**SUBJECT: AWARD OF BID #078-AA03 – VENDING MACHINE SERVICE –  
ACCESS FEE BASED**

The purpose of this bid, opened on January 11, 2001, is to establish a contract, at a firm annual access fee per senior high school location, paid to Miami-Dade County Public Schools, to provide vending machine service at thirty-five (35) senior high and vocational schools. This is a term bid which states that the Board may purchase quantities, as may be required, of the access fee bid, but is not obligated to purchase any guaranteed amount. Of 100 vendors sent bid forms or card notices of this advertised bid, 26 responded, with 18 bids meeting specifications (not all vendors bid all items), 5 non-responsive bids (vendors did not submit properly executed bids) and 3 no bids.

At its meeting of December 8, 1999, the Board awarded a contract for a vending machine pilot program based on the vendors paying an access fee to provide vending machine service to M-DCPS school sites. The pilot program targeted eight (8) senior high schools and generated approximately \$706,239 in revenues. The subject bid recommended for award herein includes an expanded service program to thirty-five (35) senior high and vocational schools, and will generate revenues of approximately \$2,973,058.
