Compensation and Related Benefits**EARLY RETIREMENT PLAN - INVESTMENT POLICIES****I. Scope and Objectives**

In accordance with Florida Statutes the Board directs the Superintendent of Schools to implement the investment of the funds available under the Supplemental Early Retirement Plan (the "Plan"). All funds deemed to be available are to be invested after obtaining no less than three bids, and according to the policies set forth below.

The investment objectives are to attain the highest possible return for the Plan using strategies geared to a long term approach, within the general concept of prudence and the safeguarding of the Plan's assets. The performance measurement guidelines will be reviewed and recommended by the Investment Advisory Committee annually. Performance will be reported on a monthly basis to the School Board.

**II. Trustee**

A trustee shall be appointed by the School Board to act as custodian of securities and make disbursements to beneficiaries. From time to time the relationship shall be reviewed and request for proposals obtained as deemed necessary by responsible staff. Trustee will only execute "delivery versus payment" transactions.

**III. Investment Policies**

The following investment instruments and limitations are to be in effect:

<u>Investment Instrument</u>	<u>Limitation</u>
