Welfare**MAINTENANCE OF APPROPRIATE STUDENT BEHAVIOR**

The schools are established for the benefit of all students. The educational purposes of the schools are accomplished best in a climate of student behavior that is socially acceptable and conducive to the learning and teaching process. Student behavior that disrupts this process or that infringes upon the rights of other individuals will not be tolerated. The School Board endorses a zero tolerance policy toward school-related violent crime.

The School Board reaffirms its support of the administrative staff and teachers in taking all necessary steps to enforce and implement all School Board rules pertaining to the maintenance of appropriate student behavior. Important among these rules are those in the areas of conduct, corporal punishment, suspensions and expulsions, and climate for learning.

The School Board directs that:

1. The Superintendent of Schools, through the Miami-Dade Schools Police Department, shall pursue the investigation and assist in the subsequent prosecution of any adults inciting students to perform violent and unlawful acts in the schools; and
2. Each individual teacher shall be granted full disciplinary authority over every student in his/her classroom, in accordance with Florida Statutes, Board Florida Board of Education rules, School Board rules, and administrative regulations memoranda.
