT, THE STATE OF FLORIDA, NOR ANY POLITICAL SUBDIVISION THEREOF, IS OBLIGATED TO PAY, EXCEPT FROM APPROPRIATED FUNDS, ANY SUMS DUE TO THE FOUNDATION UNDER THE SERIES 2000A LEASES FROM ANY SOURCE OF TAXATION, AND THE FULL FAITH AND CREDIT OF THE SCHOOL BOARD AND THE DISTRICT IS NOT PLEDGED FOR PAYMENT OF SUCH SUMS DUE THEREUNDER, AND THE SUMS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE SCHOOL BOARD OR THE DISTRICT WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION. All Lease Payments due under the Series 2000A Lease will be made from current or other funds authorized by law and regulations of the State Department of Education and appropriated for such purpose by the School Board.

On the first (1st) day of the month immediately preceding an interest or principal payment date on the Series 2000A Certificates, the School Board is required to pay to the Trustee the Basic Lease Payment then due on such date, which amount corresponds to the next succeeding payment due on the Series 2000A Certificates.

Lease Payments due under each of the Series 2000A Lease may be reduced, when applicable, by amounts credited as follows:

(a) The Trustee will deposit into the corresponding Lease Payment Account interest income in accordance with the Trust Agreement and apply such interest income as provided in the Trust Agreement.

(b) On completion of the acquisition and construction of the Facilities and upon the payment of all Costs of such Facilities or on termination of the corresponding Lease Term, the amounts, if any, remaining on deposit in the corresponding Acquisition Account will be transferred to the appropriate Lease Payment Account to be applied to Basic Lease Payments next coming due under the Series 2000A Lease; provided, however, that if, upon delivery by the School Board of a Certificate of Acceptance indicating completion of the acquisition, construction, installation and payment of all Costs of the Facilities (including the failure of the School Board to acquire any component of such Facilities), there shall remain in the corresponding Acquisition Account an amount greater than the amount of Basic Lease Payments coming due in the immediately following Fiscal Year under the Series 2000A Lease, such remaining amount shall be transferred to the appropriate Prepayment Account.

(c) The Trustee will deposit in the corresponding Lease Payment Account or the corresponding Prepayment Account, as the case may be, Net Proceeds realized in the event of damage, destruction or condemnation as provided for in the Series 2000A Lease to be applied to Basic Lease Payments under the Series 2000A Lease or the Prepayment Price of the Series 2000A Certificates.

Lease Covenants

Under the Series 2000A Lease, the School Board is responsible for the acquisition, construction, installation and equipping of the Series 2000A Facilities pursuant to the specifications of the School Board, including the letting of all contracts for the acquisition, construction, installation and equipping of the Series 2000A Project. In the Series 2000A Lease, the School Board covenants that it will (i) maintain the Series 2000A Facilities at all times during the Lease Term in good repair and condition, (ii) pay applicable taxes, assessments, utility charges and other governmental charges, and (iii) provide applicable insurance coverage which may include self insurance, including property and liability insurance, all in accordance with the terms and provisions relating to these requirements, contained in the Series 2000A Lease.

Budget and Appropriation

The cost and expense of the performance by the School Board of its obligations under the Series 2000A Lease and the incurrence of any liabilities of the School Board under such Lease including, without limitation, the payment of the corresponding Lease Payments and all other amounts required to be paid by the School Board under such Lease, are subject to and dependent upon appropriations being duly made from time to time by the School Board for such purposes. Under no circumstances will the failure of the School Board to appropriate sufficient funds constitute a default or require payment of a penalty, or in any way limit the right of the School Board to purchase or utilize educational facilities similar in function to those leased under the Series 2000A Lease.

Unless the School Board, at a public meeting held prior to the end of the then current Fiscal Year, gives notice of its intent not to appropriate the funds necessary to make the Lease Payments coming due in the following Fiscal Year under the Series 2000A Lease, the Superintendent is required to include in the Superintendent's tentative budget proposal, in a separate line item, the funds necessary to make such Lease Payments, and such Series 2000A Lease will be automatically renewed on June 30 of the current Fiscal Year, for the following Fiscal Year, subject to appropriation being made by the School Board in the final official budget. If no such appropriation is made in the final adopted budget or if no official budget is adopted as of the last day on which a final budget is required to have been adopted under Chapter 237, Florida Statutes, as amended, and applicable regulations thereunder, such Series 2000A Lease will terminate as of the date of adoption of the final official budget or the last date on which a final budget is required to have been adopted, whichever is earlier, and under which no appropriation has been made.

If the School Board declares its intent at such public meeting prior to the end of the then current Fiscal Year not to appropriate the funds necessary to make Lease Payments under the Leases, they will not be automatically renewed for the following Fiscal Year, and shall terminate on June 30 of the then current Fiscal Year. The School Board will, however, provide written notice of any non-appropriation of funds, as described above, to the Trustee and the Insurer within three business days after declaring its intent not to appropriate the funds necessary to make payments

under such Lease. For a discussion of the effect of termination of the Lease Term of any Lease, including the Series 2000A Lease, see "THE LEASE - Effect of Termination for Non-Appropriation or Default."

See "DISTRICT REVENUES FOR CAPITAL PROJECTS - Obligations Under Unrelated Lease Purchase Agreements - Series 1993 Certificates."

