

Office of Superintendent of Schools
Board Meeting of November 14, 2001

November 9, 2001

Office of School Board Attorney
Johnny Brown, Board Attorney

**SUBJECT: REQUEST FOR APPROVAL OF RESOLUTION NO. 01-47,
REDISTRICTING THE SCHOOL BOARD OF MIAMI-DADE COUNTY,
FLORIDA**

On November 18, 1994, Federal District Court Judge Lenore C. Nesbitt entered an Order approving the nine single member districts for The School Board of Miami-Dade County, Florida. In that Order, the Court set forth a mandate that the School Board reapportion its district after each decennial census. Further, Section 230.061(2), Fla.Stats., provides that the School Board may make any change which it deems necessary to the boundaries of any district board member residence area, provided that such changes shall be made only in odd numbered years.

Accordingly, the School Board is legally required to redistrict prior to the end of 2001. This is accomplished by approving a recommended redistricting plan and passing and adopting a resolution setting forth the boundaries for that plan. The 2000 Census indicates an increase in the population of Miami-Dade County, Florida to 2,253,362, with a disproportionate population in the nine School Board election districts. The proportionate population (i.e. ideal district size) for each election district is 250,373.

Attached is Resolution 01-47, consisting of the recommended redistricting plan to provide a near proportionate population of each Board member election district in accordance with the Court mandate to reapportion after the 2000 decennial census.

Upon approval of the plan, the Resolution will be certified to the Clerk of the Circuit Court for filing and copies will be transmitted to the Secretary of State and Supervisor of Elections and published in a manner prescribed by law.

- RECOMMENDED:** That The School Board of Miami-Dade County, Florida:
- 1) approve the redistricting plan for School Board member election districts; and
 - 2) pass and adopt Resolution No. 01-47, incorporating the boundary descriptions for the approved plan.
