SUBJECT: REJECT BID NO. 077-AA06 – MATERIALS TESTING INSTRUMENT

The purpose of this bid, opened on January 16, 2001, was to establish a contract, to purchase, at a firm unit price, a materials testing instrument, for the Department of Materials Testing and Evaluation. Of 70 vendors sent bid forms or card notices of this advertised bid, 8 responded, with 1 bid meeting specifications and 7 no bids.

Inasmuch as the only bid received is considered excessive under current market conditions, the recommendation reflects that the bid for this item be rejected, to permit rebidding, using an expanded mailing list.