THE SCHOOL DISTRICT OF MIAMI-DADE COUNTY, FLORIDA

General Overview

The District is the fourth largest school system in the nation as measured by student enrollment. Located at the hub of the southeast coast of Florida and in the most populous area of the State, the geographic boundaries of the District are coterminous with those of Miami-Dade County, Florida ("Miami-Dade County"). Miami-Dade County is the largest county in the southeastern United States in both land area and population with a current population of approximately 2 million and a land area of 2,352 square miles. The District services the unincorporated areas of Miami-Dade County and all 30 municipalities within the boundaries of Miami-Dade County, including the cities of Miami, Miami Beach, Coral Gables, Hialeah and Pinecrest.

As of June 30, 2000, the District consisted of 309 schools and vocational/technical centers, approximately 355,000 students and approximately 48,000 full and part-time employees, including over 21,000 full-time teachers and approximately 4,750 full-time paraprofessionals and technical staff. Management of the District is independent of the various municipal governments of Miami-Dade County, including Miami-Dade County itself. The Tax Collector of Miami-Dade County (the "County Tax Collector") collects the ad valorem school tax for the District, but Miami-Dade County exercises no control over its expenditure.

Administration

The School Board. The School Board is a public corporation existing under the laws of the State of Florida, particularly Section 230.21, Florida Statutes, and is the governing body of the District. The School Board consists of nine members elected from single member districts. The County switched to this form of governance in November of 1996 pursuant to a settlement of a 1991 suit filed in the United States District Court for the Southern District of Florida

alleging that the prior system for selecting Board members was unconstitutional and a violation of the Voting Rights Act. As part of a settlement of that case, the Board agreed, beginning with elections in 1996, to switch from seven members elected by county-wide vote for four years staggered terms to nine single member districts whereby there are two districts where a majority of the voting age population is African American, two districts where such majority is Non-Hispanic White, four districts where such majority is Hispanic and one district where the voting age population is approximately 45% Hispanic, 45% Non-Hispanic White and 10% African American. The terms continue to be staggered, so in November 1996, five members were elected for a four year term and four members were elected initially for a two year term and thereafter all terms will be for a period of four years.

Under existing statutes, the School Board's duties and powers include, but are not limited to, the acquisition, maintenance and disposition of school property within the District; the development and adoption of a school program for the District; the establishment, organization and operation of schools, including vocational and evening schools, and programs for gifted students and handicapped students, including students in residential care facilities; the appointment, compensation, promotion, suspension and dismissal of employees; the establishment of courses of study and the provision of adequate instructional aids; and the establishment of a system to transport students to school or school-related activities.

The School Board also has broad financial responsibilities, including the approval of the annual budget, adoption of the school tax levy and the establishment of a system of accounting and budgetary controls.

The Chair of the School Board and the Vice Chair of the School Board are elected by the members of the School Board annually. The Superintendent of Schools is the ex-officio Secretary of the School Board.

Budget Process

Florida law requires the School Board to adopt in each fiscal year a tentative budget and a final budget, each of which is required to be balanced with available funds. Revenues derived from ad valorem property taxes are budgeted, as required by Florida law, on the application of millage levies to 95 percent of the non-exempt assessed valuation of property in Miami-Dade County.

The Superintendent is responsible for recommending the tentative budget to the School Board. Florida law further requires the School Board to advertise its intent to adopt the tentative budget, including a proposed tax millage, within twenty-nine (29) days after certification of taxable property by the Property Appraiser of Miami-Dade County (the "County Property Appraiser") which is required by law to occur by July 1, unless extended.

The School Board is required to hold a public hearing on the tentative budget and the proposed tax millage within five (5) days, but not earlier than two (2) days, after advertisement. At the hearing, the School Board adopts a tentative budget and a resolution stating the millage rate to be levied, and sets the date for the public hearing on the final budget. Following the hearing on the tentative budget, all property owners are notified by the County Property Appraiser, usually in mid-August, of the date, time and place of the hearing on the final budget; the proposed millage rate; and the millage rate which would have had to be levied to raise the same ad valorem property tax revenue as was raised in the preceding year.

A public hearing and adoption of the final budget and tax millage are required within eighty (80) days, but not earlier than sixty-five (65) days, after the taxable property certification by the County Property Appraiser. This public hearing usually occurs early in September.

In no event may the millage rate adopted at the final budget hearing exceed the millage rate adopted at the tentative budget hearing unless each taxpayer within the District is sent notice by mail of the taxes under the tentative adopted millage rate and the taxes under the higher rate to be adopted at the final budget hearing. The final budget is submitted to the Department of Education of the State of Florida. After the final budget hearing, the School Board must certify the final millage rate to the County Tax Collector, the County Property Appraiser and the State Department of Revenue.

Fiscal Year 1999 - Status

On June 30, 1999, the District concluded its 1999 fiscal year. The District prepared its final 2000 fiscal year budget which was presented and adopted at a public hearing held on September 8, 1999. The District may make revisions to the 2000 fiscal year budget as required by Florida law. It is anticipated that the budget for the 2001 fiscal year will be adopted by the School Board on or about September 13, 2000.

