SUBJECT: RENEW BID #075-ZZ05M/WBE – BALLASTS

The purpose of this bid, opened on December 2, 1999, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of ballasts, for Maintenance Materials Management stock. The terms of agreement, as contained in the subject bid, awarded by the Board on February 9, 2000 (partial), and March 15, 2000 (balance), provided, that by mutual agreement between the successful vendor and The School Board of Miami-Dade County, Florida, the contract may be renewed for one (1) additional one (1) year period. The contract is currently in its initial year. The awardee has agreed to renew for the final one (1) year renewal period, by letter, on file. It is considered to be in the best interest of the Board to renew this bid, for an additional one (1) year period, at the current prices, to benefit from fixed prices, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of October 2000, indicated an increase of 3.4%.
