**SUBJECT: REQUEST APPROVAL OF SUPPLEMENTAL AWARDS ON TERM BIDS**

**COMMITTEE: FINANCIAL AFFAIRS**

The purpose of this request is to obtain prior approval of a supplemental award on the following term bids, inasmuch as the estimated requirements, previously awarded by the Board, will be exceeded before the bid terms expire.

**RECOMMENDED:** That The School Board of Miami-Dade County, Florida, **APPROVE** the supplemental award on the following term bids, inasmuch as the estimated requirements, previously awarded by the Board, will be exceeded before the bid terms expire.

(1)

Bid No. 201-AA10 - WATER-BASED FIRE PROTECTION SYSTEM, to establish a contract, to furnish, all necessary labor, materials and equipment, to test, service, inspect, repair and maintain, water-based fire protection systems, at various locations, Maintenance Operations, during the term of the bid, effective April 14, 2001, through April 13, 2003. This supplemental award is requested due to increased usage of contract. Last contract usage averaged \$51,464.65 per month, while this year's usage has averaged \$60,858.70 per month. The supplemental amount requested is based on the average monthly expenditure, times the twenty-four (24) month contract period, minus the original award amount. The increase was due to additional facilities being added to this contract for maintenance and increases at several facilities due to Capital Projects. Facility Operations has reviewed the outstanding work to be completed under this contract.

The additional amount needed under this contract is estimated to be \$40,000. A listing of the work order is in the attached email received from Maintenance Operations.
