**SUBJECT: RENEW BID #103-XX07 – ON-SITE REFUELING (DRIVER EDUCATION VEHICLES)**

The purpose of this bid opened on September 29, 1998, was to establish a contract, to purchase, at a firm service charge, with escalation/de-escalation fuel charges, based on the Oil Price Information Service (OPIS) average price, quantities, as may be required, of on-site refueling of Driver Education vehicles, for various schools. The terms of agreement, as contained in the subject bid, awarded by the Board on November 18, 1998, and renewed on November 17, 1999, provided, that by mutual agreement between the successful vendor and The School Board of Miami-Dade County, Florida, the contract may be renewed for two (2) additional one (1) year periods. The contract is currently in its first renewal period. The awardee has agreed to renew for the second one (1) year renewal period, by letter, on file. It is considered to be in the best interest of the Board to renew this bid, for an additional one (1) year period, at the current service charge, to benefit from fixed service charges, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of June 2000, indicated an increase of 3.7%.
