SUBJECT: RENEW BID NO. 271-ZZ05 – DOOR HARDWARE AND SECURITY DEVICES

The purpose of this bid, opened on August 17, 2000, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of door hardware and security devices, for Maintenance Materials Management stock. The terms of agreement, as contained in the subject bid, awarded by the Board on November 15, 2000, and re-awarded on March 14, 2001, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be renewed for two (2) additional one (1) year periods. The contract is currently in its initial year. The awardees have agreed to renew for the first one (1) year renewal period, by letter, on file. It is considered to be in the best interest of the Board to renew this bid, for an additional one (1) year period, at the current prices, to benefit from fixed prices, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of August 2001, indicated an increase of 2.7%.
