**SUBJECT: REVIEW OF EDUCATIONAL EXCELLENCE SCHOOL ADVISORY
COUNCIL MEMBERSHIP ROSTERS 2000 - 2001**

Every Miami-Dade County public school and educational center has created an Educational Excellence School Advisory Council. These councils are composed of the school principal and an appropriately balanced number of teachers, education support employees, students, parents, and other business and community people who represent the ethnic, racial, linguistic, disabled and economic communities served by the school. The membership rosters are updated annually to fill vacancies and to improve outreach. All concerns about composition have been reviewed by the Family and Community Involvement Advisory Committee, and individual resolutions have been proposed to the Superintendent.

A copy of the Educational Excellence School Advisory Council Membership Rosters will be provided to School Board Members under separate cover and will be available for inspection by the public in the Office of Board Recording Secretary and the Citizen Information Center.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, receive and file the Educational Excellence School Advisory Council Membership Rosters, 2000-2001