In addition to the annual reports prepared by the District and submitted to the State Department of Education, the District's financial statements are audited by independent auditors. A copy of the General Purpose Financial Statements of the School Board for the fiscal year ended June 30, 1999 is presented as "APPENDIX B - General Purpose Financial Statements of The School Board of Miami-Dade County, Florida for the Fiscal Year ended June 30, 1999 and Independent Auditors' Report."

District Financial Procedures

The financial and accounting practices of the District are designed to conform to generally accepted accounting principles applicable to governmental units, and the accounting records meet the standards prescribed by the Florida State Department of Education, as required by law. The accounts of governmental and agency funds are maintained on a modified accrual basis of accounting, whereby revenues are recognized when they become available and measurable and expenditures are recorded in the accounting period in which the liability is incurred, if measurable, except for unmatured interest on general long-term debt, which is recognized when the interest is due. The Supplemental Early Retirement Trust Fund is maintained on the accrual basis of accounting, whereby revenues are recognized when earned and expenses are recognized when incurred.

The financial records and accounts of the District are maintained in accordance with the principles of "fund accounting." This is the procedure by which resources are classified for accounting and reporting purposes into funds or groups of accounts that are considered separate accounting entities, each with its own assets, liabilities, fund balances, revenues and expenditures. (See "APPENDIX B - General Purpose Financial Statements of The School Board of Dade County, Florida for the Fiscal Year ended June 30, 1999 and Independent Auditors' Report" herein.)

Property Damage Insurance

Currently, 17 insurance companies provide property damage insurance to the District. The District's property damage insurance coverage (covering buildings and contents) for fiscal year 2000-1999 totals \$700 million, at a premium of \$8,166,630. The District's property damage insurance is negotiated effective May 1 of each year for a period of one year. The deductible per occurrence other than losses from a named hurricane is \$500,000. In the event of a hurricane, the deductible is 1% per value per site, [with a total deductible of \$10,00,000 from all losses per storm.]

OPERATING REVENUES OF THE DISTRICT

The District derives its operating income from a variety of federal, state and local sources. The major categories of these income sources for the General Fund are briefly described below.

State Sources

Florida Educational Finance Program. The major portion of State support is distributed under the provisions of the Florida Education Finance Program (FEFP), which was enacted by the State legislature in 1973. Basic FEFP funds are provided on a weighted full-time equivalent student (FTE) basis and through a formula that takes into account (i) varying program costs, (ii) cost differentials between districts, (iii) differences in per-student costs due to the density of student population, and (iv) the required level of local support. Program cost factors are determined by the State Legislature. The amount of FEFP funds disbursed by the State is adjusted three times during each year to reflect changes in FTE and in variables comprising the formula.

To participate in FEFP funding, the District must levy a minimum millage for operating purposes which is set by the Florida State Department of Education.

The FEFP revenues received by the District for fiscal year 1999-2000 were approximately \$1,271,802,015, which includes discretionary lottery funds of \$23,897,060. The projected FEFP revenues for fiscal year 2000-2001 are approximately \$1,430,000,000, which includes discretionary lottery funds of approximately \$32,000,000.

State Categorical Programs. These are special educational program lump-sum appropriations which supplement local school district revenues in order to enhance educational and support services. Among the categorical programs for which the largest appropriations are made are Instructional Technology, Pre-Kindergarten Schooling and Transportation. Allocations for these categorical appropriations are based on funding formulae and discretionary State Department of Education grants. The majority of funds available therefrom require actual appropriation by the School Board for the purposes for which they were provided.

The 1991 Legislature eliminated most state categorical programs and flowed such funds through the FEFP. The State also created a Discretionary District Lottery Fund which districts may use to fund programs deemed appropriate for such funding by the School Board.

Local Sources

Local revenue for District operating support is derived almost entirely from ad valorem real and tangible personal property taxes. In addition, the District earns interest on cash invested and collects other miscellaneous revenues.

The Florida Constitution limits the non-voted millage rate that school boards may levy on an annual basis for operational funds to 10 mills (\$10 per \$1,000 of taxable real and personal property value). Chapter 236, Florida Statutes, as amended, further limits the millage levy for operational purposes to an amount set each year by the State appropriations act. Within this operational limit, each school district desiring to participate in the State's appropriation of FEFP funds for current operations must levy the millage for "required local effort," which is set each year by the State Legislature. In addition to the "required local effort", school districts are entitled to levy up to .51 mills as non-voted current operating discretionary millage. Moreover, the 1994 State Legislature authorized school districts to levy not to exceed .25 mills for operating purposes designed to raise \$50 per full-time equivalent student. For districts that

cannot raise \$50 per student from the .25 mills, the State will provide the difference. See "AD VALOREM TAX PROCEDURES." In addition to the operating levy limit, current law allows school districts to levy up to 2.0 mills for capital outlay and maintenance of school facilities. See "DISTRICT REVENUES FOR CAPITAL PROJECTS - Local Capital Outlay Sources" herein.

Budgeted revenues from ad valorem taxes are based on applying millage levies to 95 percent of the non-exempt assessed valuation of real and personal property within Miami-Dade County. See "AD VALOREM TAX PROCEDURES" below.

Federal Sources

Federal revenue sources were approximately \$10,000,000 in fiscal year 1999-2000. The amount projected to be received during 2000-2001 fiscal year is approximately the same amount.

DISTRICT REVENUES FOR CAPITAL PROJECTS

The District derives its revenues for capital projects from certain State and local sources. The major categories of these revenue sources are briefly described below.

