

Paul R. Philip, Chief of Staff

SUBJECT: AGREEMENT BETWEEN MIAMI-DADE COUNTY AND THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, FOR THE CONSTRUCTION OF WATER AND WASTEWATER FACILITIES TO SERVICE THE STATE SCHOOL "MMM" AT THE MIAMI CORAL PARK SENIOR HIGH SCHOOL SITE PROJECT NO. A0746

COMMITTEE: FACILITIES PLANNING AND CONSTRUCTION

In order to provide potable water, irrigation, additional fire protection and wastewater services to the State School "MMM" at the Miami Coral Park Senior High School site, the Board must install and connect a water main, fire hydrants, a gravity sewer system and other appurtenances to the existing Miami-Dade County (County) infrastructure (see location map).

The 27-acre school site is located at 8865 SW 16 Street. A proposed 8" water main will connect to an existing County-owned 6" water main and interconnect to an existing 8" water main at SW 89 Court abutting Board-owned property. The approximate cost for the installation of these water facilities is \$49,500.

The Board will install a proposed 8" gravity sewer lateral to an existing County-owned 8" gravity sewer main located on SW 16 Street abutting a portion of the southern boundary of Board-owned property to service wastewater. The approximate cost for the installation of these wastewater facilities is \$42,500.

The agreement for the water and wastewater facilities installation has been reviewed and recommended by Facilities Operations and Legislative Support and the School Board Attorney's Office. Public utility facilities constructed on Board-owned property will be conveyed, with appropriate easements, to Miami-Dade County for future maintenance and operation.
