The terms of agreement, as contained in the contract, awarded by the Board on July 14, 1999, and extended on May 17, 2000, and April 18, 2001, provided, that by mutual agreement between the successful vendor and The School Board of Miami-Dade County, Florida, the contract may be extended for two (2) additional one (1) year periods and, if needed, ninety (90) days beyond the expiration date of the current contract period. The contract is currently in its second extension period. The awardee has agreed to extend for the final ninety (90) day extension period, by letter, on file.