State Sources

The primary source of State educational funding contributions for the District's capital outlay requirements is the Florida Public Education Capital Outlay Program (PECO). PECO funds are derived from the gross receipts taxes for utility services levied pursuant to Chapter 203, Florida Statutes, and bonded pursuant to Article XII, Section 9 of the Florida Constitution. The method of allocating funds to the various school districts within the State is provided by State law based upon a statutory formula, a component of which is the number of students in the various districts and the proposed uses of the funds by the various districts. The State Commissioner of Education administers PECO and allocates or reallocates funds as authorized by law. PECO funds of \$31,014,000 were allocated to the District for fiscal year 1999-2000. Funding in the amount of \$35,015,000 has been allocated for fiscal year 2000-2001 based on District needs and the increase in student population.

On November 24, 1997, the Governor of the State of Florida signed into law a bill creating the "Public School Capital Outlay Program Act" (the "Act"). Among the several programs established by the Act is the "Classrooms First Program," which provides for the issuance by the State of revenue bonds, the proceeds of which will be distributed to the various school districts based upon a formula similar to the formula used in allocating PECO funds. As administered by the State's Department of Education, the proceeds of such revenue bonds must be applied by a school district for construction of new classroom space until all such needs have been met, and then for remodeling, renovation or major repairs. If a school district certifies that it has no unmet need for permanent classroom facilities or if its unmet needs are less than its proposed allocation of the revenue bond proceeds, it may choose to receive an annual distribution of State lottery revenues in lieu of all or a portion of its allocation of State bond proceeds. Such annual distribution must be used to construct, renovate, remodel, repair or maintain educational facilities, with priority to construction of new classroom space. In addition, in order to receive any of such state funds, a school district must fully bond all of its capital outlay and debt service funds received from motor vehicle license revenues.

According to the preliminary distribution schedules published with respect to the Act, the District would be entitled to receive a maximum amount of State revenue bond (classrooms first) proceeds of approximately \$249,000,000. The District expects to receive the entire amount of State revenue bond proceeds to which it is entitled and to use such funds to construct new classroom space as provided by law. The District has received awards for the full \$249,217,535 as of Fiscal Year 2000 and expects to receive actual funds from the State as cash flow requires.

Under the Act, the District may be entitled to receive other State revenues pursuant to other programs if the District achieves certain standards relating to its capital outlay efforts. Some of such revenues may be used to make lease purchase payments. It is not possible at this time to determine or estimate the amount of such state revenues, if any, that the District may receive in the future.

State Indebtedness on Behalf of the District

The State Board of Education Capital Outlay Bonds are serviced entirely by the State using a portion of the District's share of revenue derived from automobile registrations. The annual sinking fund requirements are determined by the State Board of Administration and amounts necessary to retire bonds and pay interest are withheld from amounts due to the District. Amounts withheld and in the custody of the State as of June 30, 1999 totaled \$3,844,000; and, at June 30, 2000, amounts withheld and in the custody of the State totaled \$3,793,000.

Local Capital Outlay Sources

The Local Option Capital Outlay Millage Levy. In addition to the "required local effort" millage levy for operating purposes, school boards may set an additional non-voted millage known as the "Local Option Millage Levy" for capital outlay and maintenance purposes. See "SECURITY FOR THE SERIES 2000 CERTIFICATES - Limited Obligation of the School Board" herein.

General Obligation Debt. In addition to the School Board-set levies, qualified electors, by referendum, may vote an additional millage levy for District operation and capital outlay purposes, as prescribed by the Florida Constitution and applicable statutes. Qualified electors within the District may authorize issuance of general obligation bonds to be retired by a millage levy. On March 8, 1988, pursuant to Florida Statutes, Section 236.37, qualified electors of the District approved a referendum authorizing the School Board to issue general obligation bonds in an aggregate principal amount not exceeding \$980 million to be issued from time to time. Subsequently, the District has issued all of the \$980 million of its general obligation school bonds the proceeds of which have been used to pay a portion of the cost of the District's Capital Improvement Program. Principal and interest on the authorized bonds will be paid from ad valorem school district taxes levied on all taxable real and personal property within the District, excluding exempt property as required by Florida law.

[Impact Fees TO COME]

Obligations Under Unrelated Lease Purchase Agreements

Generally. The School Board may, in the future, enter into lease purchase agreements upon terms and conditions other than those in the Master Lease. Unless otherwise expressly provided in this Offering Statement, failure to make payments under any such lease purchase agreements, or an event of default under any such lease purchase agreement, will not affect the Lease Term or cause the termination of the Series 2000A Leases or any other Leases. See "SECURITY FOR THE SERIES 2000A CERTIFICATES - Additional Leases."

