**SUBJECT: EXTEND CONTRACT NO. 219-AA05 – ELECTRICAL CONDUIT,
COPPER WIRE AND CABLE**

COMMITTEE: FINANCIAL AFFAIRS

The purpose of the bid, opened on November 15, 2001, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of electrical conduit, copper wire and cable, for Maintenance Materials Management stock. The terms of agreement, as contained in the contract, awarded by the Board on January 16, 2002, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be extended for two (2) additional one (1) year periods. The contract is currently in its initial year. The awardees have agreed to extend for the first one (1) year extension period, by letter, on file, with the exception of Richard Electric Supply, of Miami, Florida. It is considered to be in the best interest of the Board to extend this contract, for an additional one (1) year period, at the current prices, to benefit from fixed prices, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of September 2002, indicated an increase of 1.5%.
