

Ms. Perla Tabares Hantman, Chair

**SUBJECT: REVIEW AND FOLLOW-UP OF DISTRICT'S REMEDIATION OF FIRE
SAFETY ISSUES**

In light of the concerns we all have about the safety of our students, and being especially mindful of the attention given to this problem by a recent Grand Jury Report, we should all be particularly alert to the steps being taken to address this critical safety issue. We must monitor the progress of our remediation program frequently.

Details of this agenda item are forthcoming.