Series 1993 Certificates. On March 29, 1988, the School Board entered into a Lease Purchase Agreement, dated as of March 1, 1988, with the Foundation, to finance the acquisition and construction of a senior high school (the "G. Holmes Braddock Facility") and appurtenant equipment and other property to be operated by the School Board. In addition, on March 29, 1988, the School Board, as lessor, entered into a Ground Lease (the "1988 Ground Lease") with the Foundation for the G. Holmes Braddock Facility site and all improvements, whereby the Foundation agreed to make a one time nominal lease payment to the School Board. The 1988 Ground Lease term for the G. Holmes Braddock Facility site commenced on March 1, 1988 and will end on June 30, 2013. Also, on March 29, 1988, \$50,000,000 Certificates of Participation, Series A (the "Series 1988 Certificates") were issued to third parties, evidencing undivided proportionate interests in basic lease payments to be made by the School Board, as lessee, pursuant to said Lease Purchase Agreement. Fee title to the G. Holmes Braddock Facility and the G. Holmes Braddock Facility site is in the name of the School Board. The Foundation's interest in the Lease Purchase Agreement and the 1988 Ground Lease were assigned to Chemical Bank, as trustee. The School Board was responsible for the construction of the G. Holmes Braddock Facility (which was completed in May 1990) and remains responsible for its ongoing operation, maintenance, use, occupancy, upkeep and insurance.

On June 9, 1993, the Series 1988 Certificates were refunded by the issuance of the Series 1993 Certificates in the aggregate principal amount of \$53,330,000, of which \$31,260,000 aggregate principal amount currently remains outstanding. The Series 1993 Certificates were issued pursuant to an Amended and Restated Ground Lease and Amended and Restated Lease Purchase Agreement.

The annual principal and interest through maturity of the Series 1993 Certificates, which will be serviced by annual lease payments, are set forth under "AGGREGATE PAYMENTS ON OUTSTANDING CERTIFICATES OF PARTICIPATION" herein.

AD VALOREM TAX PROCEDURES

Property Assessment

Ad valorem taxes may be levied only by counties, school districts, municipalities and certain special districts. No ad valorem taxes may be levied by the State upon real estate or tangible personal property. Real and personal property valuation is determined as of January 1 by the County Property Appraiser. Except as noted immediately below and under "Constitutional Amendment" below, all taxable real and tangible personal property must be assessed at 100 percent of fair market value.

The following uses of real property are generally exempt from ad valorem taxation: religious, educational, charitable, scientific, literary and governmental. In addition, there are special exemptions for widows, hospitals, homesteads and homes for the aged and disabled veterans. The "homestead exemption" exempts from taxation the first \$25,000 of the assessed valuation of a residence occupied by the owner on a permanent basis, as of January 1 of the year of valuation. Agricultural land, noncommercial recreational land, inventory and livestock are assessed at less than 100 percent of fair market value.

Constitutional Amendment

By voter referendum held on November 2, 1992, Article VII, Section 4 of the Florida Constitution was amended by adding thereto a subsection which, in effect, limits the increases in assessed just value of homestead property to the lesser of (1) three percent of the assessment for the prior year or (2) the percentage change in the Consumer Price Index for all urban consumers, U.S. City Average, all items 1967-100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics. Further, the amendment provides that (1) no assessment shall exceed just value, (2) after any change of ownership of homestead property or upon termination of homestead status such property shall be reassessed at just value as of January 1 of the year following the year of sale or change of status, (3) new homestead property shall be assessed at just value as of January 1 of the year following the establishment of the homestead, and (4) changes, additions, reductions or improvements to homestead shall initially be assessed as provided for by general law, and thereafter as provided in the amendment. The effective date of the amendment was January 5, 1993 and, pursuant to a ruling by the Supreme Court of the State of Florida it began to affect homestead property valuations commencing January 1, 1995 with 1994 assessed values being the base year for determining compliance.

Procedure for Ad Valorem Tax Collections

All real and tangible personal property taxes are due and payable on November 1 of each year or as soon thereafter as the assessment roll is certified and delivered to the County Tax Collector based on the valuation as of January 1 of such year. On or about November 1 of the year of valuation, the County Tax Collector mails to each property owner on the assessment roll a notice of taxes levied by Miami-Dade County, the District and other taxing authorities. Taxes may be paid upon receipt of such notice with discounts at the rate of four percent (4%) if paid in the month of November, three percent (3%) if paid in the month of December, two percent (2%) if paid in the month of January and one percent (1%) if paid in the month of February. Taxes paid during the month of March are without discount. All unpaid taxes on real and tangible personal property become delinquent on April 1 of the year following the year in which taxes were levied or within sixty (60) days after the mailing of the original tax notice of the final assessment rate, whichever is later. All taxes collected are remitted by the County Tax Collector to the governmental unit levying the taxes.

Delinquent real property taxes bear interest at the rate of one and one-half percent (1-1/2%) per month from April 1, or within sixty (60) days after the mailing of the original tax notice of the final assessment rate, whichever is later, until a tax certificate is sold at auction, from which time the interest rate shall be as bid by the buyer of the tax certificate. Delinquent tangible personal property taxes also bear interest at the rate of one and one-half percent (1-

1/2%) per month from April 1 until paid. Delinquent personal property taxes must be advertised within forty-five (45) days after delinquency, and after May 1 the property is subject to warrant, levy, seizure and sale.

Florida law provides that real property tax liens and personal property tax liens are superior to all other liens, except prior United States Internal Revenue Service liens. The County Tax Collector advertises once each week for four weeks and sells tax certificates to the lowest bidder, based on the interest rate bid, commencing on or about June 1 of each year on substantially all real property with taxes due. Delinquent tax certificates not sold at auction revert to Miami-Dade County.

