SUBJECT: REQUEST FOR AUTHORIZATION FOR WLRN TO PRODUCE A VIDEO TO ILLUSTRATE FACILITIES CONSTRUCTED THROUGHOUT THE DISTRICT UTILIZING FUNDS GENERATED BY THE 1988 BOND REFERENDUM

The Miami-Dade County Public Schools facilities reflect the commitment of the School Board and the community to work cooperatively to provide state-of-the art facilities in which both the children and adults of Miami-Dade County can learn. Passage of the March 1988 bond referendum, in the amount of \$980 million, provided a major boost to the district's construction program. Bond referendum funds, in combination with other funding sources, have been spent prudently and responsibly to construct new schools in growth areas, and to provide for new or replacement schools, additions and renovations in existing neighborhoods.

The district's accomplishments as they relate to this referendum merit recognition by the community and other stakeholders. Therefore, it is being requested that WLRN produce a video, in the approximate amount of \$16,500, to further illustrate the successes of the 1988 bond referendum.

**ACTION PROPOSED BY
MS. JACQUELINE V. PEPPER:**

That The School Board of Miami-Dade County, Florida, authorize WLRN to produce a video, in the approximate amount of \$16,500, to illustrate facilities constructed throughout the district utilizing funds generated by the 1988 bond referendum.
