**SUBJECT: RENEW BID #029-ZZ02 – WASTEWATER TREATMENT FACILITIES –  
OPERATE AND MAINTAIN**

The purpose of this bid, opened on November 23, 1999, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of wastewater treatment, for South Regional Transportation Center, Maintenance and Operations – South Satellite, Redland Elementary, Redland Middle, Pinecrest Elementary and South Miami Senior High Schools. The terms of agreement, as contained in the subject bid, awarded by the Board on January 12, 2000, provided, that by mutual agreement between the successful vendor and The School Board of Miami-Dade County, Florida, the contract may be renewed for two (2) additional one (1) year periods. The contract is currently in its initial year. The awardee has agreed to renew for the first one (1) year renewal period, by letter, on file. It is considered to be in the best interest of the Board to renew this bid, for an additional one (1) year period, at the current prices, to benefit from fixed prices, during the next (12) months, inasmuch as the Consumer Price Index (CPI), as of August 2000, indicated an increase of 3.4%.