If the owner of real property subject to a tax certificate does not redeem the certificate within two years, the holder of the certificate is entitled to apply for a tax deed of sale. The highest bidder at such sale receives a tax deed for the property subject to the tax certificate. To redeem a tax certificate, the owner of the property must pay all delinquent taxes, the interest that accrued prior to the date of the sale of the tax certificate, charges incurred in connection with the sale of the tax certificate, omitted taxes, if any, and interest at the rate bid on the tax certificate from the date of the sale of the tax certificate to the date of redemption. The interest rate on a tax certificate is a minimum of five percent, unless the interest bid on the certificate is a lower rate.

THE CAPITAL IMPROVEMENT PROGRAM

Overview of the Program

In May 1988, the District published materials outlining the first phase of a detailed program to implement a capital outlay plan (the "Capital Improvement Program"), the financing of a portion of which includes the proceeds of the sale of general obligation school bonds. The Capital Improvement Program, designated the District's "Annual and Long-Range Educational Facilities Plan" (the "Plan") is one of the most comprehensive school district capital outlay programs developed in the United States.

The Plan is updated annually to reflect the District's long range capital construction program resulting from accelerated student enrollment growth, and improvements and additions to non-school sites.

From the end of fiscal year 1988 to June 30, 2000, the student population in grades Pre-K through 12 increased from 254,235 to about 355,000 students, an approximately 4% average annual overall increase.

The current Plan includes 61 new schools and renovation/addition projects at 251 existing school facilities. Twenty-nine of these new schools have been opened, 21 new schools are under construction and seven are in the design phase and 4 are in the planning stage. One-hundred and six renovation/addition projects at existing schools have been completed, 38 are under construction and 107 are in the design phase.

As part of the funding for the Capital Improvement Program, the District has issued \$980 million of its General Obligation School Bonds since 1989, \$879.5 million of which remain outstanding as of the date hereof. See "APPENDIX B – GENERAL PURPOSE FINANCIAL STATEMENTS OF THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA FOR FISCAL YEAR ENDED JUNE 30, 1999 AND INDEPENDENT AUDITORS' REPORT - Notes to the General Purpose Financial Statements -- Note 8. Long-Term Bonds Payable" herein.

In addition to the District's Capital Improvement Program financed through the issuance of the School Board's General Obligation School Bonds, the District has undertaken numerous capital improvements financed under the Master Lease or similar lease purchase arrangements. For a summary of the debt service associated with these obligations, see "AGGREGATE PAYMENTS ON OUTSTANDING CERTIFICATES OF PARTICIPATION" herein.

RISK FACTORS

Each purchaser of Series 2000A Certificates is subject to certain risks and each prospective purchaser of Series 2000A Certificates is encouraged to read this Offering Statement in its entirety. Particular attention should be given to the factors described below which, among others, could affect the market price of the Series 2000A Certificates to an extent that cannot be determined.

Annual Right of the School Board to Terminate the Series 2000A Lease

Although the School Board has determined that the Series 2000A Facilities are necessary to its operations and currently intends to continue Series 2000A Lease in force and effect for each respective maximum Lease Term and has covenanted in the Series 2000A Lease that the Superintendent will include a sufficient amount in the tentative budget to enable the School Board to make the corresponding Lease Payments due in each Fiscal Year, the School Board is not required to appropriate funds for Basic Lease Payments. If for any Fiscal Year the School Board does not approve a final budget which appropriates sufficient funds from legally available revenues, or if no final budget is adopted as of the last day upon which a final budget is required to have been adopted under State law for payment of its obligations under the Series 2000A Lease or any other Lease under the Master Lease, each respective Lease shall terminate as of the date of adoption of the final official budget, or such last day, whichever is earlier.

THE LIKELIHOOD THAT THE SERIES 2000A LEASE WILL BE TERMINATED AS THE RESULT OF AN EVENT OF NON-APPROPRIATION IS DEPENDENT UPON CERTAIN FACTORS THAT ARE BEYOND THE CONTROL OF THE SERIES 2000A CERTIFICATE HOLDERS, INCLUDING THE CONTINUING FUTURE UTILITY OF THE FINANCED FACILITIES, AND OTHER FACILITIES OF THE SCHOOL BOARD AND CHANGES IN POPULATION OR DEMOGRAPHICS WITHIN THE COUNTY.

Limitation Upon Disposition; Ability to Sell or Relet

Following an event of default under the Series 2000A Lease or an Event of Non-Appropriation, the Trustee, as assignee of the Foundation, may take possession of the financed 2000A Facilities and sell or relet the leasehold interests therein. The Trustee's ability to actually achieve such a disposition of the financed 2000A Facilities is limited by its inability to convey fee simple title to such 2000A Facilities, and by the governmental nature of each of the 2000A Facilities. Moreover, it is possible that a court of competent jurisdiction could enjoin the sale or reletting of the Trustee's interest in the financed 2000A Facilities because of the essential governmental nature thereof. There can be no assurance that the remedies available to the Trustee upon any such termination of the Series 2000A Lease and the disposition of the financed 2000A Facilities will provide sufficient amounts to pay the outstanding Series 2000A Certificates.

Tax Effect Upon Termination

Upon termination of the Series 2000A Lease there is no assurance that payments made by the Trustee or the Insurer with respect to the Series 2000A Certificates and designated as interest will be excludable from gross income for federal income tax purposes or that the ownership or disposition of the Series 2000A Certificates will not be subject to Florida's intangible personal property tax, See "TAX TREATMENT."

