SUBJECT: EXTEND CONTRACT NO. 034-AA07 – REPAIR OF HEAVY-DUTY TRUCKS AND SCHOOL BUSES

COMMITTEE: FINANCIAL AFFAIRS

The purpose of the bid, opened on December 14, 2000, was to establish a contract, to purchase, at firm unit labor rates and parts markups/discounts, quantities, as may be required, of repairs of heavy-duty trucks and school buses, for the Department of Transportation, Vehicle Maintenance. The terms of agreement, as contained in the contract, awarded by the Board on February 14, 2001, and extended on February 13, 2002, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be extended for two (2) additional one (1) year periods. The contract is currently in its first extension period. The awardees have agreed to extend for the second one (1) year extension period, by letter, on file, with the exception of Murphy's Truck Rebuilding Service, Inc., of Miami, Florida. It is considered to be in the best interest of the Board to extend this contract, for an additional one (1) year period, at the current prices, to benefit from fixed prices, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of October 2002, indicated an increase of 2.0%.
