**SUBJECT: RENEW BID #064-XX05 – ELECTRICAL CONDUIT, COPPER WIRE
AND CABLE**

The purpose of this bid, opened on September 10, 1998, was to establish a contract, to purchase, through spot market purchases, quantities, as may be required, of electrical conduit, copper wire and cable, for Maintenance Materials Management stock. The terms of agreement, as contained in the subject bid, awarded by the Board on October 21, 1998, and renewed on October 20 1999, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be renewed for two (2) additional one (1) year periods. The contract is currently in its first renewal period. The awardees have agreed to renew for the second one (1) year renewal period, by letter, on file. Electropower Utility Sales Company, Gem-B Electric Supply, Inc., South Dade Electrical Supply Inc., of Miami, Florida, and General Electric Supply Company, of Pompano Beach, Florida, elected not to renew. It is considered to be in the best interest of the Board to renew this bid, for an additional one (1) year period, at the current prices, to benefit from fixed prices, during the next twelve (12) months, inasmuch as the Consumer Index (CPI), as of June 2000, indicated an increase of 3.7%.
