Permanent Personnel**CONFLICT OF INTEREST****I. Statutory Provisions**

School Board employees are governed by the statutory provisions contained in the "Code of Ethics for Public Officers and Employees," Part III of Chapter 112, Florida Statutes, and by certain other statutes in the School Code.

Section 112.313(13), Florida Statutes, provides that the governing body of any school district may adopt a resolution providing that a school district employee may not personally represent another person or entity for compensation before the school district of which the individual was an employee for a period of two (2) years following termination of employment, except for the purpose of collective bargaining.

A. School Board employees are prohibited from personally representing another person or entity or acting as an agent or attorney for compensation in connection with any matter in which Miami-Dade County Public Schools is interested for two (2) years after the School Board employees' service terminates.

B. The restriction applies to all school senior level employees classified as Managerial Exempt Personnel, Pay Grade 22 and above, Dade County School Administrators Association, Pay Grade 47 and above, and other equivalent positions.

C. Miami-Dade County Public Schools shall be prohibited from entering into any business relationship or continuing an existing business relationship with any person or entity determined to have engaged in a violation of the restriction contained in this provision.

€ D. Exception to this provision is provided by statute for the purposes of collective bargaining, and may be granted to former school district employees who are employees or agents of not-for-profit organizations, other governmental agencies or those whose business relationship is determined by the School Board to be in the best interest of the school district.
