

Office of School Board Members
Board Meeting of December 12, 2001

November 28, 2001

Frank J. Bolaños, Member

SUBJECT: UNIFORM SCHOOL-SITE SECURITY MEASURES

Currently, there exists varying degrees of security measures at our school sites. The lack of both uniform security measures and appropriate enforcement of existing measures at our schools leaves the school district in a vulnerable state. In the interest of the safety of our schoolchildren, a district plan needs to be developed to address this important area.

Details of this agenda item are forthcoming.
