

Dr. Robert B. Ingram, Member

**SUBJECT:           REQUEST FOR APPROVAL OF RESOLUTION NO. 02-40 OF  
THE SCHOOL BOARD OF MIAMI-DADE COUNTY FLORIDA,  
HONORING DR. GABRIEL A. OYIBO UPON HIS VISIT AND  
EDUCATIONAL CONTRIBUTIONS TO MIAMI-DADE  
COUNTY'S PUBLIC SCHOOLS**

**COMMITTEE:       FEDERAL PROGRAMS AND GRANTS ADMINISTRATION**

Dr. Gabriel A. Oyibo, a renowned scientist, mathematician and nominee for the 2002 Nobel Prize in Physics, will visit several of Miami-Dade County's public schools October 21-24 to share with students, teachers and others his scientific expertise.

Dr. Oyibo's most distinguished achievement has been the development of the "Grand Unified Theorem," commonly referred to as the "Theory of Everything," which has been offered by the scientific community as a revision and extension of the seminal works of Albert Einstein and Isaac Newton's theory for relativity and gravitational force. His visit to Miami-Dade County's public schools, especially those with the Title I Program, will serve as an inspiration to students and staff alike.

The introduction of such an accomplished scholar and African-American role model to our students is intended to encourage, motivate and inspire them. With students performing at the highest of their ability, we can narrow the achievement gap. Therefore, it is appropriate that the School Board honor Dr. Oyibo for his help in inspiring our students to strive for maximum achievement.

**ACTION PROPOSED BY       That The School Board of Miami-Dade County, Florida,  
DR. ROBERT B. INGRAM:   approve Resolution No. 02-40 of The School Board of  
Miami-Dade County, Florida, honoring Dr. Gabriel A.  
Oyibo for his visit and educational contributions to Miami-  
Dade County.**

RBI:jlmm

**RESOLUTION NO. 02-40  
OF THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA,  
HONORING DR. GABRIEL A. OYIBO FOR HIS VISIT AND EDUCATIONAL  
CONTRIBUTIONS TO MIAMI-DADE COUNTY'S PUBLIC SCHOOLS**

**WHEREAS**, Dr. Gabriel A. Oyibo is a renowned scientist, mathematician and nominee for the 2002 Nobel Prize in Physics; and

**WHEREAS**, Dr. Gabriel A. Oyibo will visit Miami-Dade County's public schools October 21-24 to share with students, teachers and others his scientific expertise; and

**WHEREAS**, Dr. Gabriel A. Oyibo has distinguished himself by developing the "Grand Unified Theorem," commonly referred to as the "Theory of Everything," which has been affirmed by the scientific community as a revision and extension of the seminar works of Albert Einstein and Isaac Newton's Theory of relatively and gravitational force; and

**WHEREAS**, the visit of Dr. Gabriel A. Oyibo, as a distinguished scholar and African-American role model, to schools in Miami-Dade County, and particularly those with the Title I program, will serve as an inspiration to students;

**NOW, THEREFORE, BE IT RESOLVED THAT:**

The School Board of Miami-Dade County, Florida, approve Resolution No. 02-40 of The School Board of Miami-Dade County, Florida, honoring Dr. Gabriel A. Oyibo for his visit and educational contributions to Miami-Dade County's public schools.

Presented this twenty-third day of October, A.D. 2002

THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA
