**SUBJECT: RENEW REQUEST FOR PROPOSALS NO. 062-XX10 - SPORTS
MEDICINE PROGRAM**

The purpose of this Request For Proposals, opened on July 14, 1998, was to establish a contract, to obtain the professional services of qualified individuals or agencies in the field of sports medicine, to provide a comprehensive sports medicine program of injury prevention, physical screening examinations, evaluation, treatment and rehabilitation. These services are for individuals who participate in the district's interscholastic athletic programs in the 27 senior high schools and 6 alternative/special centers, for the Division of Full Service Schools and Health Related Services. The terms of agreement, as contained in the subject proposal, awarded by the Board on July 22, 1998, corrected on January 12, 2000, and renewed on July 19, 2000, provided, that by mutual agreement between the successful vendor and The School Board of Miami-Dade County, Florida, the contract may be renewed for two (2) additional one (1) year periods. The contract is currently in its first renewal period. The awardee has agreed to renew for the second one (1) year renewal period, by letter, on file. It is considered to be in the best interest of the Board to renew this proposal, for an additional one (1) year period, at the current prices, to benefit from fixed prices, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of January 2001, indicated an increase of 3.7%.
