2. For projects with a construction cost less than \$50,000, the Board may direct the CM to perform any specific service on a time and material basis plus a 25% mark-up or on a negotiated lump sum basis, whichever is more beneficial for the Board.

3. The term of this agreement is for a period of two (2) years, with the second year being at the Board's option. The second year of each contract must be approved and ratified by the Board prior to its commencement. The contract term for each firm shall commence as follows:
 - Jasco: January 15, 2003 through January 14, 2005
 - Kalex: October 24, 2002 through October 23, 2004
 - Stobs: October 24, 2002 through October 23, 2004
 - Turner: October 24, 2002 through October 23, 2004
 - Zurqui: October 24, 2002 through October 23, 2004

4. The work will be assigned on the basis of each firm's workload and successful performance of previous assignments.

5. The Board does not guarantee any minimum number of project assignments. Moreover, the total annual construction cost value assigned to each contract shall not exceed \$5,000,000 per year.

6. The CM shall provide the required General Liability insurance coverage, and performance and payment bonds, in accordance with the Board approved General Conditions of the construction agreement.
7. The agreement provides for termination by either the Board or the CM prior and after the GMP has been accepted, upon written notification by either party.