Applicability of Securities Laws

After termination of the Series 2000A Lease the transfer of a Series 2000A Certificate may be subject to or conditioned upon compliance with the registration provisions of applicable federal and state securities laws. Accordingly, there is no assurance that liquidity of the Series 2000A Certificates will not be impaired following termination of the Series 2000A Lease.

Local Option Capital Outlay Millage Revenue

The amount which can be realized by the School Board derived from the levy of the Local Option Millage Levy can be affected by a variety of factors not within the School Board's control including, without limitation, fluctuations in the level of the assessed valuation of property within the District. Additionally, the School Board is not

legally required to impose the Local Option Millage Levy. See "SECURITY FOR THE SERIES 2000A CERTIFICATES - Limited Obligation of the School Board" and "DISTRICT REVENUES FOR CAPITAL PROJECTS - Local Capital Outlay Sources."

State Revenues

A large portion of the District's funding is derived from State sources. See DISTRICT REVENUES FOR CAPITAL PROJECTS - State Revenue Sources." A significantly large percentage of such State revenues is generated from the levy of the State sales tax. The amounts budgeted for distribution from the State to the District are subject to change in the event that projected revenues are not realized. The State has experienced some significant shortfalls in sales tax revenues in recent years which have resulted in cuts to school budgets.

Additional Indebtedness

The School Board may issue additional indebtedness other than in connection with the Master Lease secured by or payable from revenues which would otherwise be available to make Lease Payments without the consent of the Series 2000A Certificate holders. The incurrence of such additional indebtedness by the School Board may adversely affect the School Board's ability to make Basic Lease Payments under the Series 2000A Lease.

No Right of Certificate Holders to Direct Remedies

Termination of the Master Lease, in and of itself, will not result in termination of the Insurer's Policy. Unless the Insurer is in default of its payment obligations under the Policy, the Insurer is entitled to control and direct any of the rights or remedies of the Trustee including the right to direct the Trustee as to whether or not to re-let or sell the Facilities. Upon the occurrence of an Event of Default under the Trust Agreement, the Insurer may elect to redeem all of the Series 2000A Certificates outstanding, in which case the principal and interest represented by the Series 2000A Certificates shall become due and payable immediately. If the Insurer does not elect to redeem all Series 2000A Certificates outstanding, it has an obligation to continue to make payments to Series 2000A Certificate holders in accordance with the original schedule of Basic Lease Payments represented by the outstanding Series 2000A Certificates. However, the Insurer has no fiduciary responsibility to the Series 2000A Certificate holders with respect to the direction of such remedies and has no obligation to preserve the exclusion from gross income for federal income tax purpose of amounts paid to Series 2000A Certificate holders by the Insurer and designated as interest.

[Insert Risk Factors relating to Impact Fees]

LITIGATION

There is no litigation now pending or threatened (i) to restrain or enjoin the issuance or sale of the Series 2000 Certificates, (ii) questioning or affecting the validity of the Series 2000A Lease or the obligation of the School Board to make Lease Payments, (iii) questioning or affecting the validity of any of the proceedings for the authorization, sale, execution or delivery of the Series 2000A Certificates or (iv) challenging the existence of the Board or the District or the powers of the several offices of the officials of the Board or the titles of the officials holding their respective offices.

Various suits and claims arising in the ordinary course of School Board operations are pending against the District. While the ultimate effect of such litigation cannot be ascertained at this time, in the opinion of the School Board, the liabilities that may arise from such actions would not result in losses that would materially affect the financial position of the District or the School Board or the results of its operations.

RATINGS

Moody's Investors Service ("Moody's") and Standard & Poor's Ratings Services ("S&P") have assigned ratings of ["Aaa"] and ["AAA,"] respectively, to the Series 2000A Certificates with the understanding that upon delivery of the Series 2000A Certificates, a policy insuring the payment when due of the Basic Lease Payments represented by the Series 2000A Certificates will be issued by the Insurer. Moody's and S&P have also assigned ratings of ["A2"] and ["A-"], respectively, to the Series 2000A Certificates without regard to the issuance by the

Insurer of its policy insuring the payment when due of the principal of and interest on the Series 2000A Certificates. An explanation concerning the significance of the ratings given by Moody's may be obtained from Moody's at 99 Church Street, New York, New York 10007, (212) 553-0470. An explanation of the ratings given by S&P may be obtained from S&P at 25 Broadway, New York, New York 10004, (212) 208-8000. Certain information and materials concerning the Series 2000A Certificates, the School Board and the District were furnished to Moody's and S&P by the School Board. Either rating service may raise, lower or withdraw its ratings at any time. If a downward change or withdrawal should occur, it could have an adverse effect on the resale price of the Series 2000A Certificates.

TAX TREATMENT

The Internal Revenue Code of 1986, as amended (the "Code"), includes certain requirements which the School Board must continue to meet subsequent to the issuance and delivery of the Series 2000A Certificates in order that the portion of the Basic Lease Payments designated and paid as interest to the holders of the Series 2000A Certificates be and remain excluded from gross income for federal income tax purposes. Non-compliance may cause the portion of the Basic Lease Payments designated and paid as interest to the Series 2000A Certificate holders to be included in gross income for federal income tax purposes retroactive to the date of execution and delivery of the Series 2000A Certificates, regardless of the date on which such non-compliance occurs or is ascertained. The School Board has covenanted in the Series 2000A Lease to comply with such requirements in order to maintain the exclusion from federal gross income of the portion of the Basic Lease Payments designated and paid as interest to the Series 2000A Certificate holders.

