**SUBJECT: RENEW BID NO. 287-XX02 – WASTE REMOVAL, HAZARDOUS/
NON-HAZARDOUS INDUSTRIAL MATERIAL**

The purpose of this bid, opened on August 3, 1999, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of hazardous/non-hazardous industrial waste removal, for various locations. The terms of agreement, as contained in the subject bid, awarded by the Board on October 20, 1999, and renewed on October 11, 2000, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be renewed for two (2) additional one (1) year periods. The contract is currently in its first renewal period. The awardees have agreed to renew for the second one (1) year renewal period, by letter, on file. It is considered to be in the best interest of the Board to renew this bid, for an additional (1) year period, at the current prices, to benefit from fixed prices, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of August 2001, indicated an increase of 2.7%.
