**SUBJECT: EXTEND CONTRACT NO. 170-ZZ02 – PLUMBING: COPPER TUBING
AND FITTINGS**

The purpose of the bid, opened on June 6, 2000, was to establish a contract, to pre-qualify bidders, to participate in spot-market purchases, of copper tubing and fittings, for Maintenance Materials Management stock. The terms of agreement, as contained in the contract, awarded by the Board on July 19, 2000, and extended on April 18, 2001, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be extended for two (2) additional one (1) year periods. The contract is currently in its first extension period. The awardees have agreed to extend for the second one (1) year extension period, by letter, on file, with the exception of Las Top Security, Inc., of Miami, Florida, and Maintenance Warehouse of San Diego, California, who did not respond to the extension request and Bond Plumbing Supply, of Miami, Florida, who could not provide the same prices. It is considered to be in the best interest of the Board to renew this contract, for an additional one (1) year period, at the current prices, to benefit from spot-market prices, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of April 2002, indicated an increase of 1.6%.