In the opinion of Co-Special Tax Counsel, assuming compliance by the School Board with the aforementioned covenants, under existing statutes, regulations, rulings and judicial decisions, prior to the termination of the Master Lease resulting from an Event of Non-Appropriation or Event of Default thereunder, the portion of the Basic Lease Payments designated and paid as interest to the Series 2000A Certificate holders is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations. However, the portion of the Basic Lease Payments designated and paid as interest to the Series 2000A Certificate holders is taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax imposed on corporations. However, no opinion is expressed with respect to the federal income tax consequences of any payments received with respect to the Series 2000A Certificates following termination of the Master Lease as a result of non-appropriation of funds or the occurrence of an event of default thereunder.

Co-Special Tax Counsel is further of the opinion that the Series 2000A Lease and Series 2000A Certificates are exempt from the Florida intangible personal property tax. However, no opinion is expressed with respect to the payment or reporting of intangible personal property tax following termination of the Master Lease.

Except as described above, Co-Special Tax Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the portion of the Basic Lease Payments designated and paid as interest to the Series 2000A Certificate holders, or the ownership or disposition of the Series 2000A Certificates. Prospective purchasers of Series 2000A Certificates should be aware that the ownership of Series 2000A Certificates may result in other collateral federal tax consequences, including the following: (i) the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry Series 2000A Certificates or, in the case of a financial institution, that portion of the owner's interest expense allocable to the portion of the Basic Lease Payments designated and paid as interest to the Series 2000A Certificate holders; (ii) with respect to certain property and casualty insurance companies, the Code reduces the deduction for loss reserves by fifteen percent (15%) of the sum of certain items, including the portion of the Basic Lease Payments designated and paid as interest to Series 2000A Certificate holders; (iii) the portion of the Basic Lease Payments designated and paid as interest to certain foreign corporate Series 2000A Certificate holders doing business in the United States could be subject to a branch profits tax imposed by the Code; (iv) passive investment income, including the portion of the Basic Lease Payments designated and paid as interest to Series 2000A Certificate holders may be subject to federal income taxation for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than twenty-five percent (25%) of the gross receipts of such Subchapter S corporation is passive investment income; and (v) the Code requires recipients of certain Social Security and Railroad Retirement benefits to take into account, in determining the taxability of such

benefits, receipts and accruals of the portion of the Basic Lease Payments designated and paid as interest to the Certificate holders.

ORIGINAL ISSUE DISCOUNT AND PREMIUM

The initial offering prices of the Series 2000A Certificates maturing on September 15, in the years ____ and ____, (collectively, the "Discount Series 2000A Certificates") are less than the stated principal amounts thereof. Under the Code, the difference between the principal amount of the Discount Series 2000 Certificates and the initial offering price to the public, excluding bond houses and brokers, at which price a substantial amount of such Discount Series 2000A Certificates of the same maturity was sold, is "original issue discount." Original issue discount represents interest which is excluded from gross income; however, such interest is taken into account for purposes of determining the alternative minimum tax imposed on corporations and may result in the collateral federal tax consequences described above under "TAX TREATMENT." Original issue discount will accrue actuarially over the term of a Discount Series 2000A Certificate at a constant interest rate. A purchaser who acquires a Discount Series 2000A Certificate in the initial offering at a price equal to the initial offering price thereof as set forth on the inside cover page of this Offering Statement will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period such purchaser holds such Discount Series 2000A Certificate and will increase its adjusted basis in such Discount Series 2000A Certificate by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Series 2000A Certificate. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of Discount Series 2000A Certificates which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Prospective purchasers of Discount Series 2000A Certificates should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, prepayment or other disposition of Discount Series 2000A Certificates and with respect to the State and local tax consequences of owning and disposing of Discount Series 2000A Certificates.

The Series 2000A Certificates maturing on September 15, ____ through _____, inclusive, (collectively, the "Premium Series 2000A Certificates) were offered and sold to the public at an issue price in excess of their stated redemption price (the face amount) at maturity. This excess constitutes amortizable bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Series 2000A Certificate, based on the yield to maturity of such Premium Series 2000A Certificate, compounded semiannually. No portion of such bond premium is deductible by the owner of a Premium Series 2000A Certificate. The tax basis of an owner of a Premium Series 2000A Certificate is reduced by the amount of bond premium that accrues during the period of ownership for purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Series 2000A Certificate. As a result, an owner may realize taxable gain for federal income tax purposes from the sale of a Premium Series 2000A Certificate for an amount equal to or less than the amount paid by that owner for the Premium Series 2000A Certificate. A purchaser of a Premium Series 2000A Certificate at its issue price in the initial offering who holds such Premium Series 2000A Certificate to maturity will realize no gain or loss upon the retirement of the Premium Series 2000A Certificate. Owners of Premium Series 2000A Certificates should consult their own tax advisers as to the determination for federal income tax purposes of the amount of amortizable bond premium properly accruable each year with respect to the Premium Series 2000A Certificates and as to other federal tax consequences and the treatment of amortizable bond premium for state and local tax purposes.
