Recently, some 190 volunteers from the Merrill Lynch Miami Americas Complex spent their weekend working to improve the outer appearance of Edison Park Elementary School. Participating in the firm's nationwide Volunteer Month celebration, these individuals spent October 19 and 20 at the school working to accomplish their mission.

With a \$7,000 budget provided by Merrill Lynch, the volunteers worked diligently patching, painting and landscaping. To ensure that the exterior prepping was done according to requirements, the volunteers' work and that of professional painters was supervised by North Central Satellite Maintenance staff.
