

Office of School Board Members
Board Meeting of February 14, 2001

January 29, 2001

Betsy H. Kaplan, Member

SUBJECT: CONSERVATION OF OUR FRESH WATER

The purpose and intent of this item is to request that the Superintendent make Miami-Dade County Public Schools teachers and principals aware of our ability to influence through education (not a designated curriculum or designated time slot) conservation of our precious and diminishing resource, fresh water.

Details of this item are forthcoming.
